

At the request of the Senate Committee on Finance (Committee), the United States International Trade Commission (USITC) is preparing a report on digital trade in the U.S. and global economies. Your firm was identified as a participant in an industry that is particularly digitally intensive.

In the next few days you will receive a letter requesting that your firm complete a **mandatory** questionnaire related to this fact-finding investigation (USITC Investigation No. 332-540, *Digital Trade in the U.S. and Global Economies, Part 2*). All individual responses will be kept strictly confidential.

The questionnaire will be due back to the USITC by **[DATE]**

More information about this investigation, including the Committee's request and the *Federal Register* notices, may be found at: http://www.usitc.gov/research_and_analysis/What_We_Are_Working_On.htm. If you have questions regarding the questionnaire or this investigation, please contact the project leaders:
