Loan Advances made under the Loan Agreement with interest. Interest will
be charged on unpaid principal at the rate of _____ percent (____ %) per year
until the full amount of principal has been paid. The interest rate may
change in accordance with Paragraph 5 of this Note. Accrued interest shall
be added to the principal balance as a Loan Advance at the end of each
month.

3. PROMISE TO PAY SECURED

Borrower's promise to pay is secured by a mortgage, deed of trust or
similar security instrument that is dated the same date as this Note and

"Current Index" means the most recent Index figure available 30 days before the Change Date. If the Index (as defined above) is no longer available, Lender will use as a new Index any index prescribed by the Secretary. Lender will give Borrower notice of the new Index.

(C)Calculation of Interest Rate Changes

Before each Change Date, Lender will calculate a new interest rate by adding a margin of percentage points (____%) to the current Index. /2 Subject to the limits stated in Paragraph 5(D) of this Note, this amount will be the new interest rate until the next Change Date.

(D)Limits on Interest Rate Changes

The interest rate will never increase or decrease by more than two percentage points (2.0%) on any single Change Date. The interest rate will never be more than five percentage points (5.0%) higher or lower than the initial interest rate stated in Paragraph 2 of this Note.

(E)Notice of Changes

Lender will give notice to Borrower of any change in the interest rate. A new interest rate calculated in accordance with paragraphs 5(C) and 5(D) of this Note will become effective on the Change Date, unless the Change Date occurs less than 25 days after Lender has given the required notice. If the interest rate calculated in accordance with Paragraphs 5(C) and 5(D) of this Note decreased, but Lender failed to give timely notice of the decrease and applied a higher rate than the rate which should have been stated in a timely notice, then Lender shall recalculate the principal balance owed under this Note so it does not reflect any excessive interest.

6.BORROWER'S RIGHT TO PREPAY

A Borrower receiving monthly payments under the Loan Agreement has the right to pay the debt evidenced by this Note, in whole or in part, without charge or penalty on the first day of any month. Otherwise, a Borrower has the right to pay the debt evidenced by this Note, in whole or in part, without charge or penalty after giving Lender two weeks notice. Any amount

of debt prepaid will first be applied to reduce the principal balance of the Second Note described in Paragraph 11 of this Note and then to reduce the principal balance of this Note.

All prepayments of the principal balance shall be applied by Lender as follows:

First, to that portion of the principal balance representing aggregate payments for mortgage insurance premiums;

Second, to that portion of the principal balance representing aggregate payments for servicing fees;

Third, to that portion of the principal balance representing accrued interest due under the Note; and

Fourth, to the remaining portion of the principal balance. A Borrower may specify whether a prepayment is to be credited to that portion of the principal balance representing monthly payments or the line of credit.
