

INSTRUCTIONS FOR SCHEDULE 310, VESSEL OPERATING STATEMENT

A federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a current valid OMB Control Number. The OMB Control Number for this information collection is 2133-0005. Public reporting for this collection of information is estimated to be approximately 1 hour per response, including the time for reviewing instructions, completing and reviewing the collection of information. All responses to this collection of information are voluntary. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: Information Collection Clearance Officer, Maritime Administration, MAR-390, 1200 New Jersey Avenue, SE, Washington, DC 20590.

The information below, required by 46 CFR Part 382.2(b)(8,9), is to be completed on the Schedule 310. This information must be completed annually for the prior calendar year. While not all line items on the Schedule 310 are required by the bulk preference rule, its completion in its entirety is appreciated.

Do not fill in shaded areas.

The following items are required:

- Period:** January 1 to December 31 of the prior calendar year.
- Vessel type:** List vessel type and vessel name(s).
- Operating Days:** Any day on which a vessel or barge unit is in a seaworthy condition fully manned, and whether in operation or standing ready to begin operations.
