National Health Care Interview Survey (NHCIS) Survey Instrument Specifications

The questions in Section 1 are for CATI purposes only and should be treated on the 'dashboard' as a separate form. The CATI interviewer must complete this form and Section 2 before the other form is available to them.

OMB No. 0920-0214
Approval Expires 03/31/2016

The following public burden estimate statement must available as a CATI and Web screen.

Only display on the Main Menu screen.

<p>Assurance of Confidentiality (NOTICE): The Public Health Service Act provides us with the authority to do this research (42 United States Code 242k). All information which would permit identification of any individual, a practice, or an establishment will be held confidential, will be used for statistical purposes only by NCHS staff, contractors, and agents only when required and with necessary controls, and will not be disclosed or released to other persons without the consent of the individual or the establishment in accordance with section 308(d) of the Public Health Service Act (42 USC 242m) and the Confidential Information Protection and Statistical Efficiency Act (PL-107-347). If any federal employee, contractor, or agent knowingly shares identifiable information collected under this pledge of confidentiality with a person not entitled to have it, he or she can be fined up to \$250,000, and/or imprisoned for up to 5 years.</p>	
--	--

Public reporting burden of this collection of

<p>information is estimated to average about 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports, Clearance Officer; Paperwork Reduction Project (0920-0214), 1600 Clifton Rd., MS D-74, Atlanta, GA 30333.</p>

Section 2: Confirm Identity of Eligible Respondent

[RESPONDENT SELF-ADMINISTERED WEB INSTRUMENT (RS-AWI) BEGINS HERE]

The first screen that self respondents will come to depends upon whether or not we have a name for that case. The following instructions should be applied:

- If ALIAS_SA=<blank> go to NAME_V
- If ALIAS_SA ne <blank> go to VSANAME

Initialize SPV_CNTR = 0 when entering this section This counter variable will be used to determine if the respondent is a “match” with the Sample Adult demographic information. Also, determines if the interview continues or not.

English:

SELECT OR ENTER A RESPONSE AND CLICK 'NEXT' TO PROCEED.

Your participation in this research is voluntary. You may choose not to answer any question you don't wish to answer, or end the interview at any time with no impact on the benefits you may receive. On average, the survey will take about 15 minutes to complete. We are required by Federal law to develop and follow strict procedures to protect the confidentiality of your information and use your answers only for statistical research. [I can describe these laws if you wish.](#)

If THANKYOU = 3, display, In appreciation for your time, we will send you \$20 after you complete the interview.

If THANKYOU = 2, display, In appreciation for your time, we will send you \$10 after you complete the interview.

If THANKYOU = 1, do NOT display any text.

[In order to review my work, this call will be recorded and my supervisor may listen as I ask the questions. I'd like to continue now unless you have any questions.](#)

READ IF NECESSARY: The Public Health Service Act is Title 42 of the US Code, Section 242k. The collection of information in this survey is authorized by Section 306 of this Act. Through the National Center for Health Statistics, the confidentiality of your responses is assured by Section 308d of this Act and by the Confidential Information Protection and Statistical Efficiency Act. Would you like me to read the Confidential Information Protection provisions to you?

IF RESPONDENT WOULD LIKE TO HEAR PROVISIONS, READ: The information you provide will be used for statistical purposes only. In accordance with the Confidential Information Protection provisions of Title V, Subtitle A, Public Law 107-347 and other applicable Federal laws, only those NCHS employees, our specially designated agents including the US Census Bureau, and our full research partners who must use your personal information for a specific reason can see your answers. Everyone else who uses this data can do so only after all information that could identify you and your family is removed. By law, every employee of the National Center for Health Statistics, the US Census Bureau, and their agents and contractors who work on this survey has taken an oath and is subject to a jail term of up to 5 years, a fine of up to \$250,000, or both, if he or she willingly discloses ANY identifiable information about you or your household members.

Section 7: Health Insurance

English:

The next questions are about health insurance. Include health insurance obtained through employment or purchased directly, as well as government programs like Medicare and Medicaid that provide medical care or help pay medical bills.

What kinds of health insurance or health care coverage do you have? INCLUDE those that pay for only one type of service (nursing home care, accidents, or dental care). EXCLUDE private plans that only provide extra cash while hospitalized.

If respondent= PLEASE SELECT ALL THAT APPLY.

If interviewer= I will read you a list, please tell me all that apply.
