Start Measures

A structural measure reflects the environment in which providers care for patients. Structural measures assess characteristics linked to the capacity of the provider to deliver quality healthcare. CMS believes requesting structural measures information will encourage facilities to increase the use of tools, ultimately improving the quality of care provided to Medicare beneficiaries.

IPF HBIPS-2 Measure Example Screens

The screenshot displays the CMS QualityNet user interface. At the top, there are navigation tabs for Alerts (1), Notifications (0), Help, Log Out, and a search bar. Below the navigation is a breadcrumb trail: Home > Quality Programs > Inpatient Quality Reporting > Manage Measures. The main content area is titled 'Measures' and includes a 'Start' button and a 'Measures' tab. A message prompts the user to 'Select the structural measure you would like to update and click Continue.' Below this, there are fields for Provider (with a barcode), CCN, NPI, and Submission Period (07/01/2013 - 08/15/2013). The section is titled 'Inpatient Psychiatric Facility: Web-Based Measures' and states '0 of 5 item(s) have been completed.' A table lists the structural measures with their completion status and actions.

Select	Structural Measure	Completed	Actions
<input type="radio"/>	Data Accuracy And Completeness Acknowledgement		
<input checked="" type="radio"/>	HBIPS-2 (Hours of Restraint Use)		
<input type="radio"/>	HBIPS-3 (Hours of Seclusion Use)		
<input type="radio"/>	HBIPS-4/HBIPS-5 (Patients Discharged on Multiple Antipsychotic Medications/Patients Discharged on Multiple Antipsychotic Medications with Appropriate Justification)		
<input type="radio"/>	HBIPS-6 (Post Discharge Continuing Care Plan Created)		
<input type="radio"/>	HBIPS-7 (Post Discharge Continuing Care Plan Transmitted to Next Level of Care Provider Upon Discharge)		

At the bottom of the table area is a large 'CONTINUE' button. The footer contains a 'QualityNet Home' button, the CMS QualityNet logo, and a small text block: 'A federal government website managed by the Centers for Medicare & Medicaid Services, 7500 Security Boulevard, Baltimore, MD 21244'. On the right is the Department of Health and Human Services logo. Below the footer is a 'QualityNet Helpful Links' section with links to: [About CMS QualityNet](#), [About QualityNet](#), [QualityNet Accessibility Statement](#), [QualityNet Privacy Policy](#), and [QualityNet Terms of Use](#).

These screen shots are for the Web-Based Data Collection function, which is expected to go live as part of the Hospital Reporting tool set by June 27, 2013. These screen shots are mock-ups of the expected functionality, which is still in development, and may not be fully representative. A paper-based form will also be submitted in the PRA package.
