

NATIONAL ENDOWMENT FOR THE ARTS

INSTRUCTIONS FOR REQUESTING PAYMENT

Revised September 2012

OVERVIEW:

Preparing Your Request: To request your grant funds, you must complete a **Request for Advance or Reimbursement (Payment Request)** form, which is available online at www.arts.gov/manageaward. Follow the instructions below carefully. Don't forget to confirm that your [SAM registration](#) (formerly known as CCR) is current; payment cannot be made to an organization whose status is not active.

Tracking Your Request: You can check to see if we have received your payment request (as well as access other information about your award) online. Simply go to www.arts.gov/mygrant and enter your 10-digit grant number.

Receiving Your Funds: If your payment request form is completed correctly, you can generally expect to receive payment within 30 days from the date it was submitted. Please plan accordingly.

STEP BY STEP INSTRUCTIONS:

These instructions are provided to assist you in completing this form. The availability of this information is not intended to replace or relieve you of your responsibility to read the standard instructions for Federal grant recipients provided in the [Office of Management and Budget \(OMB\) Circulars](#). In addition, if you receive your payments through an alternative method of funding (i.e., working capital advance, cost reimbursement or certification), please refer to the instructions previously provided by the Endowment's Office of Inspector General. If you choose to create your own copy of our form, you must replicate it verbatim including the certification to the [Assurances as to Labor Standards](#) on page 2 of the form.

Section 1. The agency's name is completed for you.

Section 2. Enter the **10-digit Grant Number** from your grant award letter (e.g., 12-XXXX-XXXX).

Section 3. Type of Payment Requested:

- a. Check **ADVANCE** if you wish to receive Federal funds for expenditures you expect to incur and pay within 30 days (or less) from the date you sign this form.

Check **REIMBURSEMENT** if you are asking the Endowment to reimburse you for expenditures already paid for this grant.

Check **both** if you are requesting a **combined** reimbursement and advance.

All costs must be incurred within the period of support indicated on your award letter (or as amended).

- b. Check **FINAL** if this will be the last (or only) payment you are requesting on this grant; otherwise check **PARTIAL**.

Section 4. Indicate the method used to record costs in your accounting ledgers. (If you are not sure, ask your Finance office or bookkeeper.)

If you recognize expenses only as you pay them, check **CASH**.

If you recognize expenses before paying them, check **ACCRUED EXPENDITURES**.

Section 5. If this is your first payment request for this grant, enter "1." For your second, enter "2," etc.

Section 6. You **must** enter your "**Taxpayer Identification Number**" (also known as "Employer Identification Number"). This nine-digit number is assigned to your organization by the Internal Revenue Service (IRS).

Section 7. Indicate the expenditure **period covered by this payment request.**

*This is not the same as the overall period of support stated in your award letter. This expense period must fall **within** the stated period of support, since Endowment funds cannot be used for costs incurred outside of your grant period without an approved time amendment. Do not expect to receive any funds before the start date of your grant.*

The "**From**" date should reflect the earliest date for which the costs reported were incurred. Remember, this date can be no earlier than the first date of your period of support.

The "**To**" date can be no more than 30 days from the date you sign this form. And, it cannot be later than the last date of your period of support.

Section 8. Enter the **official IRS name and the address** of your organization.

For universities and large organizations, this should be the official grantee name, not the "on behalf of" organization or other component.

Section 9. Computation of Amount Requested:

Round your payment request to the nearest dollar and consolidate requests so that the amount of Federal funds requested at any one time is at least \$1,000. If you are drawing down funds in installments, remember that each subsequent request must reflect cumulative expenditures, and any NEA funds previously received for the award.

- a. **Total project outlays to date:** Enter all allowable project costs that have been incurred and/or paid as of the date listed.

Report actual expenditures; do not simply reiterate your original budget. All costs claimed must be allowable and appropriate expense documentation (e.g., contracts, receipts, invoices, payroll records, cancelled checks, etc.) must be maintained and available for submission upon request. Refer to the General Terms and Conditions for your award and the Financial Management Guide on the [Manage Your Award](#) section of our website for more information.

