2. USE OF DATA

The data will be used to determine whether the eligibility requirements for obtaining relief have been met.

3. USE OF IMPROVED INFORMATION TECHNOLOGY TO REDUCE BURDEN

We have no plans to offer electronic filing. IRS publication, regulations, notices and letters are to be electronically enabled on an as practicable basis in accordance with the IRS Reform and Restructuring Act of 1998.

4. EFFORTS TO IDENTIFY DUPLICATION

We have attempted to eliminate duplication within the agency wherever possible.

5. METHODS TO MINIMIZE BURDEN ON SMALL BUSINESSES OR OTHER SMALL ENTITIES

8. CONSULTATION WITH INDIVIDUALS OUTSIDE OF THE AGENCY ON AVAILABILITY OF DATA, FREQUENCY OF COLLECTION, CLARITY OF INSTRUCTIONS AND FORMS, AND DATA ELEMENTS

Revenue Procedure 2004-35 was published in the Internal Revenue Bulletin on June 7, 2004 (2004-23 IRB 1029).

In response to the *Federal Register* notice dated July 25, 2013 (78 FR 45014), we received no comments during the comment period regarding RP 2004-35.

9. EXPLANATION OF DECISION TO PROVIDE ANY PAYMENT OR GIFT TO RESPONDENTS

Not applicable.

10. ASSURANCE OF CONFIDENTIALITY OF RESPONSES

Generally, tax returns and tax return information are confidential as required by 26 USC 6103.

11. JUSTIFICATION OF SENSITIVE QUESTIONS

A privacy impact assessment (PIA) has been conducted for information collected under this request as part of the "Individual Master File" and "Customer Account Data Engine" system and Privacy Act System of Records notices (SORN) has been issued for these systems under IRS 24.030—Customer Account Data Engine Individual Master File; IRS 24.046—Customer Account Data Engine Business Master File; IRS 26.009—Lien Files, (open and closed); IRS 26.013—Trust Fund Recovery Penalty Cases; IRS 26.019—Taxpayer Delinquent Account Files, and IRS 34.037—IRS Audit Trail and Security Records System. The Department of Treasury PIAs can be found at <http://www.treasury.gov/privacy/PIAs/Pages/default.aspx>

Title 26 USC 6109 requires inclusion of identifying numbers in returns, statements, or other documents for securing proper identification of persons required to make such returns, statements, or documents.

12. ESTIMATED BURDEN OF INFORMATION COLLECTION

The collections of information in this revenue procedure are in section 4. This information is required to be submitted to the applicable service center in order to obtain relief for late shareholder consents to be a subchapter S corporation. This information will be used to determine whether the eligibility requirements for obtaining relief have been met. The collection of information is required to obtain a benefit. The likely respondents are business or other for-profit institutions. The estimated total annual reporting burden is 200 hours. The estimated annual burden per respondent varies from .5 hours to 7 hours, depending on individual circumstances, with an estimated average burden of 1 hour to complete the statement. The estimated number of respondents is 200.

Estimates of the annualized cost to respondents for the hour burdens shown are not available at this time.

13. ESTIMATED TOTAL ANNUAL COST BURDEN TO RESPONDENTS

As suggested by OMB, our *Federal Register* notice dated July 25, 2013, requested public comments on estimates of cost burden that are not captured in the estimates of burden hours, i.e., estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. However, we did not receive any response from taxpayers on this subject. As a result, estimates of the cost burdens are not available at this time.

14. ESTIMATED ANNUALIZED COST TO THE FEDERAL GOVERNMENT

Not applicable.

15. REASONS FOR CHANGE IN BURDEN

There is a change in the paperwork burden previously approved by OMB. Announcement 2005-4, reflects the correction of a math error found in Rev. Proc. 2004-35. The estimated total annual reporting burden is changed to 200 hours.

We are making this submission to renew the OMB approval.

16. PLANS FOR TABULATION, STATISTICAL ANALYSIS AND PUBLICATION

Not applicable.

17. REASONS WHY DISPLAYING THE OMB EXPIRATION DATE IS INAPPROPRIATE

See attachment.

18. EXCEPTIONS TO THE CERTIFICATION STATEMENT ON OMB FORM 83-I

Not applicable.

Note: The following paragraph applies to all of the collections of information in this submission:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

OMB EXPIRATION DATE

We believe the public interest will be better served by not printing an expiration date on the form(s) in this package.

Printing the expiration date on the form will result in increased costs because of the need to replace inventories that become obsolete by passage of the expiration date each time OMB approval is renewed. Without printing the expiration date, supplies of the form could continue to be used.

The time period during which the current edition of the form(s) in this package will continue to be usable cannot be predicted. It could easily span several cycles of review and OMB clearance renewal. In addition, usage fluctuates unpredictably. This

makes it necessary to maintain a substantial inventory of forms in the supply line at all times. This includes supplied owned by both the Government and the public. Reprinting of the form cannot be reliably scheduled to coincide with an OMB approval expiration date. This form may be privately printed by users at their own expense. Some businesses print complex and expensive marginally punched continuous versions, their expense, for use in their computers. The form may be printed by commercial printers and stocked for sale. In such cases, printing the expiration date on the form could result in extra costs to the users.

Not printing the expiration date on the form(s) will also avoid confusion among taxpayers who may have identical forms with different expiration dates in their possession.

For the above reasons we request authorization to omit printing the expiration date on the form(s) in this package.
