

U.S. OFFICE OF GOVERNMENT ETHICS

Model Qualified Blind Trust Provisions

[For use in the case of an irrevocable pre-existing trust]

The model qualified blind trust agreement contained in this memorandum is made available by the U.S. Office of Government Ethics to attorneys for their use in drafting proposed trust agreements to be submitted for certification pursuant to section 102(f)(3) and (7) of the Ethics in Government Act of 1978 (Pub. L. 95-521, as amended) and subpart D of 5 C.F.R. Part 2634. (Note especially, 5 C.F.R. § 2634.409.) Under the statutory scheme, a trust agreement is not permitted to be recognized as creating an efficacious blind trust arrangement for any purpose under Federal law unless it had been certified by the Office prior to its execution. Proposed trust drafts submitted to the Office for consideration must adhere to the language of the model except to the extent, as agreed to by the U.S. Office of Government Ethics, that variations are required by the unusual circumstances of a particular case. The fiduciaries' certificates of independence must be executed in the exact form indicated.

It is strongly recommended in any case in which the use of a blind trust is contemplated that the Office be consulted as early as possible. Prospective trustees or their representatives should schedule an appointment with the staff of the U.S. Office of Government Ethics for an orientation to the specialized procedures and requirements which have been established by law with respect to blind trust administration prior to the certification of the trust. As a condition of approval by the Office, prospective trustees must exhibit a familiarity with and commitment to the specialized nature of blind trust administration.

For further information, contact the U.S. Office of Government Ethics directly: telephone 202-482-9300, fax 202-482-9237.

Public Burden Information and Paperwork Reduction Statement

This collection of information is estimated to take an average of one hundred hours per response, given the estimated amount of time deemed necessary to structure an actual trust arrangement based in part on this model draft. You can send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Program Counsel, U.S. Office of Government Ethics, Suite 500, 1201 New York Avenue, NW., Washington, DC 20005-3917. Do not send your completed trust document to this address; rather, see the remainder of the instructions to this model draft.

Pursuant to the Paperwork Reduction Act, as amended, an agency may not conduct or sponsor, and no person is required to respond to, a collection of information unless it displays a currently valid OMB control number (that number, 3209-0007, is displayed here and in the upper left-hand corner of the first page of this OGE model qualified trust draft document).
