OMB Approval No. 9999-9999
(exp. mm/dd/yyyy)

Public reporting burden for this collection of information is estimated to average 15 hour(s). This includes the time for collecting, reviewing, and reporting the data. The information is being collected to obtain the supportive documentation which must be submitted to HUD for approval, and is necessary to ensure that viable projects are developed and maintained. The Department will use this information to determine if properties meet HUD requirements with respect to development, operation and/or asset management, as well as ensuring the continued marketability of the properties. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

Warning: Any person who knowingly presents a false, fictitious, or fraudulent statement or claim in a matter within the jurisdiction of the U.S. Department of Housing and Urban Development is subject to criminal penalties, civil liability, and administrative sanctions.

Privacy Act Notice: The Department of Housing and Urban Development, Federal Housing Administration, is authorized to collect the information requested in this form by virtue of: The National Housing Act, 12 USC 1701 et seq. and the regulations at 24 CFR 5.212 and 24 CFR 200.6; and the Housing and Community Development Act of 1987, 42 USC 3543(a). The information requested is mandatory to receive the mortgage insurance benefits to be derived from the National Housing Act Section 232 Healthcare Facility Insurance Program. No confidentiality is assured.

INSTRUCTIONS:

The narrative is a document critical to the Lean Underwriting process. Each section of the narrative and all questions need to be completed and answered. If the lender's underwriter disagrees and modifies any third-party report conclusions, provide sufficient detail to justify. The narrative should identify the strengths and weaknesses of the transactions and demonstrate how the weaknesses are mitigated by the underwriting.

- **Charts:** The charts contained in this document have been created with versatility in mind; however they will not be able to accommodate all situations. For this reason, you are allowed to alter the charts as the situation demands. Be sure to state how you have altered the charts along with your justification. Include all the information the form calls for. Charts that include **blue** text indicate names that should be modified by the lender as the situation dictates.
- **Applicability:** If a section is not applicable, state so in that section and provide a reason. Do not delete a section heading that is not applicable. The narrative will be checked to make certain all sections are provided. If a major section is not applicable, add “ – Not Applicable” to the heading and provide the reason. For instance:

Parent of the Operator – Not Applicable

This section is not applicable because there is no operator.

The rest of the subsections under the inapplicable section can then be deleted. This instruction page may also be deleted.

- **Format:** In addition to submitting the PDF version of the Lender Narrative to HUD, please also submit an electronic Word version.

Instead of pasting large portions of text from third-party reports into the narrative, it is preferred that the lender simply reference the page number and the report. The focus of this document is for lender conclusions, analyses, and summaries.

Italicized text found between these characters <<EXAMPLE>> is instructional in nature, and may be deleted from the lender's final version. Please use the gray shaded areas (e.g.,) for your response. Double click on a check box and then change the default value to mark selection (e.g.,)

Transaction Overview

<<Provide a brief summary of the unique characteristics of the fire safety equipment installation project and key deal points that HUD's underwriter and loan committee should be aware of while reading the narrative. Examples of unique issues and key deal points include:

- Facility is master leased
- Timing issues for closing or pay-off

This section should not be a lengthy restatement of the rest of the narrative. It is merely to highlight key points. If there are no unique characteristics or key deal points to highlight, you can make a simple statement, such as "The purpose of this transaction is to finance the installation of fire safety equipment.">>

2. Does the underwriting include income from adult day care? (Note: Non-resident adult day care space <u>may not</u> be located on a separate site. The adult day care space will not be considered commercial space; however, the space may not exceed 20% of the gross floor area of the facility and the income may not exceed 20% of gross income. Provide a Certificate of Need or operating license, if applicable.)	<input type="checkbox"/>	<input type="checkbox"/>

Sensitivity Analysis

<<Provide a Sensitivity Analysis and identify sensitivities that exist in the proposed census mix. In addition, the analysis shall provide the following: >>

If everything else under consideration remains the same (ceteris paribus), then:

- (a) The average rental rate can drop by \$_____ per month and still provide 1.0 debt cover.
- (b) Occupancy rate could decrease by _____% and still provide a 1.0 debt cover.
- (c) Operating expenses could increase _____% per year and still provide a 1.0 debt cover.

|--|--------------------------|--------------------------|
| plan to offer? | | |
| 6. Are there floodways or coastal high hazard areas, other than incidental portions, located onsite? | <input type="checkbox"/> | <input type="checkbox"/> |

<<If you answered “yes” to any of the questions above, this facility is not eligible under this program. >>

Lender Loan Committee

Date held: _____

<<Provide a brief narrative summary of loan committee, including information provided and any pertinent requirements/conditions of the loan committee to gain the committee’s recommendation.>>

Commercial Space/Income

Select one of the following:

