

Appendix Q: Small Group Discussion Electronic Recruitment

Electronic Bulletin Board Ad/Listserve Announcement

HEADING: Seeking youth and young adults who are HIV+ for research study opportunity

We want your opinions about using text messages to help young people living with HIV stay healthy.

Eligible persons take part in a small group interview, with up to 3 other HIV+ young people (15 to 24 years old), lasting up to two hours and receive \$50 for their time and travel.

This research is being done by RTI International with funding from the Health Resources and Services Administration (HRSA).

If you are interested, please call [XXX at 1-800-334-8571 ext. XXXXX] to see if you are eligible.
