

## Excerpts from the National Housing Act

### RENTAL HOUSING INSURANCE

SEC. 207. [12 U.S.C. 1713] (a) As used in this section—

(1) The term “mortgage” means a first mortgage on real estate in fee simple, or on the interest of either the lessor or lessee thereof (A) under a lease for not less than ninety-nine years which is renewable or (B) under a lease having a period of not less than fifty years to run from the date the mortgage was executed, upon which there is located or upon which there is to be constructed a building or buildings designed principally for residential use or upon which there is located or to be constructed facilities for manufactured homes; and the term “first mortgage” means such classes of first liens as are commonly given to secure advances (including but not being limited to advances during construction) on, or the unpaid purchase price of, real estate under the laws of the State in which the real estate is located, together with the credit instrument or instruments, if any, secured thereby, and may be in the form of trust mortgages or mortgage indentures or deeds of trust securing notes, bonds, or other credit instruments.

(2) The term “mortgagee” means the original lender under a mortgage, and its successors and assigns, and includes the holders of credit instruments issued under a trust mortgage or deed of trust pursuant to which such holders act by and through a trustee therein named.

(3) The term “mortgagor” means the original borrower under a mortgage and its successors and assigns.

(4) The term “maturity date” means the date on which the mortgage indebtedness would be extinguished if paid in accordance with the periodic payments provided for in the mortgage.

(5) The term “slum or blighted area” means any area where dwellings predominate which, by reason of dilapidation, overcrowding, faulty arrangement or design, lack of ventilation, light or sanitation facilities, or any combination of these factors, are detrimental to safety, health, or morals.

(6) The term “rental housing” means housing, the occupancy of which is permitted by the owner thereof in consideration of the payment of agreed charges, whether or not, by the terms of the agreement, such payment over a period of time will entitle the occupant to the ownership of the premises or space in a manufactured home court or park properly arranged and equipped to accommodate manufactured homes.

(7) The term “State” includes the several States, and Puerto Rico, the District of Columbia, Guam, the Trust Territory of the Pacific Islands, American Samoa, and the Virgin Islands.

(b) In addition to mortgages insured under section 203, the Secretary is authorized to insure mortgages as defined in this sec-

tion (including advances on such mortgages during construction) which cover property held by—

(1) Federal or State instrumentalities, municipal corporate instrumentalities of one or more States, or limited dividend or redevelopment or housing corporations restricted by Federal or State laws or regulations of State banking or insurance departments as to rents, charges, capital structure, rate of return, or methods of operation; or

(2) any other mortgagor approved by the Secretary. The Secretary may, in the Secretary's discretion, require any such mortgagor to be regulated or restricted as to rents or sales, charges, capital structure, rate of return, and methods of operation so as to provide reasonable rentals to tenants and a reasonable return on the investment. Any such regulations or restrictions shall continue for such period or periods as the Secretary, in the Secretary's discretion, may require, including until the termination of all obligations of the Secretary under the insurance and during such further period of time as the Secretary shall be the owner, holder, or reinsurer of the mortgage. The Secretary may make such contracts with and acquire, for not to exceed \$100, such stock or interest in the mortgagor as he may deem necessary to render effective any such regulations or restrictions. The stock or interest acquired by the Secretary shall be paid for out of the General Insurance Fund, and shall be redeemed by the mortgagor at par upon the termination of all obligations of the Secretary under the insurance.

The insurance of mortgages under this section is intended to facilitate particularly the production of rental accommodations, at reasonable rents, of design and size suitable for family living. The Secretary is, therefore, authorized in the administration of this section to take action, by regulation or otherwise, which will direct the benefits of mortgage insurance hereunder primarily to those projects which make adequate provision for families with children, and in which every effort has been made to achieve moderate rental charges.

Notwithstanding any other provisions of this section, the Secretary may not insure any mortgage under this section (except a mortgage with respect to a manufactured home park designed exclusively for occupancy by elderly persons) unless the mortgagor certifies under oath that in selecting tenants for the property covered by the mortgage he will not discriminate against any family by reason of the fact that there are children in the family, and that he will not sell the property while the insurance is in effect unless the purchaser so certifies, such certification to be filed with the Secretary. Violation of any such certification shall be a misdemeanor punishable by a fine not to exceed \$500.

(c) To be eligible for insurance under this section a mortgage on any property or project shall involve a principal obligation in an amount—

[(1) [Repealed.]]

(2) not to exceed 90 per centum of the estimated value of the property or project (when the proposed improvements are completed): *Provided*, That this limitation shall not apply to mortgages on housing in Alaska, or in Guam, but such a mortgage may involve a principal obligation in an amount not to exceed 90 per centum of the amount which the Secretary esti-

mates will be the replacement cost of the property or project when the proposed improvements are completed (the value of the property or project as such term is used in this paragraph may include the land, the proposed physical improvements, utilities within the boundaries of the property or project, architect's fees, taxes, and interest accruing during construction, and other miscellaneous charges incident to construction and approved by the Secretary). *And provided further*, That nothing contained in this section shall preclude the insurance of mortgages covering existing construction located in slum or blighted areas, as defined in paragraph numbered (5) of subsection (a) of this section, and the Secretary may require such repair or rehabilitation work to be completed as is, in his discretion, necessary to remove conditions detrimental to safety, health, or morals; and

(3)(A) not to exceed, for such part of the property or projects as may be attributable to dwelling use (excluding exterior and land improvements as defined by the Secretary), \$38,025 per family unit without bedroom, \$42,120 per family unit with one bedroom, \$50,310 per family unit with two bedrooms, \$62,010 per family unit with three bedrooms, and \$70,200 per family unit with four or more bedrooms, or not to exceed \$11,250 per space; except that as to projects to consist of elevator-type structures the Secretary may, in his discretion, increase the dollar amount limitations per family unit to not to exceed \$43,875 per family unit without a bedroom, \$49,140 per family unit with one bedroom, \$60,255 per family unit with two bedrooms, \$75,465 per family unit with three bedrooms, and \$85,328 per family unit with four or more bedrooms, as the case may be, to compensate for the higher costs incident to the construction of elevator type structures of sound standards of construction and design; and except that the Secretary may, by regulation, increase any of the foregoing dollar amount limitations contained in this paragraph<sup>1</sup> by not to exceed 110 percent in any geographical area where the Secretary finds that cost levels so require and not to exceed 140 percent where the Secretary determines it necessary on a project-by-project basis, but in no case may any such increase exceed 90 percent where the Secretary determines that a mortgage purchased or to be purchased by the Government National Mortgage Association in implementing its special assistance functions under section 305 of this Act (as such section existed immediately before November 30, 1983) is involved.

The mortgage shall provide for complete amortization by periodic payments (unless otherwise approved by the Secretary)<sup>2</sup> with-

<sup>1</sup>Section 5(b)(1)(B) of the FHA Downpayment Simplification Act of 2002, Pub L. 107-326, 116 Stat. 2794, approved December 24, 2002, amends this paragraph as follows:

"(B) by striking 'and accept that the Secretary' through and including 'in this paragraph' and inserting in lieu thereof:

"(B) the Secretary may, by regulation, increase any of the dollar amount limitations in subparagraph (A) (as such limitations may have been adjusted in accordance with section 206A of this Act)".

The amendment could not be executed.

<sup>2</sup>Section 446 of the Housing and Urban-Rural Recovery Act of 1983, Pub. L. 98-181, approved November 30, 1983, added this parenthetical in sections 207(c)(3), 220(d)(4), 221(d)(6), and 231(c)(5) of the National Housing Act. Subsection (f) of such section further provides as follows:

in such term as the Secretary shall prescribe, and shall bear interest at such rate as may be agreed upon by the mortgagor and the mortgagee. The Secretary may consent to the release of a part or parts of the mortgaged property from the lien of the mortgage upon such terms and conditions as he may prescribe and the mortgagee may provide for such release. No mortgage shall be accepted for insurance under this section or section 210 unless the Secretary finds that the property or project, with respect to which the mortgage is executed, is economically sound. Such property or project may include five or more family units and may include such commercial and community facilities as the Secretary deems adequate to serve the occupants.

Notwithstanding any other provision of this paragraph, the amount which may be insured under this section may be increased by up to 20 percent if such increase is necessary to account for the increased cost of the project due to the installation therein of a solar energy system (as defined in subparagraph (3) of the last paragraph of section 2(a) of this Act) or residential energy conservation measures (as defined in section 210(11)(A) through (G) and (I) of Public Law 95-619) in cases where the Secretary determines that such measures are in addition to those required under the minimum property standards and will be cost-effective over the life of the measure.

(d) The Secretary shall collect a premium charge for the insurance of mortgages under this section which shall be payable annually in advance by the mortgagee, either in cash or in debentures issued by the Secretary under any title and section of this Act, except debentures of the Mutual Mortgage Insurance Fund, or of the Cooperative Management Housing Insurance Fund, at par plus accrued interest. In addition to the premium charge herein provided for, the Secretary is authorized to charge and collect such amounts as he may deem reasonable for the appraisal of a property or project offered for insurance and for the inspection of such property or project during construction: *Provided*, That such charges for appraisal and inspection shall not aggregate more than 1 per centum of the original principal face amount of the mortgage.

(e) In the event that the principal obligation of any mortgage accepted for insurance under this section is paid in full prior to the maturity date, the Secretary is authorized in his discretion to require the payment by the mortgagee of an adjusted premium charge in such amount as the Secretary determines to be equitable, but not in excess of the aggregate amount of the premium charges that the mortgagee would otherwise have been required to pay if the mortgage had continued to be insured until such maturity date.

