Recently, your household participated in a very important study for the U.S. Census Bureau. Someone in your household returned a questionnaire providing us with a telephone number. I'm calling you today to confirm that this telephone number reaches the address we have on file. Is your address:

**555 Main Street
Anytown, XX 99999**

[Interviewer: Refer to the address printed in Step 2 (and any corrections entered in Step 3) of the FH-PS(T) questionnaire]

1. Yes – phone number reaches sample address
2. Yes – phone number reaches sample address with minor address correction needed –
(Interviewer: Enter corrections in space next to address)
3. No – phone number does NOT reach sample address
4. Don't know – Callback needed
5. Refused – Callback needed
6. Other (Specify) _____

Thank you for your participation and for helping us improve our survey and data collection procedures.
