

Electronic Submission of Food and Drug Administration Adverse Event Reports and Other Safety Information Using the Electronic Submission Gateway and the Safety Reporting Portal - Control No. 0910-0645

Sample Screen Shots for Livestock Food Reports

The screenshot shows a web browser window titled "Safety Reporting Portal - Windows Internet Explorer". The address bar displays the URL: <https://www.staging.safetyreporting.hhs.gov/fpsr/WorkflowSidebar/O.aspx?metinstance=A7F6B944DBB37DC0C9BF54081D33BFAECD004AF7>. The browser's menu bar includes File, Edit, View, Favorites, Tools, and Help. The address bar also shows a search engine (Google) and a "Convert" button. The browser's toolbar includes a home button, a search bar, and various navigation icons. The main content area of the browser displays the "Safety Reporting Portal" website. The website has a header with a navigation menu: HOME, FAQs, RELATED LINKS, CONTACT US, FEEDBACK, HELP, LOGOUT. Below the header, there is a "Welcome K. Atkinson" message. The main content area is titled "Introduction" and contains the following text:

***=Required**

You have chosen to submit a **Livestock Food Safety Report** to the FDA. Please be advised that under 18 U.S.C. 1001, anyone who makes a materially false, fictitious, or fraudulent statement to the U.S. Government is subject to criminal penalties.

This report has up to six sections. After you answer the questions on this page, you may complete the other pages in any order. The amount of time required to complete this report will vary depending upon the information you have to provide. As you complete each field, your responses are automatically saved. To submit this report, you must complete all required fields that are marked with a red asterisk.

Report Identifying Information

***Enter a title to help you identify this report**

Please note, you must answer the following question before you can advance to another section of the report.

***What type of report are you submitting?**

Adverse Event (a symptom, reaction or disease associated with the product)

Product Problem (an observed or detected product issue or defect that has the potential to cause harm)

Both

At the bottom of the form, there are three buttons: "Save Draft", "Exit", and "Submit Report". A "Next >" button is also visible. The footer of the page contains the following text:
