Partnership Agreements INTERIM REPORTING REQUIREMENTS FOR EXTENDED GRANTS

Although your Partnership Agreement has been extended you are required to submit an INTERIM descriptive report, with all available data, by the original Final Descriptive Report due date (90 days after the grant original end-date) to the NEA and National Assembly of State Arts Agencies (NASAA). The interim data allows the NEA and NASAA to keep the state and regional database current and respond to Congressional and media inquiries with more complete and up-to-date information.

Note: NEA future grants will not be awarded to State Arts Agencies that are delinquent in submitting the required interim descriptive report.

The interim descriptive report consists of the following,

- **DETAIL section, TOTALS page, and Data Sequencing Form:** include all available fields and data you have at the time that the interim report is due. (This is the listing of your activities in National Standard format. The share field information is critical because it allows us to document the reach of Federal funds.) On activities for which grants have been awarded, but not completed, provide information for fields 1-17, 21-24, and 29-32.
- **Folk Arts Partnership Narrative Requirement:** only if applicable, provide a brief update on folk arts activities.
- **Interim Report Questions:** answer the 5 questions on the next page about the status of the available data.

SUBMIT TO NASAA: For instructions on how to submit the **INTERIM** report to NASAA see www.nasaa-arts.org/Research/Planning-and-Accountability/National-Standard-Reference-Center/.

Include the following,

- DETAILS Section – electronic format.
- TOTALS page.
- Data Sequence Form, and
