EMPLOYER REPORT OF SPECIAL WAGE PAYMENTS

PART 1 - TO BE COMPLETED BY SSA/EMPLOYER:

Tax Year	Employee Name	Employee's SSN	SSA Claim Number (To be completed by SSA)
Employer	Address		

PART 2 - TO BE COMPLETED BY EMPLOYER:

Employees are sometimes paid wages in a year subsequent to the year that the wages were earned. The most common types of payments are accumulated (for prior years) vacation pay or sick pay paid after retirement; deferred compensation; severance pay (when paid on account of retirement) and bonuses — paid pursuant to a prior agreement or contract.

Wages which are earned in a year prior to the year they are paid usually do not affect benefits payable under the Social Security annual earnings test. However, for the Social Security Administration to pay benefits accurately, these prior year amounts must be reported to us. The above named individual has filed for Social Security benefits. To ensure that correct Social Security benefits are paid, please complete the information below and return this form to the Social Security Administration. (Please see reverse side for instructions for the completion of this form.)

3. Enter the date that the employee last performed services; was not expected to return to work; and was not subject to recall to render additional services. This date should be the same as or earlier than the date in item "2". Enter "Not Retired" if the employee has not retired.

Generally, the wages earned will be the compensation reported in block 1 of Form W-2 less payment from a nonqualified deferred compensation (or 457) plan, but including any amounts deferred under the plan during the tax year (See IRS Publication 957).
