SUBJECT: Justification for No Material/Non-substantive Change

The information collection burden associated with FNS Final Rule, “National School Lunch Program: Direct Certification Continuous Improvement Plans Required by the Healthy, Hunger-Free Kids Act of 2010” was approved under new ICR #0584-0577 for three years on April 10, 2013. This rulemaking was published in the Federal Register on February 22, 2013 at 76 FR 12221.

The cleared ICR indicated that FNS would merge the 63 burden hours approved under #0584-0577 for the Continuous Improvement Plan Information Collection (IC) with ICR #0584-0026, “Determining Eligibility for Free and Reduced Price Meals.”

The merger (increase) to 0584-0026 has been completed. This request will complete the merger and reduce 0584-0577 from 116 burden hours to 53 burden hours (116 total – 63 hour reduction due to merge = 53 remaining hours).