**[(f) [Repealed.]]**

(g) The failure of the mortgagor to make any payment due under or provided to be paid by the terms of a mortgage insured under this section shall be considered a default under such mortgage and, if such default continues for a period of thirty days, the mortgagee shall be entitled to receive the benefits of the insurance as hereinafter provided, upon assignment, transfer, and delivery to the Secretary, within a period and in accordance with rules and

<sup>1</sup>(f) The aggregate number of dwelling units included in properties covered by mortgages insured pursuant to the authority granted in the amendments made by this section in any fiscal year may not exceed 10,000."

regulations to be prescribed by the Secretary of (1) all rights and interests arising under the mortgage so in default; (2) all claims of the mortgagee against the mortgagor or others, arising out of the mortgage transactions; (3) all policies of title or other insurance or surety bonds or other guaranties and any and all claims thereunder; (4) any balance of the mortgage loan not advanced to the mortgagor; (5) any cash or property held by the mortgagee, or to which it is entitled, as deposits made for the account of the mortgagor and which have not been applied in reduction of the principal of the mortgage indebtedness; and (6) all records, documents, books, papers, and accounts relating to the mortgage transaction. Upon such assignment, transfer, and delivery the obligation of the mortgagee to pay the premium charges for mortgage insurance shall cease, and the Secretary shall issue to the mortgagee a certificate of claim as provided in subsection (h), and debentures having a par value equal to the original principal face amount of the mortgage plus such amount as the mortgagee may have paid for (A) taxes, special assessments, and water rates, which are liens prior to the mortgage; (B) insurance on the property; and (C) reasonable expenses for the completion and preservation of the property and any mortgage insurance premiums paid after default, less the sum of (i) that part of the amount of the principal obligation that has been repaid by the mortgagor, (ii) an amount equivalent to 1 per centum of the unpaid amount of such principal obligation, and (iii) any net income received by the mortgagee from the property: *Provided*, That the mortgagee in the event of a default under the mortgage may, at its option and in accordance with regulations of, and in a period to be determined by, the Secretary, proceed to foreclose on and obtain possession of or otherwise acquire such property from the mortgagor after default, and receive the benefits of the insurance as herein provided, upon (1) the prompt conveyance to the Secretary of title to the property which meets the requirements of the rules and regulations of the Secretary in force at the time the mortgage was insured and which is evidenced in the manner prescribed by such rules and regulations, and (2) the assignment to him of all claims of the mortgagee against the mortgagor or others, arising out of the mortgage transaction or foreclosure proceedings, except such claims that may have been released with the consent of the Secretary. Upon such conveyance and assignment, the obligation of the mortgagee to pay the premium charges for insurance shall cease and the mortgagee shall be entitled to receive the benefits of the insurance as provided in this subsection, except that in such event the 1 per centum deduction, set out in (ii) hereof, shall not apply. Notwithstanding any other provision of this Act, upon receipt, after the date of enactment of the Housing Act of 1964,<sup>1</sup> of an application for insurance benefits on a mortgage insured under this Act, the Secretary may terminate the mortgagee's obligation to pay premium charges on the mortgage.

(h) The certificate of claim issued under this section shall be for an amount which the Secretary determines to be sufficient, when added to the face value of the debentures issued and the cash adjustment paid to the mortgagee, to equal the amount which the mortgagee would have received if, on the date of the assignment,

<sup>1</sup> September 2, 1964.

transfer and delivery to the Secretary provided for in subsection (g), the mortgagor had extinguished the mortgage indebtedness by payment in full of all obligations under the mortgage and a reasonable amount for necessary expenses incurred by the mortgagee in connection with the foreclosure proceedings, or the acquisition of the mortgaged property otherwise, and the conveyance thereof to the Secretary. Each such certificate of claim shall provide that there shall accrue to the holder of such certificate with respect to the face amount of such certificate, an increment at the rate of 3 per centum per annum which shall not be compounded. If the net amount realized from the mortgage, and all claims in connection therewith, so assigned, transferred, and delivered, and from the property covered by such mortgage and all claims in connection with such property after deducting all expenses incurred by the Secretary in handling, dealing with, acquiring title to, and disposing of such mortgage and property and in collecting such claims, exceeds the face value of the debentures issued and the cash adjustment paid to the mortgagee plus all interest paid on such debentures, such excess shall be divided as follows:

(1) If such excess is greater than the total amount payable under the certificate of claim issued in connection with such property, the Secretary shall pay to the holder of such certificate the full amount so payable, and any excess remaining thereafter shall be retained by the Secretary and credited to the General Insurance Fund; and

(2) If such excess is equal to or less than the total amount payable under such certificate of claim, the Secretary shall pay to the holder of such certificate the full amount of such excess.

(i) Debentures issued under this section shall be executed in the name of the General Insurance Fund as obligor, shall be negotiable, and, if in book entry form, transferable, in the manner described by the Secretary in regulations, and shall be dated as of the date of default as determined in subsection (g) of this section, except that debentures issued pursuant to the provisions of section 220(f), section 221(g), and section 233 may be dated as of the date the mortgage is assigned (or the property is conveyed) to the Secretary and shall bear interest from such date. They shall bear interest at a rate established by the Secretary pursuant to section 224, payable semiannually on the 1st day of January and the 1st day of July of each year, and shall mature twenty years after the date thereof. Such debentures as are issued in exchange for mortgages insured after the date of enactment of the National Housing Act Amendments of 1938 shall be exempt, both as to principal and interest, from all taxation (except surtaxes, estate, inheritance, and gift taxes) now or hereafter imposed by the United States, by any Territory, dependency, or possession thereof, or by any State, county, municipality, or local taxing authority. They shall be paid out of the General Insurance Fund which shall be primarily liable therefor and they shall be fully and unconditionally guaranteed as to principal and interest by the United States, and, in the case of debentures issued in certificated registered form, such guaranty shall be expressed on the face of the debentures. In the event the General Insurance Fund fails to pay upon demand, when due, the principal of or interest on any debentures so guaranteed, the Secretary of the Treasury shall pay to the holders the amount thereof

which is hereby authorized to be appropriated, out of any money in the Treasury not otherwise appropriated, and thereupon, to the extent of the amount so paid, the Secretary of the Treasury shall succeed to all the rights of the holders of such debentures.

(j) Debentures issued under this section—

(1) shall be in such form and amounts;  
(2) shall be subject to such terms and conditions;  
(3) shall include such provisions for redemption, if any, as may be prescribed by the Secretary of Housing and Urban Development, with the approval of the Secretary of the Treasury; and

(4) may be in book entry or certificated registered form, or such other form as the Secretary of Housing and Urban Development may prescribe in regulations.

(k) The Secretary is hereby authorized either to (1) acquire possession of and title to any property, covered by a mortgage insured under this section and assigned to him, by voluntary conveyance in extinguishment of the mortgage indebtedness, or (2) institute proceedings for foreclosure on the property covered by any such insured mortgage and prosecute such proceedings to conclusion. The Secretary at any sale under foreclosure may, in his discretion, for the protection of the General Insurance Fund, bid any sum up to but not in excess of the total unpaid indebtedness secured by the mortgage, plus taxes, insurance, foreclosure costs, fees, and other expenses and may become the purchaser of the property at such sale. In determining the amount to be bid, the Secretary shall act consistently with the goal established in section 203(a)(1) of the Housing and Community Development Amendments of 1978. The Secretary is authorized to pay from the General Insurance Fund such sums as may be necessary to defray such taxes, insurance, costs, fees, and other expenses in connection with the acquisition or foreclosure of property under this section. Pending such acquisition by voluntary conveyance or by foreclosure, the Secretary is authorized, with respect to any mortgage assigned to him under the provisions of subsection (g), to exercise all the rights of a mortgagee under such mortgage, including the right to sell such mortgage, and to take such action and advance such sums as may be necessary to preserve or protect the lien of such mortgage.

(1) Notwithstanding any other provisions of law relating to the acquisition, handling, or disposal of real and other property by the United States, the Secretary shall also have power, for the protection of the interests of the General Insurance Fund, to pay out of the General Insurance Fund all expenses or charges in connection with, and to deal with, complete, reconstruct, rent, renovate, modernize, insure, make contracts for the management of, or establish suitable agencies for the management of, or sell for cash or credit or lease in his discretion, any property acquired by him under this section; and notwithstanding any other provision of law, the Secretary shall also have power to pursue to final collection by way of compromise or otherwise all claims assigned and transferred to him in connection with the assignment, transfer, and delivery provided for in this section, and at any time, upon default, to foreclose on any property secured by any mortgage assigned and transferred to or held by him: *Provided*, That section 3709 of the Revised Statutes shall not be construed to apply to any contract for hazard in-

surance, or to any purchase or contract for services or supplies on account of such property if the amount thereof does not exceed \$1,000.

[(m) [Repealed.]]

(n) In the event that a mortgage insured under this section becomes in default through failure of the mortgagor to make any payment due under or provided to be paid by the terms of the mortgage and such mortgage continues in default for a period of thirty days, but the mortgagee does not foreclose on or otherwise acquire the property, or does not assign and transfer such mortgage and the credit instrument secured thereby to the Secretary, in accordance with subsection (g), and the Secretary is given written notice thereof, or in the event that a mortgagor pays the obligation under the mortgage in full prior to the maturity thereof, and the mortgagee pays any adjusted premium charge required under the provisions of subsection (e), and the Secretary is given written notice by the mortgagee of the payment of such obligation, the obligation to pay the annual premium charge for insurance shall cease, and all rights of the mortgagee and the mortgagor under this section shall terminate as of the date of such notice.

(o) The Secretary, with the consent of the mortgagee and the mortgagor of a mortgage insured under this section prior to the date of enactment of the National Housing Act Amendments of 1938, shall be empowered to reissue such mortgage insurance in accordance with the provisions of this section as amended by such Act, and any such insurance not so reissued shall not be affected by the enactment of such Act.

[(p) [Repealed.]]

[(q) [Repealed.]]