- There is no commercial space at the subject.
- There is commercial space at the subject; however, it does not exceed the program limitations of 20% of the total net rentable area of the project and 20% of the effective gross income.

a. Total net rentable area : _____	d. EGI: _____
b. Net rentable commercial area: _____	e. Eff. commercial income: _____
c. % of commercial area: <u><<b / a>></u>	f. % of commercial income: <u><<e / d>></u>

<<Provide further explanation, if necessary. If the facility does not meet either of the criteria above, the loan is not eligible under this program.>>

Program Guidance:

The commercial limits are a maximum of 20% of the gross floor area of the project and 20% of the gross project income. Commercial space that is intended to exclusively serve the residents of the facility is not counted toward the 20% space and income limitations. Non-resident adult day care space will not be considered commercial space. However, the adult day care space may not be located on a separate site, the space may not exceed 20% of the gross floor area of the facility, and the income may not exceed 20% of gross income. (Provide a Certificate of Need or operating license, if applicable.)

All non-residential leases, including renewals or extensions of existing leases must comply with the following language:

1. Such leases are subordinate to the lien of this Security Instrument and; the tenant shall, upon receipt after the occurrence of an Event of Default of a written request from Lender, pay all Rents payable under the Lease to Lender; and the tenant shall attorn to Lender and any purchaser at a foreclosure sale, such attornment to be self-executing and effective upon acquisition of title to the Mortgaged Property by any purchaser at a foreclosure sale or by Lender in any manner;
2. The tenant agrees to execute such further evidences of attornment as Lender or any purchaser at a foreclosure sale may from time to time request;
3. The Lease shall not be terminated by foreclosure or any other transfer of the Mortgaged Property; and after a foreclosure sale of the Mortgaged Property or after transfer of the Mortgaged Property to Lender by a deed-in-lieu of foreclosure, Lender or any purchaser at such foreclosure sale may, at Lender's or such purchaser's option, accept or terminate such Lease;
4. Borrower shall not receive or accept rent under any lease (whether residential or non-residential) for more than two months in advance.

Independent Units

Select all applicable statements:

- There are NO unlicensed/independent units at the subject.
- There are unlicensed/independent units at the subject; however, the total does not exceed 25% of the total beds at the facility.
- a. Total beds: _____
- b. Unlicensed independent beds: _____
- c. Independent beds as % of total: <<b / a>>
- A waiver is requested to exceed 25% of the total beds at the facility.

Program Guidance:

It has been longstanding policy that HUD will allow up to 25% of the units in a Section 232 facility to be Independent Living (IL) units. This policy remains unchanged under Lean. However, please note the following:

- The facility must offer services to all residents in the project comparable to those found in a skilled nursing facility, assisted living facility, board and care, or intermediate care facility.
- A license is not required for the IL units; however, all of the other units in the facility must be licensed.
- Waivers to exceed the 25% limit will be considered on a case-by-case basis for good cause. Please note that waivers have not been provided when the number of IL units exceeds 30% of the total project units.

Licensing/Certificate of Need/Keys Amendment

<<Provide affirmative statement along the lines of: “The facility is licensed by the State of {State}’s Department of Health and Welfare as a {Type of Facility} for {X} beds. The license is issued to {Name of Entity on License}. It is effective {date}, through {date}. The license covers {number of beds}.”>>

<<Provide affirmative statement along the lines of: “There is no Certificate of Need (CON) requirement in {State} for {Type of Facility}.” – OR – “A Certificate of Need (CON), dated {XXX} was issued by the State of {State} authorizing XX beds...”>>

<<(Applicable to B&C’s.) Provide affirmative statement along the lines of: “The State of {State} has certified its compliance with Section 1616(e) of the Social Security Act (Keys Amendment).”>>

<<Affirmative statement along the lines of: “The improvements are certified to be in compliance with Medicare and Medicaid Programs: Fire Safety Requirements for Long-Term Care Facilities, Fire Safety Equipment and Automatic Sprinkler Systems.>>

4. Does the operator’s certification (if applicable) indicate any identities of interest? <input type="checkbox"/> N/A	<input type="checkbox"/>	<input type="checkbox"/>

- | | Yes | No |

| 2. Is the project being underwritten at an NOI that is significantly above historical NOI (factoring in normal increases in government payables)? | <input type="checkbox"/> | <input type="checkbox"/> |

<<For each "yes" answer above, provide a narrative discussion on the topic describing the risk and how it will be mitigated.

