#### EIDM General Information

Enterprise Identity Management (EIDM) has been established to provide our business partners a means to apply for and receive approval to access our many CMS applications. EIDM also manages the lifecycle of your User ID and password.

#### How to get an EIDM account?

Users registering for EIDM should have received, from their organization or CMS contact, the registration details to be supplied during registration, such as, application role, organization legal business name, taxpayer identification number or their information. Reach out to your CMS contacts if you have not received this information. Select the [New user registration](#) link to apply for and EIDM account.

### Already have a EIDM account?

Once you have an EIDM account, you will be able to Login to:

- Change password every 60 days.
- Modify user and professional contact information.
- Modify application access information.
- Retrieve your User ID.
- Reset your password.
- Re-activate an account.

## Terms and Conditions:

### **Consent to Monitoring**

By logging onto this website, you consent to be monitored. Unauthorized attempts to upload information and/or change information on this web site are strictly prohibited and are subject to prosecution under the Computer Fraud and Abuse Act of 1986 and Title 18 U.S.C. Sec.1001 and 1030. We encourage you to read our [Rules of Behavior](#) for more details.

### **Protecting your Privacy**

Protecting your Privacy is a top priority at CMS. We are committed to ensuring the security and confidentiality of the user registering to EIDM. Please read the CMS [Privacy Act Statement](#) which describes how we use the information you provide.

### **Collection of Personal Identifiable Information (PII)**

"Personal" information is described as data that is unique to an individual, such as a name, address, telephone number, social security number, and date of birth (DOB).

CMS is very aware of the privacy concerns around PII data. In fact, we share your concerns. We will only collect personal information to verify your identity, when you set up an account. Your information will be disclosed to Experian, an external authentication service provider, to help us verify your identity. We will share your Social Security number with Experian only for the purposes of verifying your identity. Experian verifies the information you give us against their records. We may also use your answers to the challenge questions and other PII to later identify you in case you forget or misplace your User ID /Password.