(r) Notwithstanding any other provisions of this Act, the Secretary is authorized to include in any mortgage insured under any title of this Act after the effective date of the Housing Act of 1959<sup>1</sup> a provision requiring the mortgagor to pay a service charge to the Secretary in the event such mortgage is assigned to and held by the Secretary. Such service charge shall not exceed the amount prescribed by the Secretary for mortgage insurance premiums applicable to such mortgage.

tion existed immediately before November 30, 1983) is involved;

(iii) not exceed (in the case of a property or project approved for mortgage insurance prior to the beginning of construction) 90 per centum of the amount which the Secretary estimates will be the replacement cost of the property or project when the proposed improvements are completed (the replacement cost may include the land, the proposed physical improvements, utilities within the boundaries of the land, architect's fees, taxes, interest during construction, and other miscellaneous charges incident to construction and approved by the Secretary, and shall include an allowance for builder's and sponsor's profit and risk of 10 per centum of all of the foregoing items, except the land, unless the Secretary, after certification that such allowance is unreasonable, shall by regulation prescribe a lesser percentage; and

(iv) not exceed 90 per centum of the sum of the estimated cost of repair and rehabilitation (including the cost of evaluating and reducing lead-based paint hazards, as such terms are defined in section 1004 of the Residential Lead-Based Paint Hazard Reduction Act of 1992) and the Secretary's estimate of the value of the property before repair and rehabilitation of the proceeds of the mortgage are to be used for the repair and rehabilitation of a property or project: *Provided*, That the Secretary may, in his discretion, require the mortgagor to be regulated or restricted as to rents or sales, charges, capital structure, rate of return, and methods of operation, and for such purpose the Secretary may make such contracts with and acquire for not to exceed \$100 such stock or interest in any such mortgagor as the Secretary may deem necessary to render effective such restrictions or regulations, with such stock or interest being paid for out of the General Insurance Fund and being required to be redeemed by the mortgage at par upon the termination of all obligations of the Secretary under the insurance;

(5) bear interest at such rate as may be agreed upon by the mortgagor and the mortgagee; and contain such terms and provisions with respect to the application of the mortgagor's periodic payment to amortization of the principal of the mortgage, insurance, repairs, alterations, payment of taxes, default reserves, delinquency charges, foreclosure proceedings, anticipation of maturity, additional and secondary liens, and other matters as the Secretary may in his discretion prescribe: *Provided*, That a mortgage insured under the provisions of subsection (d)(3) shall bear interest (exclusive of any premium charges for insurance and service charge, if any) at not less than the lower of (A) 3 per centum per annum, or (B) the annual rate of interest determined, from time to time by the Secretary of the Treasury at the request of the Secretary, by estimating the average market yield to maturity on all outstanding marketable obligations of the United States, and by adjusting such yield to the nearest one-eighth of 1 per centum, and there shall be no differentiation in the rate of interest

charged under this proviso as between mortgagors under subsection (d)(3) on the basis of differences in the types or classes of such mortgagors; and

(6) provide for complete amortization by periodic payments (unless otherwise approved by the Secretary)<sup>1</sup> within such terms as the Secretary may prescribe, but as to mortgages coming within the provisions of subsection (d)(2) not to exceed from the date of the beginning of amortization of the mortgage (i) 40 years in the case of a displaced family, (ii) 35 years in the case of any other family if the mortgage is approved for insurance prior to construction, except that the period in such case may be increased to not more than 40 years where the mortgagor is not able, as determined by the Secretary, to make the required payments under a mortgage having a shorter amortization period, and (iii) 30 years in the case of any other family where the mortgage is not approved for insurance prior to construction.

(e)(1) A mortgagor which may be approved by the Secretary as provided in subsection (d)(3) includes a mortgagor which, as a condition of obtaining insurance of the mortgage and prior to the submission of its application for such insurance, has entered into an agreement (in form and substance satisfactory to the Secretary) with a private nonprofit corporation eligible for an insured mortgage under the provisions of subsection (d)(3), that the mortgagor will sell the project when it is completed to the corporation at the actual cost of the project, as certified pursuant to section 227 of this Act. The mortgagor to whom the property is sold shall be regulated or supervised by the Secretary as provided in subsection (d)(3) to effectuate its purposes.

(2) The Secretary may at any time, under such terms and conditions as he may prescribe, consent to the release of the mortgagor from his liability under the mortgage or the credit instrument secured thereby, or consent to the release of parts of the mortgaged property from the lien of the mortgage.

(f) The property or project shall comply with such standards and conditions as the Secretary may prescribe to establish the acceptability of such property for mortgage insurance and may include such commercial and community facilities as the Secretary deems adequate to serve the occupants: *Provided*, That in the case of any such property or project located in an urban renewal area, the provisions of section 220(d)(3)(B)(iv) shall apply with respect to the nondwelling facilities which may be included in the mortgage: *Provided further*, That in the case of a mortgage which bears interest at the below-market interest rate prescribed in the proviso of subsection (d)(5), the provisions of section 220(d)(3)(B)(iv) shall only apply if the mortgagor waives the right to receive dividends on its equity investment in the portion thereof devoted to commercial facilities.

<sup>1</sup>Section 446 of the Housing and Urban-Rural Recovery Act of 1983, Pub. L. 98-181, approved November 30, 1983, added this parenthetical in sections 207(c)(8), 220(d)(4), 221(d)(6), and 231(c)(5) of the National Housing Act. Subsection (f) of such section further provides as follows:

"(f) The aggregate number of dwelling units included in properties covered by mortgages insured pursuant to the authority granted in the amendments made by this section in any fiscal year may not exceed 10,000."

A property or project covered by a mortgage insured under the provisions of subsection (d)(3) or (d)(4) shall include five or more family units: *Provided*, That such units, in the case of a project designed primarily for occupancy by displaced, elderly, or handicapped families, need not, with the approval of the Secretary, contain kitchen facilities, and such projects may include central dining and other shared facilities. The Secretary is authorized to adopt such procedures and requirements as he determines are desirable to assure that the dwelling accommodations provided under this section are available to displaced families. Notwithstanding any provision of this Act, the Secretary, in order to assist further the provision of housing for low and moderate income families, in his discretion and under such conditions as he may prescribe, may insure a mortgage which meets the requirements of subsection (d)(3) of this section as in effect after the date of enactment of the Housing Act of 1961, or which meets the requirements of subsection (h), (i), or (j) with no premium charge, with a reduced premium charge, or with a premium charge for such period or periods during the time the insurance is in effect as the Secretary may determine, and there is hereby authorized to be appropriated, out of any money in the Treasury not otherwise appropriated, such amounts as may be necessary to reimburse the General Insurance Fund for any net losses in connection with such insurance. Any person who is sixty-two years of age or over, or who is a handicapped person within the meaning of section 202 of the Housing Act of 1959, or who is a displaced person, shall be deemed to be a family within the meaning of the terms "family" and "families" as those terms are used in this section. Low- and moderate-income persons who are less than 62 years of age shall be eligible for occupancy of dwelling units in a project financed with a mortgage insured under subsection (d)(3).

In any case in which it is determined in accordance with regulations of the Secretary that facilities in existence or under construction on the date of enactment of the Housing and Urban Development Act of 1970 which could appropriately be used for classroom purposes are available in any such property or project and that public schools in the community are overcrowded due in part to the attendance at such schools of residents of the property or project, such facilities may be used for such purposes to the extent permitted in such regulations (without being subject to any of the requirements of the proviso in section 220(d)(3)(B)(iv) except the requirements that the project be predominantly residential).

As used in this section the terms "displaced family", "displaced families", and "displaced person" shall mean a family or families, or a person, displaced from an urban renewal area, or as a result of governmental action, or as a result of a major disaster as determined by the President pursuant to the Disaster Relief and Emergency Assistance Act.<sup>1</sup>

In order to induce advances by owners for capital improvements (excluding any owner contributions that may be required by the Secretary as a condition for assistance under section 201 of the

Housing and Community Development Amendments of 1978) to benefit projects covered by a mortgage under the provisions of subsection (d)(3) that bears a below market interest rate prescribed in the proviso to subsection (d)(5), in establishing the rental charge for the project the Secretary may include an amount that would permit a return of such advances with interest to the owner out of project income, on such terms and conditions as the Secretary may determine. Any resulting increase in rent contributions shall be—

(A) to a level not exceeding the lower of 30 percent of the adjusted income of the tenant or the published existing fair market rent for comparable housing established under section 8(c) of the United States Housing Act of 1937;

(B) phased in equally over a period of not less than 3 years, if such increase is 30 percent or more; and

(C) limited to not more than 10 percent per year if such increase is more than 10 percent but less than 30 percent.

Assistance under section 8 of the United States Housing Act of 1937 shall be provided, to the extent available under appropriations Acts, if necessary to mitigate any adverse effects on income-eligible tenants.

(g) The mortgagee shall be entitled to receive the benefits of the insurance as hereinafter provided—

(1) as to mortgages meeting the requirements of paragraph (2) of subsection (d) of this section, paragraph (5) of subsection (h) of this section, or paragraph (2) of subsection (i) of this section as provided in section 204(a) of this Act with respect to mortgages insured under section 203, and the provisions of subsections (b), (c), (d), (e), (f), (g), (h), (j), and (k) of section 204 of this Act shall be applicable to such mortgages insured under this section, except that all references therein to the Mutual Mortgage Insurance Fund or the Fund shall be construed to refer to the General Insurance Fund and all references therein to section 203 shall be construed to refer to this section; or

(2) as to mortgages meeting the requirements of paragraph (3) or (4) of subsection (d) of this section, paragraph (1) of subsection (h) of this section, or paragraph (2) of subsection (j) of this section, as provided in section 207(g) of this Act with respect to mortgages insured under said section 207, and the provisions of subsections (h), (i), (j), (k), and (l) of section 207 of this Act shall be applicable to such mortgages insured under this section; or

(3) as to mortgages meeting the requirements of this section which are insured or initially endorsed for insurance on or after the date of enactment of the Housing Act of 1961,<sup>1</sup> notwithstanding the provisions of paragraphs (1) and (2) of this subsection, the Secretary in his discretion, in accordance with such regulations as he may prescribe, may make payments pursuant to such paragraphs in cash or in debentures (as provided in the mortgage insurance contract), or may acquire a mortgage loan that is in default and the security therefor upon payment to the mortgagee in cash or in debentures (as provided in the mortgage insurance contract) of a total amount equal to the unpaid principal balance of the loan plus any ac-

crued interest and any advances approved by the Secretary and made previously by the mortgagee under the provisions of the mortgage, and after the acquisition of any such mortgage by the Secretary the mortgagee shall have no further rights, liabilities, or obligations with respect to the loan or the security for the loan. The appropriate provisions of sections 204 and 207 relating to the issuance of debentures shall apply with respect to debentures issued under this paragraph, and the appropriate provisions of sections 204 and 207 relating to the rights, liabilities, and obligations of a mortgagee shall apply with respect to the Secretary when he has acquired an insured mortgage under this paragraph, in accordance with and subject to regulations (modifying such provisions to the extent necessary to render their application for such purposes appropriate and effective) which shall be prescribed by the Secretary, except that as applied to mortgages so acquired (A) all references in section 204 to the Mutual Mortgage Insurance Fund or the fund shall be construed to refer to the General Insurance Fund, and (B) all references in section 204 to section 203 shall be construed to refer to this section. If the insurance is paid in cash, there shall be added to such payment an amount equivalent to the interest which the debentures would have earned, computed to a date to be established pursuant to regulations issued by the Secretary.