*Example: **Debt Service Coverage Lower than XXX**: {If the debt service coverage of the loan is less than 1.45, the lender must provide sufficient justification/mitigation to support the additional risk associated with the loan. The HUD Underwriter will be required to specifically approve this item and may ask for additional input and request a discussion with the lender and/or HUD HQ.}>>*

You are given some latitude in defining the expense categories. The expense categories in black text are required items. You have the option of presenting the current year's expense data in an annualized amount or in the form of trailing 12 months (T-12) of expense. The trailing 12 months is proffered because it captures any expenses that only occur once a year, whereas the annualized figure may not.>>

Replacement Reserves

Replacement Reserve Summary

Initial Deposit	\$	\$
Annual Deposit Years: 1-15	\$	\$

<<The above table should identify all changes in the annual deposit from year to year.>>

General Overview

The replacement reserve analysis includes a combined analysis of both capital items and major movable equipment. The underwriter has reviewed the replacement reserve schedule and provided a summary analysis below. The full 15-year replacement reserve schedule, including the major movable analysis, is provided as Exhibit B to the Draft Firm Commitment submitted with this narrative.

In the analysis below, the underwriter spreads the anticipated replacements by year based on the needs assessor's replacement reserve analysis and assumes an interest of X% and an inflation rate of X%.

 Current lease payment: _____
 Major movable equipment ownership: <<borrower/operator>> _____

Key Questions

	Yes	No

2. Will the facility be subleased (master lease)?	<input type="checkbox"/>	<input type="checkbox"/>

The lease and the operator are discussed in the appropriate sections of this narrative. There are no known special provisions or considerations involved with this lease that require special consideration in the underwriting.>>

Program Guidance:

ORCF has recently reviewed several applications that were submitted for review with Operator Agreements that will expire within five years or less. The underwriting criteria used by both ORCF and the lender is based on the current operator. Lenders need to provide HUD with information in their application regarding any changes to the operator that will occur within the next five years. This plan of action is necessary to ensure that the quality and experience of any potential new operator will be comparable or better than the current operator. For assisted living facilities (ALF), it is important to reemphasize that operators need to be experienced and have a proven track record with the operation, marketing, and lease up of ALF facilities. The five-year lease expiration issue does not apply to lessees that have lease renewal options.

Lease Payment Analysis

The lease payments must be sufficient to (1) enable the borrower to meet debt service and impound requirements; and (2) enable the operator to properly maintain the project and cover operating expenses. The minimum annual lease payment must be at least 1.05 times the sum of

the annual principal, interest, mortgage insurance premium, reserve for replacement deposit, property insurance, and property taxes.

The underwriter has prepared an analysis demonstrating the minimum annual lease payment.

a.	Annual principal and interest	\$
b.	Annual mortgage insurance premium	
c.	Annual replacement reserves	
d.	Annual property insurance	
e.	Annual real estate taxes	
f.	Total debt service and impounds	\$
h.	Minimum annual lease payment	\$

<<Compare the minimum annual lease payment to the current lease payment. If the lease payment needs to increase, add the following language: “The lease payment must be increased to \$XX per year (\$XX per month). The underwriter has included a special condition to the firm commitment requiring the lease payment be revised to meet or exceed this minimum.” If the lease payment does not need to increase, add the following language: “The current lease payment is sufficient. The recommended annual lease payment also provides the operator with an acceptable profit margin.”>>

Program Guidance:

- Clarification of minimum lease payments. The annual lease payment must be calculated using a minimum of a 1.05 coverage ratio (e.g., the sum of the annual principal, annual interest, annual mortgage insurance premium, annual reserve for replacement deposit, annual property insurance, and annual property taxes times a multiplier of 1.05). This minimum coverage level required for executed leases is different than the test measurement used in the 223(f) Lender’s Narrative, which remains unchanged; it will continue at the 1.17 coverage level.
- Subordination, non-disturbance and attornment agreement (SNDA). If there is an identity of interest between the borrower and the operator, a SNDA is not permitted.

Responsibilities

<<Provide a description of the responsibilities of the lessor and lessee under the terms of the lease with regard to the following: payment of real estate taxes, maintenance of building, capital improvements, replacement of equipment, property insurance, etc.>>

Key Questions

	Yes	No
1. Will the insurance policy cover multiple properties? <i>(If yes, complete questions a through e below.)</i>	<input type="checkbox"/>	<input type="checkbox"/>
a. Is less than 6 years of loss history available?	<input type="checkbox"/>	<input type="checkbox"/>
b. Does the loss history indicate any professional liability claims over \$35,000?	<input type="checkbox"/>	<input type="checkbox"/>
c. Does the loss history or potential claims certification indicate any uncovered claims?	<input type="checkbox"/>	<input type="checkbox"/>
d. Does the loss history or potential claims certification indicate any claims that would exceed the per occurrence or aggregate coverage limits?	<input type="checkbox"/>	<input type="checkbox"/>
e. Have the facilities been covered by a “claims made” policy at any time during the statute of limitations for the states where the facilities are located?	<input type="checkbox"/>	<input type="checkbox"/>
2. Is the policy funded on a “cash front” basis?	<input type="checkbox"/>	<input type="checkbox"/>
3. Is an actuarial study applicable (self-insurance)? <i>(If yes, discuss results below.)</i>	<input type="checkbox"/>	<input type="checkbox"/>
4. For all facilities identified on the insured’s Schedule of Facilities Owned, Operated or Managed, are there any surveys/reports that have open G-level or higher citations outstanding? <i>(As appropriate, provide a complete analysis of the surveys.)</i>	<input type="checkbox"/>	<input type="checkbox"/>

