FREQUENTLY ASKED QUESTIONS (FAQs)

PROGRAMMER: ALLOW INTERVIEWER TO VIEW FAQS AT ANY TIME.

WHO OR WHICH AGENCY IS SPONSORING THE STUDY?

This study is being sponsored by the U.S. Department of Labor and has been approved by the U.S. Office of Management and Budget under OMB Control Number xxxx-xxxx. Without this approval we would not be able to conduct this survey.

WHO IS CONDUCTING THE STUDY?

Mathematica, an independent research company is conducting the study on behalf of the U.S. Department of Labor. Mathematica has more than 40 years of policy research and program evaluation experience. You can learn more about Mathematica by visiting our website at www.mathematica-mpr.com.

WHAT IS THE PURPOSE OF THE STUDY?

This study is to learn about the adjustments that people make after they become unemployed or have their work hours reduced and file for unemployment insurance benefits. This information will help policymakers to assess how well the UI program is serving the nation's workers and refine it to better meet their needs.

WHO IS ELIGIBLE TO PARTICIPATE IN THE STUDY?

The U.S. Department of Labor is interested in hearing from people in your state who recently filed for unemployment insurance benefits. You were scientifically selected to participate in the study from among persons who filed for benefits around the same time and from the same geographic area as you.

I DON'T COLLECT UNEMPLOYMENT BENEFITS ANY MORE/I COLLECTED THEM FOR A VERY SHORT TIME.

We want to interview people who filed for unemployment insurance benefits in your state in the past year. Even if you no longer receive or never collected unemployment benefits, your experience and input is very important to the study. Hearing from people with different experiences helps us learn more about people who file for unemployment insurance benefits.

I AM DISSATISFIED WITH MY UNEMPLOYMENT BENEFITS/LOCAL AGENCIES.

Your comments will be especially important to the research. The U.S. Department of Labor needs to learn about the experiences of people who were satisfied and people who were dissatisfied with their experiences.

HOW DID YOU GET MY NAME?

Your name was scientifically selected from among persons in your state who filed for unemployment insurance benefits within the past year.

WILL MY ANSWERS BE KEPT PRIVATE?

Yes. All of the information we collect in the survey will be kept private to the extent permitted by federal law and will be used for research purposes only. Your answers will be combined with those of others and your name will never be used in reporting the results of the study. Your answers to questions will not affect your eligibility for any public program.

HOW LONG WILL THIS TAKE?

The length of the interview is different for different people, but it usually takes about 25 minutes.

WHY DO YOU WANT TO INTERVIEW ME THREE TIMES?

The Department of Labor is interested in capturing how the experiences of unemployed workers and workers who have their work hours reduced change over time. By interviewing you three times, we will be able to learn more about the adjustments that unemployment insurance recipients make. You will be paid for each interview you complete.

WHEN WILL I BE CONTACTED FOR THE NEXT SURVEY?

Mathematica will contact you by email, phone or letter in approximately XX weeks to provide instructions for completing the third interview.

HOW CAN I RECEIVE THE MAXIMUM PAYMENT FOR PARTICIPATION?

You can receive the maximum payment if you complete all three surveys using the web or calling in and completing the survey with a Mathematica interviewer. If you do not use the web to complete the survey and Mathematica calls you to complete the survey, you will receive $20 for each survey you complete.

I DON'T HAVE THE TIME.

We can schedule a call to do the survey at your convenience. FAQs – (continued)

WHAT HAPPENS IF I DON'T PARTICIPATE IN THE SURVEY?

Your participation is voluntary and will not affect your eligibility to receive any services or benefits. Your selection for the survey was done scientifically. You were chosen to represent other people who filed for unemployment insurance benefits in your area. Your answers will help the U.S. Department of Labor improve services to people who become unemployed or have their work hours reduced. There are no right or wrong answers. We're interested in your experiences and opinions.

I'M NOT INTERESTED.

Let me reassure you that we are not selling anything. The questions we ask will help the U.S. Department of Labor improve services to people who are unemployed or have their work hours reduced. There are no right or wrong answers. We're interested in your experiences and opinions. Your answers will be combined with those of others and reported in summary form. Your name will never be included in any report. If you complete the survey, you will receive a $20 incentive payment.

WILL I BE PAID?

Yes, by participating in this special study you can receive up to $50 as an incentive payment in addition to what you received for completing the first interview. Here's how it works--Mathematica will send you $20 after you complete the survey today. We will ask you to complete one more survey with us over the next few months. You can receive $30 for completing that survey using the web or by calling Mathematica.

WHAT ARE YOU GOING TO DO FOR ME NOW? ARE YOU GOING TO HELP ME FIND A JOB?

Mathematica is a private, independent research firm. Our company is conducting this study for the U.S. Department of Labor, and this survey is part of the study. We cannot provide assistance finding jobs. Mathematica will send you [$20/$30] dollars in appreciation for completing the survey.

I'M ON THE NATIONAL "DO NOT CALL LIST/REGISTRY." WHY ARE YOU CALLING ME?

The do not call list or registry applies to telemarketing calls, not to calls like this one that are approved by the government. Lawmakers recognize the need for the public to participate in studies like this to learn how government programs are working and how to improve them. We will not sell you anything, nor will we ask for money. Your privacy will be respected, and your cooperation is appreciated. For more information on who is included and excluded on the do not call list, you can visit the website at www.donotcall.gov.

DOES THE MONEY I RECEIVE FOR COMPLETING THIS SURVEY COUNT TOWARDS MY INCOME FOR THIS YEAR?

Mathematica cannot give tax advice.

WHO CAN I CONTACT FOR MORE INFORMATION?

For more information about the study, you can visit the U.S. Department of Labor (DOL) website at http://www.dol.gov/asp/evaluation/ongoing. For questions about the survey you can call Mathematica's Survey Director, Julita Milliner-Waddell at 609-275-2206.