(4)(A) In the event any mortgage insured under this section pursuant to a commitment to insure entered into before the effective date of this clause<sup>1</sup> is not in default at the expiration of twenty years from the date the mortgage was endorsed for insurance, the mortgagee shall, within a period thereafter to be determined by the Secretary, have the option to assign, transfer, and deliver to the Secretary the original credit instrument and the mortgage securing the same and receive the benefits of the insurance as hereinafter provided in this paragraph, upon compliance with such requirements and conditions as to the validity of the mortgage as a first lien and such other matters as may be prescribed by the Secretary at the time the loan is endorsed for insurance. Upon such assignment, transfer, and delivery the obligation of the mortgagee to pay the premium charges for insurance shall cease, and the Secretary shall, subject to the cash adjustment provided herein, issue to the mortgagee debentures having a total face value<sup>2</sup> equal to the amount of the original principal obligation of the mortgage which was unpaid on the date of the assignment, plus accrued interest to such date. Debentures issued pursuant to this paragraph shall be issued in the same manner and subject to the same terms and conditions as debentures issued under paragraph (1) of this subsection, except that the debentures issued

<sup>2</sup>Section 516(d) of the Housing and Community Development Act of 1992, Pub. L. 102-550, provides as follows:

“(d) HOUSING FOR MODERATE INCOME AND DISPLACED FAMILIES.—The second sentence of section 221(g)(4)(A) of the National Housing Act (12 U.S.C. 1715l(g)(4)(A)) is amended by striking “, subject to the cash adjustment provided herein, issue to the mortgagee debentures having total face value” and inserting the following: “issue to the mortgagee debentures having a par value”.

The amendment could not be executed because the text proposed to be struck does not appear in this subparagraph.

pursuant to this paragraph shall be dated as of the date the mortgage is assigned to the Secretary, shall mature ten years after such date, and shall bear interest from such date at the going Federal rate determined at the time of issuance. The term "going Federal rate" as used herein means the annual rate of interest which the Secretary of the Treasury shall specify as applicable to the six-month period (consisting of January through June or July through December) which includes the issuance date of such debentures, which applicable rate for each six-month period shall be determined by the Secretary of the Treasury by estimating the average yield to maturity, on the basis of daily closing market bid quotations or prices during the month of May or the month of November, as the case may be, next preceding such six-month period, on all outstanding marketable obligations of the United States having a maturity date of eight to twelve years from the first day of such month of May or November (or, if no such obligations are outstanding, the obligation next shorter than eight years and the obligation next longer than twelve years, respectively, shall be used), and by adjusting such estimated average annual yield to the nearest one-eighth of 1 per centum. The Secretary shall have the same authority with respect to mortgages assigned to him under this paragraph as contained in section 207(k) and section 207(l) as to mortgages insured by the Secretary and assigned to him under section 207 of this Act.

(B) In processing a claim for insurance benefits under this paragraph, the Secretary may direct the mortgagee to assign, transfer, and deliver the original credit instrument and the mortgage securing it directly to the Government National Mortgage Association in lieu of assigning, transferring, and delivering the credit instrument and the mortgage to the Secretary. Upon the assignment, transfer, and delivery of the credit instrument and the mortgage to the Association, the mortgage insurance contract shall terminate and the mortgagee shall receive insurance benefits as provided in subparagraph (A). The Association is authorized to accept such loan documents in its own name and to hold, service, and sell such loans as agent for the Secretary. The mortgagor's obligation to pay a service charge in lieu of a mortgage insurance premium shall continue as long as the mortgage is held by the Association or by the Secretary. The Secretary shall have the same authority with respect to mortgages assigned to the Secretary or the Association under this subparagraph as provided by section 223(c).

(C)(i) In lieu of accepting assignment of the original credit instrument and the mortgage securing the credit instrument under subparagraph (A) in exchange for receipt of debentures, the Secretary shall arrange for the sale of the beneficial interests in the mortgage loan through an auction and sale of the (I) mortgage loans, or (II) participation certificates, or other mortgage-backed obligations in a form acceptable to the Secretary (in this subparagraph referred to as "participation certificates"). The Secretary shall arrange the auction and sale at a price, to be paid to the mortgagee, of par plus accrued inter-

est to the date of sale. The sale price shall also include the right to a subsidy payment described in clause (iii).

(ii)(I) The Secretary shall conduct a public auction to determine the lowest interest rate necessary to accomplish a sale of the beneficial interests in the original credit instrument and mortgage securing the credit instrument.

(II) A mortgagee who elects to assign a mortgage shall provide the Secretary and persons bidding at the auction a description of the characteristics of the original credit instrument and mortgage securing the original credit instrument, which shall include the principal mortgage balance, original stated interest rate, service fees, real estate and tenant characteristics, the level and duration of applicable Federal subsidies, and any other information determined by the Secretary to be appropriate. The Secretary shall also provide information regarding the status of the property with respect to the provisions of the Emergency Low Income Housing Preservation Act of 1987 or any subsequent Act with respect to eligibility to prepay the mortgage, a statement of whether the owner has filed a notice of intent to prepay or a plan of action under the Emergency Low Income Housing Preservation Act of 1987 or any subsequent Act, and the details with respect to incentives provided under the Emergency Low Income Housing Preservation Act of 1987 or any subsequent Act in lieu of exercising prepayment rights.

(III) The Secretary shall, upon receipt of the information in subclause (II), promptly advertise for an auction and publish such mortgage descriptions in advance of the auction. The Secretary may conduct the auction at any time during the 6-month period beginning upon receipt of the information in subclause (II) but under no circumstances may the Secretary conduct an auction before 2 months after receiving the mortgagee's written notice of intent to assign its mortgage to the Secretary.

(IV) In any auction under this subparagraph, the Secretary shall accept the lowest interest rate bid for purchase that the Secretary determines to be acceptable. The Secretary shall cause the accepted bid to be published in the Federal Register. Settlement for the sale of the credit instrument and the mortgage securing the credit instrument shall occur not later than 30 business days after the date winning bidders are selected in the auction, unless the Secretary determines that extraordinary circumstances require an extension (not to exceed 60 days) of the period.

(V) If no bids are received, the bids that are received are not acceptable to the Secretary, or settlement does not occur within the period under subclause (IV), the mortgagee shall retain all rights (including the right to interest, at a rate to be determined by the Secretary, for the period covering any actions taken under this subparagraph) under this section to assign the mortgage loan to the Secretary.

(iii) As part of the auction process, the Secretary shall agree to provide a monthly interest subsidy payment from the General Insurance Fund to the purchaser under the auction of the original credit instrument or the mortgage securing the

credit instrument (and any subsequent holders or assigns who are approved mortgagees). The subsidy payment shall be paid on the first day of each month in an amount equal to the difference between the stated interest due on the mortgage loan and the lowest interest rate necessary to accomplish a sale of the mortgage loan or participation certificates (less the servicing fee, if appropriate) for the then unpaid principal balance plus accrued interest at a rate determined by the Secretary. Each interest subsidy payment shall be treated by the holder of the mortgage as interest paid on the mortgage. The interest subsidy payment shall be provided until the earlier of—

- (I) the maturity date of the loan;
  - (II) prepayment of the mortgage loan in accordance with the Emergency Low Income Housing Preservation Act of 1987 or any subsequent Act, where applicable; or
  - (III) default and full payment of insurance benefits on the mortgage loan by the Federal Housing Administration.
- (iv) The Secretary shall require that the mortgage loans or participation certificates presented for assignment are auctioned as whole loans with servicing rights released and also are auctioned with servicing rights retained by the current servicer.

(v) To the extent practicable, the Secretary shall encourage State housing finance agencies, nonprofit organizations, and organizations representing the tenants of the property securing the mortgage, or a qualified mortgagee participating in a plan of action under the Emergency Low Income Housing Preservation Act of 1987 or subsequent Act to participate in the auction.

(vi) The Secretary shall implement the requirements imposed by this subparagraph within 30 days from the date of enactment of this subparagraph<sup>1</sup> and not be subject to the requirement of prior issuance of regulations in the Federal Register. The Secretary shall issue regulations implementing this section within 6 months of the enactment of this subparagraph.<sup>1</sup>

(vii) Nothing in this subparagraph shall diminish or impair the low income use restrictions applicable to the project under the original regulatory agreement or the revised agreement entered into pursuant to the Emergency Low Income Housing Preservation Act of 1987 or subsequent Act, if any, or other agreements for the provision of Federal assistance to the housing or its tenants.

