

BLIND TRUST COMMUNICATIONS

Expedited procedure for securing approval of proposed communications.

Under the requirements of the Ethics in Government Act, the regulations of the U.S. Office of Government Ethics, and the provisions of trust instruments which have been approved by this Office, all communications between the trustee of a qualified trust and the interested parties or their representatives must be in writing and specifically approved by the Director of the U.S. Office of Government Ethics prior to being transmitted. No oral communications are permitted. The only exceptions to the prior approval requirement for written communications relate to quarterly and annual reports conforming to standard formats which are distributed by the trustee.

The most expedient manner of securing prior approval is to transmit a copy of the proposed communication to this Office by fax: **202-482-9237**. Address the cover sheet to the attention of the attorney assigned to your trust.

Our staff is always available to discuss a proposed communication or any other concerns which may arise by telephone: **202-482-9300**. Please direct your telephone calls to the attorney assigned to your trust.
