INSTRUCTIONS TO THE APPLICANT

This form must be PRINTED by the applicant and each question answered completely and accurately. If a question does not apply to you, write "N/A" (Not Applicable) as your response to that question. Incomplete and/or inaccurate answers will substantially extend the time required to process your application. If the Personal History Statement is incomplete and/or not notarized, it will be returned to you and you will not move forward in the process until the application is in compliance with the instructions provided herein. **The date of the notary seal must match the date of your signature on the last page and must be completed prior to the date you submit the form to the United States Park Police.**

The information you provide in this Personal History Statement will be used in the investigation into your background to assist in determining your suitability for the position for which you have applied. Please fill out the questionnaire completely and accurately. Keep in mind that:

1. the completion of this form is mandatory in order for you to receive consideration for appointment;
2. all Statements are subject to verification;
3. deliberate inaccuracies or incomplete Statements may bar or remove you from employment consideration;
4. all time periods in your background must be accounted for; and
5. no changes to the document are permitted after it is notarized.

It is to your advantage to respond openly. Any negative factor contained in the information provided by you will be evaluated in terms of the circumstances and facts surrounding it and its degree of relevance to the job. On the other hand, you may be removed from further consideration if you intentionally make a false Statement of material fact or intentionally omit a material fact or if you practice or attempt to practice any form of deception or fraud in this Statement.

The employment application form requests specific information. It is in your best interest to answer all of the questions. The U.S. Criminal Code, Title 18 U.S.C. 1001, provides that knowingly falsifying or concealing a material fact is a felony that may result in fines of up to \$10,000 or 5 years in prison, or both. Under 5 U.S.C. 8315, a false answer to questions relating to membership in the Communist Party, U.S.A., or other communist or fascist organizations could deprive you of your right to an annuity when you reach retirement age. Deliberately and materially making false or fraudulent Statements on this form will be grounds for not granting you a security clearance and not hiring you or for firing you after you begin work. In addition, these violations will become part of your permanent record for future employment.

If additional space is required for an answer to any question, use the continuation sheet found on the back of each answer sheet for that question, or provide your remarks on bond paper at the end of the section. Be sure to identify each entry on the continuation sheet(s) with the appropriate section and question number.

*** THE LAST PAGE OF THIS DOCUMENT MUST BE SIGNED AND NOTARIZED ***

Paperwork Reduction Act Statement. We collect this information to help us determine your suitability for the position of a United States Park Police Officer. Your obligation to respond is required to obtain the position of a United States Park Police Officer. A Federal agency may not conduct or sponsor and you are not required to respond to a collection of information unless it displays a valid OMB control number. We estimate that it will take you 8 hours to complete this form, which includes time to review instructions, search information sources, and gather and report the information. You may send comments on the time estimate and other aspects of this information collection to the Information Collection Clearance Officer, National Park Service, 1849 C Street, NW. Disclosure: Furnishing this information is voluntary; however, failure to furnish the requested information may delay or prevent the completion of your background investigation, which may remove you from the hiring process and you will not be able to obtain the services, benefits, or processes that you are seeking.

Information Regarding Disclosure of your Social Security Number (SSN) Under Public Law 93-579, Section 7(b) - Solicitation of SSNs by the Office of Personnel Management (OPM) is authorized under provisions of the Executive Order 9397, dated November 22, 1943. The SSN is used as an identifier throughout your Federal career from the time of application through retirement. It will be used primarily to identify your records with the Office of Personnel Management and other Federal agencies in connection with lawful requests for information about you from former employers, educational institutions, and financial or other organizations. The information gathered through the use of the SSN will be used only as necessary in personnel administration processes carried out in accordance with established regulations and published notices of system of records. The SSN also will be used for the selection of persons to be included in statistical studies of personnel management matters. The use of the SSN is made necessary because of the large number of present and former Federal employees and applicants who have identical names and birth dates, and whose identities can only be distinguished by the SSN.