- b. **Estimated net cash outlays needed for 30-day advance:** Include funds here only if you are requesting an advance of Endowment funds to cover expenses to be incurred within 30 days or less from the date you sign this form. If no advance is needed, leave this as zero.

- c. **Total:** The sum of line a plus line b will calculate automatically.

- d. **Recipient share of amount on line c:** Enter the total amount of non-Endowment funds (aka, your share or "the match") represented in the amount on line c.

- e. **Endowment share of amount on line c:** The form will calculate the difference between line c and line d. However, the Endowment share cannot exceed the amount of your award.

- f. **Endowment payments previously requested:** Enter all Endowment funds previously requested for this grant. You can use the payment history at www.arts.gov/mygrant to confirm the amount(s) previously received.

- g. **Endowment share now requested:** Line g will automatically calculate based upon the previous fields. This is the amount you are now requesting. Remember, these funds must be disbursed immediately upon receipt.

Section 10. Progress Report. Unless otherwise stated in the blue Reporting Requirements that were included in your award package, a progress report is required only once during the grant period. It must be provided the first time the **cumulative amount requested exceeds two-thirds of the grant amount**. We will not be able to process your payment request if it is not accompanied by the required and acceptable progress report.

The progress report can be brief (sufficient for the space provided in the box) and should include a description of all activities supported by the grant that have been undertaken since the grant period start date, and a list of grant-supported activities scheduled for the remainder of the grant period. If you are submitting your payment request in conjunction with your Final Report materials, you may refer to the Final Descriptive Report as your progress report.

Section 11. Authorizing Official. All requests must be submitted by an Authorizing Official.

For parent organizations of approved independent components, this Authorizing Official must be a representative of the **parent** organization.

Colleges and universities may **delegate authority to a fiscal officer** to submit payment requests. If the Endowment cannot verify the name and title of the individual submitting a request via the organization’s website, etc., the grantee should provide written authorization to the Grants & Contracts office confirming the person’s role and authority.

For additional information about Authorizing Officials, see item 16 of the [General Terms](#).

Submission of a payment request indicates that the grantee agrees to **all** the terms and conditions of the grant, including the Assurance as to Labor Standards outlined on page 2 of the request form.

The complete text of 29 CFR Part 505 Labor Standards on Projects or Productions Assisted by Grants from the National Endowments for the Arts and Humanities is available online [here](#).

Section 12. Bank Information. You **must** complete this section in order to receive your grant funds. Funds will be transferred electronically to your bank and deposited directly into your account as an automated clearing house payment.

The sample check below will assist you in identifying your routing and account numbers. The **Routing Number (RTN)** must be nine digits.

Sample Check

Note: These numbers may be in slightly different places on your check. Please contact your financial institution to verify the correct routing and account numbers.

*Additional tips: If the first two digits of the RTN are not 01 through 12 or 21 through 32, the direct deposit may be rejected. Your check may state that it is payable through a bank different from the financial institution at which you have your checking account. If so, do not use the routing number on that check. Contact your financial institution for the correct routing number. The checking account number can be up to 17 digits (no letters). Include hyphens but omit spaces and special symbols. Do **not** include the check number. Funds can only be transferred directly to an ACH checking or savings account.*

It is important to make sure that your bank's ACH RTN and your bank account numbers are correct on each payment request form you submit. An incorrect number will prevent your bank from crediting your account. We do not retain your banking information and will not be able to transfer account information from a previous request.

To verify receipt of funds, **call your bank**, not the Endowment. You must ask your bank if they received an ACH payment (do not use any other term) to your account.

SUBMITTING YOUR REQUEST:

You may **FAX** or **E-MAIL** your requests to the Grants & Contracts Office at:

Go to www.arts.gov/mygrant and input your award number. A date in the “Date Received” column confirms we have received your request. Once it is approved, a date will appear under “Date Approved” and the funds requested will appear under "Amount". You can expect payment shortly.
