

U.S. DEPARTMENT OF  
**ENERGY** **LOAN PROGRAMS OFFICE**  
**Online Application Portal**

Welcome to the U.S. Department of Energy's Loan Guarantee Program Online Application Portal. The Loan Guarantee Program provides financing for important clean energy projects and advanced energy technologies. The program helps accelerate the commercial use of clean energy sources and technologies, which will reduce greenhouse gas emissions and air pollutants, create jobs, promote economic development, and produce a more stable and secure domestic energy supply.

This on-line application system is designed to guide you through the development and submission of a loan or loan guarantee application.

After filling out the four fields on the new applicant screen, the portal will send an email to the address entered. You will need to click the link in the email in order to activate your account. Upon clicking the link, you will be returned to the login page, where you can now login as a returning user.