(viii) This subparagraph shall not apply after December 31, 2002, except that this subparagraph shall continue to apply if the Secretary receives a mortgagee's written notice of intent to assign its mortgage to the Secretary on or before such date. Not later than January 31 of each year (beginning in 1992), the Secretary shall submit to the Congress a report including statements of the number of mortgages auctioned and sold and their value, the amount of subsidies committed to the program under this subparagraph, the ability of the Secretary to coordi-

nate the program with the incentives provided under the Emergency Low Income Housing Preservation Act of 1987 or subsequent Act, and the costs and benefits derived from the program for the Federal Government.

(ix)<sup>1</sup> The authority of the Secretary to conduct multifamily auctions under this paragraph shall be effective for any fiscal year only to the extent and in such amounts as are approved in appropriations Acts for the costs of loan guarantees (as defined in section 502 of the Congressional Budget Act of 1974), including the cost of modifying loans.

(h)(1) In addition to mortgages insured under the provisions of this section, the Secretary is authorized, upon application by the mortgagee, to insure under this subsection as hereinafter provided any mortgage (including advances under such mortgage during rehabilitation) which is executed by a nonprofit organization to finance the purchase and rehabilitation of deteriorating or substandard housing for subsequent resale to low-income home purchasers and, upon such terms and conditions as the Secretary may prescribe, to make commitments for the insurance of such mortgages prior to the date of their execution or disbursement thereon.

(2) To be eligible for insurance under paragraph (1) of this subsection, a mortgage shall—

(A) be executed by a private nonprofit corporation or association, approved by the Secretary, for financing the purchase and rehabilitation (with the intention of subsequent resale) of property comprising one or more tracts or parcels, whether or not contiguous, upon which there is located deteriorating or substandard housing consisting of (i) four or more single-family dwellings of detached, semidetached, or row construction, or (ii) four or more one-family units in a structure or structures for which a plan of family unit ownership approved by the Secretary is established;

(B) be secured by the property which is to be purchased and rehabilitated with the proceeds thereof;

(C) be in a principal amount not exceeding the appraised value of the property at the time of its purchase under the mortgage plus the estimated cost of the rehabilitation;

(D) bear interest (exclusive of premium charged for insurance and service charge, if any) at the rate in effect under the proviso in subsection (d)(5) at the time of execution;

(E) provide for complete amortization (subject to paragraph (5)(E)) by periodic payments within such term as the Secretary may prescribe; and

(F) provide for the release of individual single-family dwellings from the lien of the mortgage upon the sale of the rehabilitated dwellings in accordance with paragraph (5).

(3) No mortgage shall be insured under paragraph (1) unless the mortgagor shall have demonstrated to the satisfaction of the Secretary that (A) the property to be rehabilitated is located in a neighborhood which is sufficiently stable and contains sufficient public facilities and amenities to support long-term values, or (B) the rehabilitation to be carried out by the mortgagor plus its re-

lated activities and the activities of other owners of housing in the neighborhood, together with actions to be taken by public authorities, will be of such scope and quality as to give reasonable promise that a stable environment will be created in the neighborhood.

(4) The aggregate principal balance of all mortgages insured under paragraph (1) and outstanding at any one time shall not exceed \$50,000,000.

(5)(A)<sup>1</sup> No mortgage shall be insured under paragraph (1) unless the mortgagor enters into an agreement (in form and substance satisfactory to the Secretary) that it will offer to sell the dwellings involved, upon completion of their rehabilitation, to individuals or families (hereinafter referred to as "low-income purchasers") determined by the Secretary to have incomes below the maximum amount specified (with respect to the area involved) in section 101(c)(1) of the Housing and Urban Development Act of 1965.

(B) The Secretary is authorized to insure under this paragraph mortgages executed to finance the sale of individual dwellings to low-income purchasers as provided in subparagraph (A). Any such mortgage shall—

(i) be in a principal amount equal to that portion of the unpaid balance of the principal mortgage covering the property (insured under paragraph (1)) which is allocable to the individual dwelling involved; and

(ii) bear interest at the same rate as the principal mortgage or such lower rate, not less than 1 per centum, as the Secretary may prescribe if in his judgment the purchaser's income is sufficiently low to justify the lower rate, and provide for complete amortization within a term equal to the remaining term (determined without regard to subparagraph (E) of such principal mortgage: *Provided*, That if the rate of interest initially prescribed is less than the rate borne by the principal mortgage and the purchaser's income (as determined on the basis of periodic review) subsequently rises, the rate of interest so prescribed shall be increased (but not above the rate borne by such principal mortgage), under regulations of the Secretary, to the extent appropriate to reflect the increase in such income, and the mortgage shall so provide.

(C) The price for which any individual dwelling is sold to a low-income purchaser under this paragraph shall be the amount of the mortgage covering the sale as determined under subparagraph (B), except that the purchaser shall in addition thereto be required to pay on account of the property at the time of purchase such amount (which shall not be less than \$200, but which may be applied in whole or in part toward closing costs) as the Secretary may determine to be reasonable and appropriate in the circumstances.

(D) Upon the sale under this paragraph of any individual dwelling, such dwelling shall be released from the lien of the principal mortgage, and such mortgage shall thereupon be replaced by

<sup>1</sup>Section 101(c)(4) of the Housing and Urban Development Act of 1968, Pub. L. 90-448, approved August 1, 1968, provides as follows:

"(4) The purchase of any individual dwelling, sold by a nonprofit organization pursuant to the provisions of section 221(h)(5) of the National Housing Act after the date of enactment of this section, may be financed with a mortgage insured under the provisions of section 235(j)(4) of such Act, but such mortgage shall bear interest at the rate provided in section 235(j)(2)(C) of such Act."

an individual mortgage insured under this paragraph to the extent of the portion of its unpaid balance which is allocable to the dwelling covered by such individual mortgage. Until all of the individual dwellings in the property covered by the principal mortgage have been sold, the mortgagor shall hold and operate the dwellings remaining unsold at any given time as though they constituted rental units in a project covered by a mortgage which is insured under subsection (d)(3) (and which receives the benefits of the interest rate provided for in the proviso in subsection (d)(5)).

(E) Upon the sale under this paragraph of all of the individual dwellings in the property covered by the principal mortgage, and the release of all individual dwellings from the lien of the principal mortgage, the insurance of the principal mortgage shall be terminated and no adjusted premium charge shall be charged by the Secretary upon such termination.

(F) Any mortgage insured under this paragraph shall contain a provision that if the low-income mortgagor does not continue to occupy the property the interest rate shall increase to the highest rate permissible under this section and the regulations of the Secretary effective at the time of commitment for insurance of the principal mortgage; except that the increase in interest rate shall not be applicable if the property is sold and the purchaser is (i) the nonprofit organization which executed the principal mortgage (ii) a public housing agency having jurisdiction under the United States Housing Act of 1937 over the area where the dwelling is located, or (iii) a low-income purchaser approved for the purposes of this paragraph by the Secretary.

(6) In addition to the mortgages that may be insured under paragraphs (1) and (5), the Secretary is authorized to insure under this subsection at any time within one year after the date of the enactment of this paragraph, upon such terms and conditions as he may prescribe, mortgages which are executed by individuals or families that meet the income criteria prescribed in paragraph (5)(A) and are executed for the purpose of financing the rehabilitation or improvement of single-family dwellings of detached, semidetached, or row construction that are owned in each instance by a mortgagor who has purchased the dwelling from a nonprofit organization of the type described in this subsection. To be eligible for such insurance, a mortgage shall—

(A) be in principal amount not exceeding the lesser of \$18,000 or the sum of the estimated cost of repair and rehabilitation and the Secretary's estimate of the value of the property before repair and rehabilitation, except that in no case involving refinancing shall such mortgage exceed such estimated cost of repair and rehabilitation and the amount (as determined by the Secretary) required to refinance existing indebtedness secured by the property;

(B) bear interest (exclusive of premium charges for insurance and service charge, if any) at 3 per centum per annum or such lower rate, not less than 1 per centum, as the Secretary may prescribe if in his judgment the mortgagor's income is sufficiently low to justify the lower rate: *Provided*, That, if the rate of interest initially prescribed is less than 3 per centum per annum and the mortgagor's income (as determined on the basis of periodic review) subsequently rises, the rate shall be

increased (but not above 3 per centum), under regulations of the Secretary, to the extent appropriate to reflect the increase in such income, and the mortgage shall so provide;

(C) involve a mortgagor that shall have paid on account of the property at the time of the rehabilitation such amount (which shall not be less than \$200 in cash or its equivalent, but which may be applied in whole or in part toward closing costs) as the Secretary may determine to be reasonable and appropriate under the circumstances; and

(D) contain a provision that, if the low-income mortgagor does not continue to occupy the property, the interest rate shall increase to the highest rate permissible under this section and the regulations of the Secretary effective at the time the commitment was issued for insurance of the mortgage; except that the increase in interest rate shall not be applicable if the property is sold and the purchaser is (i) a nonprofit organization which has been engaged in purchasing and rehabilitating deteriorating and substandard housing with financing under a mortgage insured under paragraph (1) of this subsection, (ii) a public housing agency having jurisdiction under the United States Housing Act of 1937 over the area where the dwelling is located, or (iii) a low-income purchaser approved for the purposes of this paragraph by the Secretary.

(7) Where the Secretary approved a plan of family unit ownership, the terms "single-family dwelling," "single-family dwellings," "individual dwelling," and "individual dwellings" shall mean a family unit or family units, together with the undivided interest (or interests) in the common areas and facilities.

(8) For purposes of this subsection, the terms "single-family dwelling" and "single-family dwellings" (except for purposes of paragraph (7)) shall include a two-family dwelling which has been approved by the Secretary.

