<p>PLUG HEADPHONES INTO THE COMPUTER. POSITION LAPTOP IN FRONT OF THE CHILD.</p> <p>SAY: Now you are going to use the computer to tell us a little more about yourself. The computer will read some sentences and questions to you while you listen on the headphones [HOLD UP HEADPHONES].</p> <p>SAY: Then you will pick the answer that best describes you by touching your answer on the computer screen [TOUCH THE MIDDLE OF THE COMPUTER SCREEN WITH ONE FINGER]. If you don't want to pick an answer, you don't have to.</p>	<p>ECLS-K:2011 Pilot Test (modified)</p>
<p>POINT TO THE VOLUME CONTROL BUTTONS ON THE BOTTOM RIGHT CORNER OF THE COMPUTER SCREEN.</p> <p>SAY: To make the sound louder, [POINT TO THE RIGHT BUTTON] press the right button. To make the sound softer, [POINT TO THE MIDDLE BUTTON] press the middle button. If you want to turn the sound off, just turn the volume all the way down.</p> <p>SHOW THE CHILD HOW TO ADJUST THE SIZE OF THE HEADPHONES.</p> <p>SAY: Once you put the headphones on, you will hear directions about what to do. Do you have any questions? [PAUSE 23 SECONDS AND ANSWER ANY QUESTIONS.]</p> <p>SAY: Ok, go ahead and put these headphones on now. [HAND THE CHILD THE HEADPHONES.] Do the headphones fit OK? [ADJUST HEADPHONES IF NECESSARY.]</p>	<p>ECLS-K:2011 Pilot Test (modified)</p>

<p>Hello. Before we begin, let's make sure the volume on the headphones is right for you. This is how loud it will be when the sentences are read to you. If it is too loud or too soft please change the volume now or ask for help.</p> <p>In a minute, sentences will appear on the screen, and they will be read to you along with a list of answers.</p> <p>Think about each sentence and decide how well it describes you. Once you've decided, touch your answer on the computer screen. You can touch your answer even if the computer is still reading to you.</p> <p>For these questions, there are no right or wrong answers, and all your answers are private. No one will be told the answers that you pick. And remember, be sure your answers tell me about YOU.</p> <p>Please touch the "Next" button and move to the next screen.</p>	ECLS-K:2011 Pilot Test (modified)
<p>For each sentence, decide how well it describes you. Is the sentence "Not at all true; A little bit true; Mostly true; or Very true" for you?</p> <p>A student, Maria, has already given an answer for one sentence to show you how to do it. The sentence read to Maria was</p> <p>I am neat and tidy.</p> <p>Maria touched the button on the screen with the answer "A little bit true" because she is not very neat, but she is not very messy either.</p> <p>Please touch the "Next" button and move to the next screen.</p>	ECLS-K:2011 Pilot Test (modified)
<p>If you want to change an answer, touch the "Erase" button and then touch the new answer you want to pick.</p> <p>If you want to go back and change any of the answers you already gave, touch the "Back" button and move to the past screen. Once there, touch the "Erase" button and then touch the new answer you want to pick.</p> <p>Now, let's practice. Listen to the following statement. Choose the answer that best describes you. After you choose, remember to touch the "Next" button.</p> <p>I like to watch TV.</p>	ECLS-K:2011 Pilot Test (modified)

<p>Great, thank you for practicing with me.          One last thing before we begin: If there is a question that you do not want to answer, just touch the "Next" button to skip over it. When you touch the "Next" button without answering, the computer will ask if you want to skip the question, just to make sure you didn't skip the question by accident.          Please touch the "Next" button and move to the next screen.</p>	<p>ECLS-K:2011 Pilot Test (modified)</p>