6. Are there any PLI issues that require special consideration?	<input type="checkbox"/>	<input type="checkbox"/>

If you answer “yes” to any of the above questions, please address here. Examples:

Multiple properties: The underwriter notes that the professional liability policy is a “blanket” policy covering XXX facilities, including the subject... {Address potential impact of other facilities on the subject’s coverage}

Less than 6-year loss history: The claims history reports were examined for the period XX through XX. The underwriter determined that there were no professional liability XX claims during that period...{address claims and sufficiency of coverage, etc. based on history}.

Claims made coverage: The project’s previous professional liability insurance coverage was a “claims made” form policy with XXXX, which expired XXXX, when the current policy was put in place. In XXXX, the borrower purchased a “nose coverage” policy, which is the coverage needed when going from a “claims made” form of insurance to a “per occurrence” form of insurance. The premium for this “nose” coverage liability was a one-time charge and was paid in XXX. Because of that additional insurance coverage, the insurance expense for XXXX was substantially higher than the current expense. The current “per occurrence basis” insurance policy covers the entire statute of limitations. The project’s professional liability insurance is in compliance with HUD’s requirements.>>

Lawsuits

<<As applicable, discuss each lawsuit and describe the potential risk related to the party’s participation in the proposed project. Discuss how that risk is mitigated.

If the suit is closed, does it contribute to a pattern? Does it materially affect the party’s ability to participate in the project? If not closed, describe the circumstances, identify the potential award amount, provide evidence and analysis showing that the suits are covered by insurance (general or professional liability—identify which one), and if the insurance is not sufficient, do they demonstrate adequate funds to cover the potential excess? Describe any other information that mitigates the risk.>>

Recommendation

<<Provide narrative recommendation regarding acceptability of professional liability insurance. For example, “The mortgagor’s professional liability insurance was analyzed in accordance HUD requirements. The property has XX current potential (threatened) insurance claims at this time as reflected on the certification provided by the borrower. It is {lender}’s opinion that the information provided above and in the application sufficiently demonstrates that the existing professional liability coverage meets HUD’s requirements and that the risk from professional liability issues is sufficiently addressed. No modifications to the current coverage are recommended.”>>

Program Guidance:

State licensing surveys of all individual facilities of the operator for the last 3 years, are to be transmitted as part of the application submission. These surveys will be used to determine the quality of care provided by the operator. The operator or its parent must also submit a 6-year loss history of all professional liability claims filed against it for all facilities controlled by the operator or its parent. This loss history should be provided in annual summary form and should:

- A. Provide a current inventory of all paid or settled claims.
- B. Break out the expected cost of claims in a year-by-year summary. In separate line items, list the amount of the actual and/or anticipated awards, claims expenses, and any funds reserved for estimated claims.
- C. List total actual or estimated claims costs for compensatory damages, medical expenses, punitive damages, and legal expenses incurred processing the claim.
- D. Identify potential or expected professional liability claims in excess of \$35,000 that have been or may be filed for all periods within the statute of limitations for the state where the claim occurred.
- E. Include a brief discussion or chart that provides the timeframe for the statutes of limitations for filing claims of negligence, injuries, wrongful death, and/or improper care based on the law in the states where the parent operator's facilities are located.
- F. Include a certification from the parent operator (or operator, if no parent) as to the accuracy of this documentation. The certification must be signed and dated by a senior officer of the parent operator (or operator, if no parent), and include the following statement:

“HUD will prosecute false claims and statements. Convictions may result in criminal and/or civil penalties. (18 U.S.C. 1001, 1010, 1012; 31 U.S.C. 3729, 3802)”

Property Insurance

<<Provide narrative discussion of review. For example, “Hazard and Liability insurance has been and/or will be provided by XX. The underwriter has confirmed estimates of the cost and coverage for underwriting and that it complies with HUD requirements.”>>

Fidelity Bond/Employee Dishonesty Coverage

<<Provide narrative discussion of review. For example, “The current insurance policy reflects fidelity (crime) insurance with the limit of \$XX and \$XX deductible. The HUD requirement for

at least two months gross income receipts would total \$XX. The current level of coverage is sufficient for this project.” If not sufficient, recommend commitment condition.>>