(i)(1) The Secretary is authorized, with respect to any project involving a mortgage insured under subsection (d)(3) which bears interest at the below-market interest rate prescribed in the proviso of subsection (d)(5), to permit a conversion of the ownership of such project to a plan of family unit ownership. Under such plan, each family unit shall be eligible for individual ownership and provision shall be included for the sale of the family units, together with an undivided interest in the common areas and facilities which serve the project, to low or moderate income purchasers. The Secretary shall obtain such agreements as he determines to be necessary to assure continued maintenance of the common areas and facilities. Upon such sale, the family unit and the undivided interest in the common areas shall be released from the lien of the project mortgage.

(2)(A) The Secretary is authorized, upon application by the mortgagee, to insure under this subsection mortgages financing the purchase of individual family units under the plan prescribed in paragraph (1). Commitments may be issued by the Secretary for the insurance of such mortgages prior to the date of their execution or disbursement thereon, upon such terms and conditions as the Secretary may prescribe. To be eligible for such insurance, the mortgage shall—

(i) be executed by a mortgagor having an income within the limits prescribed by the Secretary for occupants of projects financed with a mortgage insured under subsection (d)(3) which bears interest at the below-market rate prescribed in the proviso of subsection (d)(5);

(ii) involve a principal obligation (including such initial service charges, and such appraisal, inspection, and other fees, as the Secretary shall approve) in an amount not to exceed the Secretary's estimate of the appraised value of the family unit, including the mortgagor's interest in the common areas and facilities, as of the date the mortgage is accepted for insurance;

(iii) bear interest at a rate determined by the Secretary (which may vary in accordance with the regulations of the Secretary promulgated pursuant to the last sentence of paragraph (4) of this subsection) but not less than the below-market rate in effect under the proviso of subsection (d)(5) at the date of the commitment for insurance; and

(iv) provide for complete amortization by periodic payments within such terms as the Secretary may prescribe, but not to exceed forty years from the beginning of amortization of the mortgage.

(B) The price for which the individual family unit is sold to the low or moderate income purchaser shall not exceed the appraised value of the property, as determined under subparagraph (A)(ii), except that the purchaser shall be required to pay on account of the property at the time of purchase at least such amount, in cash or its equivalent (which shall be not less than 3 per centum of such price, but which may be applied in whole or in part toward closing costs), as the Secretary may determine to be reasonable and appropriate.

(3) Upon the sale of all of the family units covered by the project mortgage, and the release of all of the family units (including the undivided interest allocable to each unit in the common areas and facilities) from the lien of the project mortgage, the insurance of the project mortgage shall be terminated and no adjusted premium charge shall be collected by the Secretary upon such termination.

(4) Any mortgage covering an individual family unit insured under this subsection shall contain a provision that, if the original mortgagor does not continue to occupy the property, the interest rate shall increase to the highest rate permissible under this section and the regulations of the Secretary effective at the time the commitment was issued for the insurance of the project mortgage; except that the requirement for an increase in interest rate shall not be applicable if the property is sold and the purchaser is (i) a nonprofit purchaser approved by the Secretary, or (ii) a low- or moderate-income purchaser who has an income within the limits prescribed by the Secretary for occupants of projects financed with a mortgage insured under subsection (d)(3) which bears interest at the below-market rate prescribed in the proviso of subsection (d)(5). The mortgage shall also contain a provision that, if the Secretary determines that the annual income of the original mortgagor (or a purchaser described in clause (ii) of the preceding sentence) has increased to an amount enabling payment of a greater rate of interest, the interest rate of the individual mortgage may be increased

up to the highest rate permissible under the regulations of the Secretary for mortgages insured under this section, effective at the time the commitment was issued for the insurance of the mortgage.

(5) For the purpose of this subsection—

(i) the term “mortgage”, when used in relation to a mortgage insured under paragraph (2) of this subsection, includes a first mortgage given to secure the unpaid purchase price of a fee interest in, or a long-term leasehold interest in a one-family unit in a multifamily project and an undivided interest in the common areas and facilities which serve the project; and

(ii) the term “common areas and facilities” includes the land and such commercial, community, and other facilities as are approved by the Secretary.

(j)(1) The Secretary is authorized, with respect to any rental project, involving a mortgage insured under subsection (d)(3) which bears interest at the below-market interest rate prescribed in the proviso of subsection (d)(5), to permit a conversion of the ownership of such project to a cooperative approved by the Secretary. Membership in such cooperative shall be made available only to those families having an income within the limits prescribed by the Secretary for occupants of projects financed with a mortgage insured under subsection (d)(3) which bears interest at such below-market rate: *Provided*, That families residing in the rental project at the time of its conversion to a cooperative who do not meet such income limits may be permitted to become members in the cooperative under such special terms and conditions as the Secretary may prescribe.

(2) The Secretary is authorized, upon application by the mortgagee, to insure under this subsection cooperative mortgages financing the purchase of projects meeting the requirements of paragraph (1). Commitments may be issued by the Secretary for the insurance of such mortgages prior to the date of their execution or disbursement thereon, upon such terms and conditions as the Secretary may prescribe. To be eligible for such insurance, the mortgage shall—

(i)<sup>1</sup> involve a principal obligation (including such initial service charges and appraisal, inspection, and other fees as the Secretary shall approve) in an amount not exceeding the appraised value of the property for continued use as a cooperative, which value shall be based upon a mortgage amount on which the debt service can be met from the income of the property when operated on a nonprofit basis, after the payment of all operating expenses, taxes, and required reserves;

(ii)<sup>2</sup> bear interest at the below-market rate prescribed in the proviso of subsection (d)(5); and

(iii)<sup>3</sup> provide for complete amortization within such terms as the Secretary may prescribe.

(k) With respect to any project insured under subsection (d)(3) or (d)(4), the Secretary may further increase the dollar amount limitations which would otherwise apply for the purpose of those subsections by up to 20 per centum if such increase is necessary to account for the increased cost of the project due to the installation

therein of a solar energy system (as defined in subparagraph (3) of the last paragraph of section 2(a) of this Act) or residential energy conservation measures (as defined in section 210(11) (A) through (G) and (I) of Public Law 95-619) in cases where the Secretary determines that such measures are in addition to those required under the minimum property standards and will be cost-effective over the life of the measure.

(1)(1) Notwithstanding any other provision of law, tenants residing in eligible multifamily housing whose incomes exceed 80 percent of area median income shall pay as rent not more than the lower of the following amounts: (A) 30 percent of the family's adjusted monthly income; or (B) the relevant fair market rental established under section 8(b) of the United States Housing Act of 1937 for the jurisdiction in which the housing is located. An owner shall phase in any increase in rents for current tenants resulting from this subsection.

(2) For purposes of this subsection, the term "eligible multifamily housing" means any housing financed by a loan or mortgage that is (A) insured or held by the Secretary under subsection (d)(3) and assisted under section 101 of the Housing and Urban Development Act of 1965 or section 8 of the United States Housing Act 1937; or (B) insured or held by the Secretary and bears interest at a rate determined under the proviso of subsection (d)(5).

MISCELLANEOUS HOUSING INSURANCE

SEC. 223. [12 U.S.C. 1715n] (a) Notwithstanding any of the provisions of this Act and without regard to limitations upon eligibility contained in any section or title of this Act, other than the limitation in section 203(g), the Secretary is authorized upon application by the mortgagee, to insure or make commitments to insure under any section or title of this Act any mortgage—

(1) executed in connection with the sale by the Government, or any agency or official thereof, of any housing acquired or constructed under Public Law 849, Seventy-sixth Congress, as amended; Public Law 781, Seventy-sixth Congress, as amended or Public Laws 9, 73, or 353, Seventy-seventh Congress, as amended (including any property acquired, held, or constructed in connection with such housing or to serve the inhabitants thereof); or

(2) executed in connection with the sale by the Secretary of Housing and Urban Development, or by any public housing agency with the approval of the Secretary, of any housing (including any property acquired, held, or constructed in connection with such housing or to serve the inhabitants thereof) owned or financially assisted pursuant to the provisions of Public Law 671, Seventy-sixth Congress; or

(3) executed in connection with the sale by the Government, or any agency or official thereof, of any of the so-called Greenbelt towns, or parts thereof, including projects or parts thereof, known as Greenhills, Ohio; Greenbelt, Maryland; and Greendale, Wisconsin, developed under the Emergency Relief Appropriation Act of 1935, or of any of the village properties or employee's housing under the jurisdiction of the Tennessee Valley Authority, or of any housing under the jurisdiction of the Department of the Interior located within the town area of Coulee Dam, Washington, acquired by the United States for the construction, operation, and maintenance of Grand Coulee Dam and its appurtenant works: *Provided*, That for the pur-

pose of the applicant of this title to sales by the Secretary of the Interior pursuant to subsection 3(b)(1) and 3(b)(2) of the Coulee Dam Community Act of 1957, the selling price of the property involved shall be deemed to be the appraised value, or of any permanent housing under the jurisdiction of the Department of the Interior constructed under the Boulder Canyon Project Act of December 21, 1928, as amended and supplemented, located within the Boulder City municipal area: *Provided*, That for purposes of the application of this title to sales by the Secretary of the Interior pursuant to subsection 3(b)(1) and 3(b)(2) of the Boulder City Act of 1958, the selling price of the property involved shall be deemed to be the appraised value; or

(4) executed in connection with the sale by the Government or any agency or official thereof, of any housing (including any property acquired, held, or constructed in connection therewith or to serve the inhabitants thereof) pursuant to the Atomic Energy Community Act of 1955, as amended: *Provided*, That such insurance shall be issued without regard to any preferences or priorities except those prescribed by this Act or the Atomic Energy Community Act of 1955, as amended; or

(5) executed in connection with the sale by a State or municipality, or an agency, instrumentality, or political subdivision of either, of a project consisting of any permanent housing (including any property acquired, held, or constructed in connection therewith or to serve the inhabitants thereof), constructed by or on behalf of such State, municipality, agency, instrumentality, or political subdivision, for the occupancy of veterans of World War II, or Korean veterans, their families, and others; or

(6) executed in connection with the first resale, within two years from the date of its acquisition from the Government, of any portion of a project or property of the character described in paragraphs (1), (2), (3), and (4) above; or

