- Public reporting burden for this collection of information is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Office of the Chief Information Officer, Records Management Division, IM-23, Paperwork Reduction Project (1910-5141), U.S. Department of Energy, 1000 Independence Ave SW, Washington, DC, 20585-1290; and to the Office of Management and Budget (OMB), OIRA, Paperwork Reduction Project (1910-5141), Washington, DC 20503.
- In furtherance of the objectives of the Better Buildings Challenge, the Department of Energy (DOE) intends to publicly post information submitted in response to this template on the Better Buildings Challenge website. Information submitted to DOE will be handled in accordance with all applicable federal laws, rules, or regulations, including but not limited to the Trade Secrets Act, 18 U.S.C. §1905, and the Freedom of Information Act (FOIA), 5 U.S.C. §552, and DOE's implementing regulations at 10 CFR 1004. Participation in the Better Buildings Challenge is voluntary. **Do not include any personal or confidential commercial and financial information in response to this template.** Commercial and financial information is considered to be confidential when its release would be likely either to harm the submitter's commercial interests or to affect the agency's ability to obtain information in the future. This statement serves as your written notice that DOE intends to publicly post this information. By submitting information in response to this template, you are certifying that this information does not contain confidential commercial or financial information.
