<p>Other change** This request has been reviewed by Sharon Mar. Education is not changing the burden requested by this form. A ruling from the U.S. District Court for the District of Columbia vacated certain gainful employment regulations requiring changes to the Gainful Employment Program Disclosure Output Document. The Court left in place the gainful employment disclosure provisions of 34 CFR 668.6(b). The revisions to the GE Input Template are for clarification purposes only. The Input Template does not collect new data or change any definitions that would change the calculations institutions are required to perform.</p>
