

PARTNERSHIP AGREEMENTS - STATE ARTS AGENCIES
FINAL DESCRIPTIVE REPORT
 Grants Numbers 13-6100-2xxx

Introduction:

Attached are the instructions and required format for the **Final Descriptive Report (FDR)** for State Arts Agencies' (SAA) Partnership Agreements. The format is designed to facilitate accountability, analysis of information about arts agencies, and cooperation among state arts agencies, regional groups, and the Endowment through information exchange. You are required to use this format in reporting on all Partnership Agreement activities.

The FDR consists of the **DETAIL** section, **TOTALS** page, **Data Sequencing Form**, and if applicable, **Narrative Requirement** for Folk Arts Partnership funds.

- **DETAIL** – a list of all grants, awards, and activities carried out under the Partnership Agreement.
- **TOTALS** – a chart of actual project cost including administrative expenses and source of funds.
- **Data Sequencing Form (Part 1)** – cover sheet for the DETAIL section.
- **Folk Arts Partnership Narrative Requirement (Part 2)** – a brief summary of folk arts activities (only applicable if Folk Arts Partnership funds are included on the grant letter).

A list of definitions for the **FDR Data Fields** is incorporated into the instructions.

The Partnership Agreement must be matched one to one (dollar for dollar) unless otherwise noted on your award letter or through an amendment. The **TOTALS** page and the **Federal Financial Report (FFR)** is used to verify that the required match has been met. Federal funds, direct or indirect, cannot be used to match the Partnership Agreement.

Report only on allowable activities/costs funded through your Partnership Agreement – including awards and programmatic activities.

If you have questions or would like assistance completing this report, please call the State and Regional staff at (202) 682-5430.

DETAIL SECTION INSTRUCTIONS & DEFINITIONS

You are reporting on Partnership Agreement activity and costs. This includes subawards and any other allowable expenses included in the approved project budget. These are expenses covered by NEA funds and matching funds.

To complete the **DETAIL** section, create an electronic data file that includes all fields that constitute an award record per the **FDR Data Fields List** in "Attachment 1."

Instructions and definitions for each field are given below. The definitions, for the most part, come from the National Standard for Arts Information Exchange.

The structure of the data file should be explained in the **Data Sequencing Form** to allow NEA to certify your data file.

New definition fields are highlighted in **yellow**.

1. For each grant, award, and/or activity that you are reporting, complete a record that includes all of the data fields from the **FDR Data Fields List**.
 - a. For each blank that requires a number, fill in only one number.
 - b. If data is not available enter "-1" or leave blank. Do not use zero for this purpose. Zero should only be used numerically.
2. List the records for each grant, award, and/or activity on which you are reporting as described below:
 - a. activity for which there is an application and award process, regardless of the funding source. Information on non-funded applications is not a part of NEA reporting requirements.
 - b. other program activities of your agency (for example, publication of a newsletter, sponsorship of a statewide meeting, technical assistance, etc.).

Records may be listed in any order. You may find it convenient to list applications and awards by arts discipline, grant program, or alphabetically. However, the individual data fields must be in the prescribed sequence.

Reminder: the **DETAIL** section is submitted in electronic format.

Additional instructions are available at,

If the grant or activity is not designated to represent or reach any one particular group, choose code "99."

<u>Code</u>	<u>Characteristics for Project</u>
A:	Asian individuals
B:	Black/African American individuals
H:	Hispanic/Latino individuals
N:	American Indian/Alaska Native individuals
P:	Native Hawaiian/Pacific Islander individuals
W:	White individuals
99:	No single group

18. Actual Individuals Benefiting (National Standard GMS field #126)

The total number of individuals who were directly involved in the funded activity throughout the grant period. Include project participants such as artists as well as non-artist project participants and audience members. Figures should encompass only those individuals directly affected by or involved in the funded activity, and should include the totals from the Artists Participating and Youth Benefiting fields. Include actual audience numbers based on paid/free admissions or seats filled. Avoid inflated numbers, and do not double-count repeat attendees. If actual figures or reliable estimates cannot be secured, leave this field blank or enter a "-1" to indicate that data are not available.

19. Actual Artists Participating (National Standard GMS field #128)

Actual number of artists directly involved in providing artistic services specifically identified with the award. Include living artists whose work is represented in an exhibition regardless of whether the work was provided by the artist or by an institution. If no artists participated enter 0.

Coding should reflect the racial/ethnic characteristics of the grantee. For **individuals**, grantees may select **any combination** of the following that apply:

<u>Characteristics for Individuals</u>	<u>Code</u>
Asian	A
Black/African American	B
Hispanic/Latino	H
American Indian/Alaska Native	N
Native Hawaiian/Pacific Islander	P
White	W

This is most easily determined by allowing the grantee to identify his or her race.

For **organizations**, grantees should code themselves based on the predominant group of which their staff or board or membership (not audience) is composed. Use the list below. Organizations should choose the **one** code that best represents 50 percent or more of their staff or board or membership:

<u>Code</u>	<u>Characteristics for Organizations</u>

Indicate below how many organizations of each type participated in the funded activities during the period of support. An organizational partner is an outside entity that provides resources (more than money) that support a project or special initiative. Because all NEA and SAA/RAO grants require matching resources, organizations that only provided money are not considered partners.