(7) given to refinance an existing mortgage insured under this Act, or an existing mortgage held by the Secretary that is subject to a mortgage restructuring and rental assistance sufficiency plan pursuant to the Multifamily Assisted Housing Reform and Affordability Act of 1997 (42 U.S.C. 1437f note), provided that—

(A) the principal amount of any such refinancing mortgage shall not exceed the original principal amount or the unexpired term of such existing mortgage and shall bear interest at such rate as may be agreed upon by the mortgagor and the mortgagee, except that (i) the principal amount of any such refinancing mortgage may equal the outstanding balance of an existing mortgage insured pursuant to section 245, if the amount of the monthly payment due under the refinancing mortgage is less than that due under the existing mortgage for the month in which the refinancing mortgage is executed; (ii) a mortgagee may not require a minimum principal amount to be outstanding on the loan secured by the existing mortgage; (iii) in any case involving the refinancing of a loan in which the Secretary determines that the insurance of a mortgage for an

additional term will inure to the benefits of the applicable insurance fund, taking into consideration the outstanding insurance liability under the existing insured mortgage, such refinancing mortgage may have a term not more than twelve years in excess of the unexpired term of such existing insured mortgage; and (iv) any multifamily mortgage that is refinanced under this paragraph shall be documented through amendments to the existing insurance contract and shall not be structured through the provisions of a new insurance contract; and

(B) a mortgage of the character described in paragraphs (1) through (6) of this subsection shall have a maturity and a principal obligation not in excess of the maximums prescribed under the applicable section or title of this Act, except that in no case may the principal obligation of a mortgage referred to in paragraph (5) of this subsection exceed 90 per centum of the appraised value of the mortgage property, and shall bear interest at such rate as may be agreed upon by the mortgagor and the mortgagee;

(C) a mortgage that is subject to a mortgage restructuring and rental assistance sufficiency plan pursuant to the Multifamily Assisted Housing Reform and Affordability Act of 1997 (42 U.S.C. 1437f note) and is refinanced under this paragraph may have a term of not more than 30 years; or<sup>1</sup>

(8) executed in connection with the sale by the Government of any housing acquired pursuant to section 1013 of the Demonstration Cities and Metropolitan Development Act of 1966.

(b) Notwithstanding any of the provisions of this title and without regard to limitations upon eligibility contained in section 221, the Secretary may in his discretion insure under section 221(d)(3) any mortgage executed by a mortgagor of the character described therein where such mortgage is given to refinance a mortgage covering an existing property or project (other than a one- to four-family structure) located in an urban renewal area, if the Secretary finds that such insurance will facilitate the occupancy of dwelling units in the property or project by families of low or moderate income or families displaced from an urban renewal area or displaced as a result of governmental action.

(c) The Secretary shall also have authority to insure under this Act any mortgage assigned to the Secretary in connection with payment under a contract of mortgage insurance or executed in connection with the sale by the Secretary, including a sale through another entity acting under authority of the fourth sentence of section 204(g), of any property acquired under any section or title of this Act without regard to any limitations or requirements contained in this Act upon eligibility of the mortgage, upon the payment of insurance premiums, or upon the terms and conditions of insurance

<sup>1</sup>Section 103(d) of the Multifamily Housing Property Disposition Reform Act of 1994, Pub. L. 103-288, provides as follows:

“(d) STREAMLINED REFINANCING.—As soon as practicable, the Secretary shall implement a streamlined refinancing program under the authority provided in section 223 of the National Housing Act to prevent the default of mortgages insured by the FHA which cover multifamily housing projects, as defined in section 208(b) of the Housing and Community Development Amendments of 1978.”

settlement and the benefits of the insurance to be included in such settlement.

(d)(1) Notwithstanding any other provision of this Act, the Secretary is authorized to insure loans made to cover the operating losses of certain projects that have existing project mortgages insured by the Secretary. Insurance under this subsection shall be in the Secretary's discretion and upon such terms and conditions as the Secretary may prescribe, and shall be provided in accordance with the provisions of this subsection. For purposes of this subsection, the term "operating loss" means the amount by which the sum of the taxes, interest on the mortgage debt, mortgage insurance premiums, hazard insurance premiums, and the expense of maintenance and operation of the project covered by the mortgage, exceeds the income of the project.

(2) To be eligible for insurance pursuant to this paragraph—

(A) the existing project mortgage (i) shall have been insured by the Secretary at any time before or after the date of enactment of the Housing and Community Development Act of 1987; and (ii) shall cover any property, other than a property upon which there is located a 1- to 4-family dwelling;

(B) the operating loss shall have occurred during the first 24 months after the date of completion of the project, as determined by the Secretary; and

(C) the loan shall be in an amount not exceeding the operating loss.

(3) To be eligible for insurance pursuant to this paragraph—

(A) the existing project mortgage (i) shall have been insured by the Secretary at any time before or after the date of enactment of the Housing and Community Development Act of 1987; (ii) shall cover any property, other than a property upon which there is located a 1- to 4-family dwelling; and (iii) shall not cover a subsidized project, as defined by the Secretary;

(B) the loan shall be in an amount not exceeding 80 percent of the unreimbursed cash contributions made on or after March 18, 1987, by the project owner for the use of the project, during any period of consecutive months (not exceeding 24 months) in the first 10 years after the date of completion of the project, as determined by the Secretary, except that in no event may the amount of the loan exceed the operating loss during such period;

(C) the loan shall be made within 10 years after the end of the period of consecutive months referred to in the preceding subparagraph; and

(D) the project shall meet all applicable underwriting and other requirements of the Secretary at the time the loan is to be made.

(4) Any loan insured pursuant to this subsection shall (A) bear interest at such rate as may be agreed upon by the mortgagor and mortgagee; (B) be secured in such manner as the Secretary shall require; (C) be limited to a term not exceeding the unexpired term of the original mortgage; and (D) be insured under the same section as the original mortgage. The Secretary may provide insurance pursuant to paragraph (2) or (3), or pursuant to both such paragraphs, in connection with an existing project mortgage, except that the Secretary may not provide insurance pursuant to both

such paragraphs in connection with the same period of months referred to in paragraphs (2)(B) and (3)(B). The Secretary is authorized to collect a premium charge for insurance of loans pursuant to this subsection in an amount computed at the same premium rate as is applicable to the original mortgage. This premium shall be payable in cash or in debentures of the insurance fund under which the loan is insured at par plus accrued interest. In the event of a failure of the borrower to make any payment due under such loan or under the original mortgage, both the loan and original mortgage shall be considered in default, and if such default continues for a period of thirty days, the lender shall be entitled to insurance benefits, computed in the same manner as for the original mortgage, except that in determining the interest rate under section 224 for the debentures representing the portion of the claim applicable to the loan, the date of the commitment to insure the loan and the insurance date of the loan shall be taken into consideration rather than the commitment or insurance date for the original mortgage.

(5) A loan involving a project covered by a mortgage insured under section 213 that is the obligation of the Cooperative Management Housing Insurance Fund shall be the obligation of such fund, and loans involving projects covered by a mortgage insured under section 236 or under any section of this title pursuant to subsection (e) of this section shall be the obligation of the Special Risk Insurance Fund.

(6) In determining the amount of an operating loss loan to be insured pursuant to this subsection, the Secretary shall not reduce such amount solely to reflect any amounts placed in escrow (at the time the existing project mortgage was insured) for initial operating deficits. If an operating loss loan was insured by the Secretary pursuant to this subsection before the date of the enactment of the Housing and Community Development Act of 1992<sup>1</sup> and was reduced solely to reflect the amount placed in escrow for initial operating deficits, the Secretary shall insure, to the extent of the availability of insurance authority provided in appropriation Acts, an increase in the existing loan or a separate loan, in an amount equal to the lesser of (A) the maximum amount permitted under this subsection and the applicable underwriting requirements established by the Secretary and in effect at the time the loan is to be made, or (B) the amount of the escrow for initial operating deficits.

(e) Notwithstanding any of the provisions of this Act except section 212, and without regard to limitations upon eligibility contained in any section of this title or title XI, other than the limitation in section 203(g), the Secretary is authorized, upon application by the mortgagee, to insure under any section of this title or title XI a mortgage executed in connection with the repair, rehabilitation, construction, or purchase of property located in an older, declining urban area in which the conditions are such that one or more of the eligibility requirements applicable to the section or title under which insurance is sought could not be met, if the Secretary finds that (1) the area is reasonably viable, giving consideration to the need for providing adequate housing or group practice facilities

for families of low and moderate income in such area, and (2) the property is an acceptable risk in view of such consideration. The insurance of a mortgage pursuant to this subsection shall be the obligation of the Special Risk Insurance Fund.

(f)(1) Notwithstanding any of the provisions of this Act, the Secretary is authorized, in his discretion, to insure under any section of this title a mortgage executed in connection with the purchase or refinancing of an existing multifamily housing project or the refinancing of existing debt of an existing hospital (or existing nursing home, existing assisted living facility, existing intermediate care facility, existing board and care home, or any combination thereof).

(2) In the case of the purchase or refinancing under this subsection of a multifamily housing project located in an older, declining urban area, the Secretary shall make available an amount not to exceed \$30,000,000 of available purchase authority pursuant to section 305 of this Act to reduce interest rates on low- and moderate-income rental housing in projects having 100 units or less which otherwise could not support refinancing and moderate rehabilitation without causing excessive rent burdens on current tenants due to rent increases. The Secretary shall prescribe such terms and conditions as he deems necessary to assure that—

(A) the refinancing is used to lower the monthly debt service only to the extent necessary to assure the continued economic viability of the project, taking into account any rent reductions to be implemented by the mortgagor; and

(B) during the mortgage term no rental increases shall be made except those which are necessary to offset actual and reasonable operating expense increases or other necessary expense increases and maintain reasonable profit levels approved by the Secretary.

