IIPP Project Director - Postgraduate Aggregate Data for Award Number: _____

The Higher Education Opportunity Act of 2008 requires that the Secretary of Education assist grantees in developing a survey to administer to students to determine postgraduate employment, education, or training. Grantees are required to administer the survey once every two years and report the results to the Secretary.

- Click on the Post Aggregate Data link below to access the screen to enter your survey data. Click [here](#) to view sample survey questions that you may use. You are welcome to add questions to the survey. The survey will not be administered via IRIS. You should use your own survey process for reaching former fellows. Only the aggregate results of your survey will be reported in IRIS.
- Click on the [List of Fellows](#) link to download an Excel spreadsheet of your fellows. Note that the spreadsheet is a cumulative list of fellows for successive reporting periods.
