

Justification for Non-Substantive Change

OMB Number: 1405-0135

DS-3035

J-1 Visa Waiver Application

The Department of State is amending the current language of the DS-3035 to reflect that not all locations and political entities currently listed on the drop-down list as a “Country” are in fact officially recognized as such. In order to ensure flexibility and appropriate designation, the Department is adjusting these references.

Changes being made:

- Changed country reference on Page 11. Indicated Taiwan, distinct from China

- Changed the labels on the following fields on page 11:
 - Country of Birth changed to Place of Birth
 - Citizenship Country changed to Country/Region of Origin
 - Country of Legal Permanent Residence changed to Country/Region of Legal Permanent Residence
 - Country in each changed to Country/Region
- Replaced DIR Address with PRA_BurdenComments@state.gov on pages 11,12,37
- Replaced typo error of 75 minutes burden time to correct time of 60 minutes in PRA statements on pages 11,12,37
