

# Sea Grant Constituent Engagement Survey

## Introduction

The **Sea Grant** mission is to understand and predict changes in the Earth's environment and conserve and manage coastal and marine resources to meet our nation's economic, social and environmental needs. To improve the quality of Sea Grant's engagement with the public we invite you to complete this survey based on your experiences with Sea Grant during the past two years. During this time period, Sea Grant has operated under the following four mission goal areas: ecosystems, climate, weather and water, and commerce and transportation. Individual survey responses will be compiled in a summary of aggregated results and will be used to help Sea Grant improve its engagement with you. The survey should take no more than 15 minutes to complete.

### **Do you use Sea Grant products, services and information?**

**Paperwork Reduction Act Information:** In accordance with Executive Order 12862, the National Performance Review, and good management practices, Sea Grant offices seek to determine whether their customers are satisfied with the services and/or products they are receiving and whether they have suggestions as to how the services/products may be improved or made more useful. The information will be used to improve Sea Grant's products and services. Responses to this survey are completely voluntary. No confidentiality can be provided for responses, but you need not supply your name or address. Public reporting burden for this collection of information is estimated to average 15 minutes per response. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Sarah Brabson, CIO-PPA1, Station 9826, 1315 East-West Highway, Silver Spring, MD 20910.

Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number.
