**Reason for emergency extension request**

The Department is seeking emergency extension, approval date 10/31/2013, of the Paperwork Reduction Act requirements contained in the Technical Processing Requirements for Multifamily Project Mortgage Insurance to extend the expiration date (60) days, from 10/31/2013 to 12/2013, to prepare the final documents for review and approval by the Office of Management and Budget, (OMB).

The emergency extension is necessary to prepare the 30 day Federal Register Notice and upload the final documents into the OMB's ROCIS system for review and approval. The delay in processing is attributed to an unexpected event, the recent Federal Government shutdown.
