Materially Inaccurate Information – OMB Control Number 3041-0146

Complete this form to claim that a Report contains information that is false or misleading, and which is so substantial and important as to affect a reasonable consumer's decision-making about the product.

Do you want an expedited review? No Yes

Your claim should be:

- submitted before the anticipated Report publication date; and
- no more than five pages, including attachments

Inaccurate Information Specifically identify the exact portion(s) of the Report claimed to be materially inaccurate. You may copy and paste the exact portion(s) of the Report claimed to be materially inaccurate.

Basis for Allegation Please explain the basis for the allegation that such information is materially inaccurate.

State What Relief You Are Seeking Please state whether you are seeking exclusion of the entire Report, redaction of specific information, correction of specific information, or the addition of information to correct the claimed material inaccuracy.

Correcting without removing or excluding CPSC favors correction over exclusion of entire Reports. State whether and how the alleged material inaccuracy can be corrected without removing or excluding the entire Report.

Provide Supporting Evidence You bear the burden of proof to demonstrate that the claimed information in the Report is materially inaccurate. Provide evidence to support your claim, which may include documents, statements, e-mail, Internet links, photographs, or any other evidence sufficient for CPSC to make a determination that the designated information is materially inaccurate.

Register as a Small Batch Manufacturer

If you would like to register with CPSC as a Small Batch Manufacturer, please respond to the following:

- For purposes of classification as a Small Batch Manufacturer for calendar year 2013, I attest under penalty of law that, in calendar year 2012, I made no more than \$1 million in total gross revenue from sales of all consumer products of each entity that I control, am controlled by, or am under common control with.
- For purposes of classification as a Small Batch Manufacturer for calendar year 2013, I attest under penalty of law that, in calendar year 2012, I manufactured no more than 7,500 units of the [covered product](#) that qualifies my company for Small Batch Manufacturer registration. I understand that my registration is only effective for those products where no more than 7,500 units of the same product were manufactured in the previous calendar year.
- NOTICE: By checking this box, I acknowledge that my business name, city, and state (or country/province) will be made available to the public as part of CPSC's Small Batch Manufacturers' Registry unless, within fifteen calendar days of my registration, I provide CPSC written notification pursuant to [section 6](#) of the Consumer Product Safety Act to Todd Stevenson, 4330 East West Highway, Bethesda, Maryland, 20814-4408, or by email to tstevenson@cpsc.gov. For more information on what this written notification must contain, please click [here](#).
