Domestic A/G/NATO Visa Application

Instructions

Welcome to the Consular Electronic Application Center Instructions Page. This online A/G/NATO Visa Application can be completed to initiate the application process.

What you need:

- Your Internet browser must support 128-bit encryption and must have javascript enabled.
- The minimum version of Internet Explorer (Windows) that this site supports is version 5.0 service pack 2 or higher.
- The minimum version of Netscape that this site supports is version 6.2 or higher.

Note: The time to download each page may vary depending on the speed of your Internet connection. Please be patient.

Instructions for completing the online A/G/NATO Visa Application:

1. Enter the information requested into the appropriate spaces on each page. Please answer all questions. Your answers must be in English and must use English characters. Letters like ñ, é, ü, ç are not recognized by the system. Please enter names like Muñoz and Sémonin as Munoz and Semonin.
2. Review the information you entered for accuracy.
3. Print the confirmation page.

Notice 22 C.F.R.6 41.103 requires an applicant to sign and submit his or her own nonimmigrant visa application unless otherwise exempt. Although the applicant may receive assistance from a third party in preparing the application, the applicant is required to click the "Sign and Submit" button at the end of the application. The applicant's failure to sign the application may result in a termination of the application.

Getting Started

NOTE: This application is not for A-3, G-5, or NATO-7 employees. Also, please be aware that if there is no activity for 20 minutes or more in the process of completing this online application, your session will expire and all entered data will be lost.

Information on Completing the Application

The Consular Electronic Application Center will permit you to complete an application online; however no partially completed applications will be stored online. If you need to stop the application before it has been completed for any reason, click the 'Save' button at the bottom of the last page you have completed and follow the instructions to save the application data to a file. When you return to the Consular Electronic Application Center, click on the 'Upload a Previous Application' button to upload the previously saved data.

Please have your passport, previous visa information (if applicable), and any other documents relevant to your intended travel to the United States ready and available for your reference before you start the application process.

As part of the electronic submission of your application, you will be asked to provide an electronic copy of a photo of the applicant. The photo must meet requirements for photo submission. If you wish to test your photo prior to beginning the application, you may use the test photo button below.

Click the button below to test your photo:

Sign and Submit

Read the following information carefully before dating, electronically signing and submitting the application.

Your application is now ready to be submitted. Please note that this does not necessarily mean that your application for a nonimmigrant visa is complete, as additional information may be needed after Department of State personnel have reviewed the application.

By clicking "Sign and Submit Application" you are electronically signing the application. You are required to electronically sign your application yourself, unless otherwise exempt by regulation, even if the application has been prepared by someone other than yourself. Your electronic signature certifies that you have read and understood the questions in this application and that your answers are true and correct to the best of your knowledge and belief. The submission of an application containing any false or misleading statements may result in the permanent refusal of a visa or the denial of entry into the United States. All declarations made in this application are unsworn declarations made under penalty of perjury. (28 U.S.C. 1746).

The information that you have provided in your application and other information submitted with your application may be accessible to other government agencies having statutory or other lawful authority to use such information, including for law enforcement and immigration law enforcement purposes. The biometrics, including the fingerprints and photograph that you provide with your application, may be used for employment verification or other U.S. law purposes.

Once you have clicked "Sign and Submit Application," you will be unable to make changes. Electronically sign by clicking the button below after you have reviewed the information in your application and determined that it is correct. After signing the application, click "Next" to continue with the application.
