The information is needed to permit the Social Security Administration (SSA) to verify eligibility for payment. The information you furnish on this form is voluntary. However, failure to provide all or part of the information requested on this form could prevent receipt of payment.

We rarely use the information you supply for any purpose other than verifying eligibility for payment. However, we may use it for the administration and integrity of Social Security programs. We may also disclose information to another person or to another agency in accordance with approved routine uses, which include but are not limited to: (1) to enable a third party or an agency to assist Social Security in establishing rights to Social Security benefits and/or coverage; (2) to comply with Federal laws requiring the release of information from Social Security records (e.g., to the Government Accountability Office and Department of Veteran Affairs); (3) to make determinations for eligibility in similar health and income maintenance programs at the Federal, State, and local level; (4) to State agencies or Employment Networks having an approved business arrangement with SSA to perform vocational rehabilitation services for disability beneficiaries and recipients; and (5) to facilitate statistical research, audit or investigative activities necessary to assure the integrity of Social Security programs.

We may also use the information you provide in computer matching programs. Matching programs compare our records with records kept by other Federal, state or local government agencies. Information from these matching programs can be used to establish or verify a person's eligibility for Federally funded and administered benefit programs and for repayment of payments or delinquent debts under these programs.