(3) For all insurance authorized by this subsection and provided pursuant to a commitment entered into after the date of enactment of the Housing and Community Development Act of 1980,<sup>1</sup> the Secretary may not accept an offer to prepay or request refinancing of a mortgage secured by rental housing unless the Secretary takes appropriate action that will obligate the borrower (and successors in interest thereof) to utilize the property as a rental property for a period of five years from the date on which the insurance was provided (twenty years in the case of any such mortgage purchased under section 305) unless the Secretary finds that—

(A) the conversion of the property to a cooperative, or condominium form of ownership is sponsored by a bona fide tenants' organization representing a majority of the households in the project;

(B) continuance of the property as rental housing is clearly unnecessary to assure adequate rental housing opportunities for low- and moderate-income people in the community; or

(C) continuance of the property as rental housing would have an undesirable and deleterious effect on the surrounding neighborhood.

<sup>1</sup> October 8, 1980.

(4) In the case of refinancing of an existing hospital (or existing nursing home, existing assisted living facility, existing intermediate care facility, existing board and care home, or any combination thereof) the Secretary shall prescribe such terms and conditions as the Secretary deems necessary to assure that—

(A) the refinancing is employed to lower the monthly debt service costs (taking into account any fees or charges connected with such refinancing) of such existing hospital (or existing nursing home, existing assisted living facility, existing intermediate care facility, existing board and care home, or any combination thereof);

(B) the proceeds of any refinancing will be employed only to retire the existing indebtedness and pay the necessary cost of refinancing on such existing hospital (or existing nursing home, existing assisted living facility, existing intermediate care facility, existing board and care home, or any combination thereof);

(C) such existing hospital (or existing nursing home, existing assisted living facility, existing intermediate care facility, existing board and care home, or any combination thereof) is economically viable; and

(D) the applicable requirements for certificates, studies, and statements of section 232 (for the existing nursing home, existing assisted living facility, intermediate care facility, board and care home, or any combination thereof, proposed to be refinanced) or of section 242 (for the existing hospital proposed to be refinanced) have been met.

(5) In the case of any purchase or refinancing under this subsection involving property to be rehabilitated or developed under section 17 of the United States Housing Act of 1937, the Secretary may—

(A) include rehabilitation or development costs of not to exceed \$20,000 per unit, except that the Secretary may increase such amount by not to exceed 25 per centum for specific properties where cost levels so require;

(B) permit subordinated liens securing up to the full amount of mortgage financing provided by State or local governments or agencies thereof; and

(C) pay such benefits in cash unless the mortgagee submits a written request for debenture payment.

(g) Notwithstanding any other provisions of this Act, the Secretary may, in his discretion, insure a mortgage covering a multifamily housing project including units which are not self-contained.

**HOUSING FOR ELDERLY PERSONS**

**(1) the term “housing” means eight or more new or rehabilitated living units, not less than 50 per centum of which are specially designed for the use and occupancy of elderly persons;**

**(2) the term “elderly person” means any person, married or single, who is sixty-two years of age or over; and**

**(3) the terms “mortgage”, “mortgagee”, “mortgagor”, and “maturity date” shall have the meanings respectively set forth in section 207 of this Act.**

**(f) Notwithstanding any of the provisions of this section, the housing provided under this section may include family units which are specially designed for the use and occupancy of any person or family qualifying as a handicapped family as defined in section 202 of the Housing Act of 1959, and such special facilities as the Secretary deems adequate to serve handicapped families (as so defined). The Secretary may also prescribe procedures to secure to such families preference or priority of opportunity to rent the living units specially designed for their use and occupancy.**

SUPPLEMENTAL LOANS FOR MULTIFAMILY PROJECTS

SEC. 241. [12 U.S.C. 1715z-6] (a) With respect to a multifamily project, hospital, or group practice facility covered by a mortgage insured under any section or title of this Act or covered by a mortgage held by the Secretary, the Secretary is authorized, upon such terms and conditions as he may prescribe, to make commitments to insure, and to insure, supplemental loans (including advances during construction or improvement) made by financial institutions approved by the Secretary. As used in this section, "supplemental loan" means a loan, advance of credit, or purchase of an obligation representing a loan or advance of credit made for the purpose of financing improvements or additions to such project, hospital, or facility: *Provided*, That a loan involving a nursing home, hospital, or a group practice facility may also be made for the purpose of financing equipment to be used in the operation of such nursing home, hospital, or facility.

(b) To be eligible for insurance under this section, a supplemental loan shall—

(1) be limited to 90 per centum of the amount which the Secretary estimates will be the value of such improvements, additions, and equipment, except that such amount when added to the outstanding balance of the mortgage covering the project or facility, shall not exceed the maximum mortgage amount insurable under the section or title pursuant to which the mortgage covering such project or facility is insured or an amount acceptable to the Secretary;

(2) have a maturity satisfactory to the Secretary;

(3) bear interest at such rate as may be agreed upon by the borrower and the financial institution;

(4) be secured in such manner as the Secretary may require;

(5) be governed by the labor standards provisions of section 212 that are applicable to the section or title pursuant to which the mortgage covering the project or facility is insured or pursuant to which the original mortgage covering the project or facility was insured; and

(6) contain such other terms, conditions, and restrictions as the Secretary may prescribe.

(c) The provisions of subsections (d), (e), (g), (h), (i), (j), (k), (l), and (n) of section 207 shall be applicable to loans insured under this section, except that (1) all references to the term "mortgage" shall be construed to refer to the term "loan" as used in this section, (2) loans involving projects covered by a mortgage insured under section 213 that is the obligation of the Cooperative Management Housing Insurance Fund shall be insured under and shall be the obligation of such fund, and (3) loans involving projects covered by a mortgage insured under section 236 shall be insured under and shall be the obligation of the Special Risk Insurance Fund.

(d) Notwithstanding the foregoing, the Secretary may insure a loan for improvements or additions to a multifamily housing project, or a group practice or medical practice facility or hospital or other health facility approved by the Secretary, which is not covered by a mortgage insured under this Act, if he finds that such a loan would assist in preserving, expanding, or improving housing opportunities, or in providing protection against fire or other hazards. Such loans shall have a maturity satisfactory to the Secretary and shall meet such other conditions as the Secretary may prescribe. In no event shall such a loan be insured if it is for an amount in excess of the maximum amount which could be approved if the outstanding indebtedness, if any, covering the property were a mortgage insured under this Act. At any sale under foreclosure of a mortgage on a project or facility which is not insured under this Act but which is senior to a loan assigned to the Secretary pursuant to subsection (c), the Secretary is authorized to bid, in addition to amounts authorized under section 207(k), any sum up to but not in excess of the total unpaid indebtedness secured by such senior mortgage, plus taxes, insurance, foreclosure costs, fees, and other expenses. In the event that, pursuant to subsection (c), the Secretary acquires title to, or is assigned, a loan covering a project or facility which is subject to a mortgage which is not insured under this Act, the Secretary is authorized to make payments from the General Insurance Fund on the debt secured by such mortgage, and to take such other steps as the Secretary may deem appropriate to preserve or protect the Secretary's interest in the project or facility.

(e)(1) Notwithstanding any other provision of this section, the Secretary may insure a loan for purchasing and installing energy conserving improvements (as defined in subparagraph (2) of the last paragraph of section 2(a) of this Act), for purchasing and installing a solar energy system (as defined in subparagraph (3) of the last paragraph of section 2(a) of this Act), and for purchasing or installing (or both) individual utility meters in a multifamily housing project if such meters are purchased or installed in connection with other energy conserving improvements or with a solar energy system or the project meets minimum standards of energy conservation established by the Secretary, without regard to whether the project is covered by a mortgage under this Act.

(2) Notwithstanding the provisions of subsection (b), a loan insured under this subsection shall—

(A) not exceed an amount which the Secretary determines is necessary for the purchase and installation of individual

utility meters plus an amount which the Secretary deems appropriate taking into account amounts which will be saved in operation costs over the period of repayment of the loan by reducing the energy requirements of the project as a result of the installation of energy conserving improvements or a solar energy system therein;

(B) be insured for 90 percent of any loss incurred by the person holding the note for the loan; except that, for cooperative multifamily projects receiving assistance under section 236 or financed with a below market interest rate mortgage insured under section 221(d)(3) of this Act, 100 percent of any such loss may be insured;

(C) bear an interest rate not to exceed an amount which the Secretary determines, after consulting with the Secretary of Energy, to be necessary to meet market demands;

(D) have a maturity satisfactory to the Secretary;

(E) be insured pursuant to a premium rate established on a sound actuarial basis to the extent practicable;

(F) be secured in such a manner as the Secretary may require;

(G) be an acceptable risk in that energy conservation or solar energy benefits to be derived outweigh the risks of possible loss to the Federal Government; and

(H) contain such other terms, conditions, and restrictions as the Secretary may prescribe.

(3) The provisions of subsection (c) shall apply to loans insured under this subsection.

(4) The Secretary shall provide that any person obligated on the note for any loan insured under this section be regulated or restricted, until the termination of all obligations of the Secretary under the insurance, by the Secretary as to rents or sales, charges, capital structure, rate of return, and methods of operations of the multifamily project to such an extent and in such manner as to provide reasonable rentals to tenants and a reasonable return on the investment.

**[(f) [Repealed.]]**

(g)(1) When underwriting a rehabilitation loan under this section in connection with eligible multifamily housing, the Secretary may assume that any rental assistance provided for purposes of servicing the additional debt will be extended for the term of the rehabilitation loan. The Secretary shall exercise prudent underwriting practices in insuring rehabilitation loans under this section. For purposes of this subsection, the term "eligible multifamily housing" means any housing financed by a loan or mortgage that is—

(A) insured or held by the Secretary under section 221(d)(3) of the National Housing Act and assisted under section 101 of the Housing and Urban Development Act of 1965 or section 8 of the United States Housing Act of 1937;

(B) insured or held by the Secretary and bears interest at a rate determined under the proviso of section 221(d)(5) of the National Housing Act; or
