Appendix B: Peer Counselor Background Questionnaire

OMB Control#: 0584-0548 Expiration Date: xx/xx/20xx

Breastfeeding Peer Counselor Questionnaire

As part of the WIC Breastfeeding Peer Counseling Study for the U.S. Department of Agriculture, Food and Nutrition Service (FNS), we are asking Peer Counselors participating in the study to complete this short questionnaire. The purpose of this questionnaire is to learn about the characteristics of breastfeeding peer counselors who work with WIC participants. We estimate that it will take you 15 minutes to complete this questionnaire.

You and your WIC agency's name and location will not be identified in reports prepared for this study or in data files provided to FNS. None of your responses will be released in a form that identifies you or any staff member at your agency by name, except as required by law. Please note that this study is not part of an audit or management review of WIC.

Your participation in this questionnaire is completely voluntary. You are not required to complete this questionnaire and no one at your WIC agency will penalize you if you decide not to answer these questions. To help us protect your privacy, please read and follow the instructions below.

INSTRUCTIONS

- 1. Please read and sign the WHITE copy of the Consent Form on the next page <u>before</u> answering any items on this questionnaire. If you do not wish to participate, do not sign the consent form.
- 2. When you finish please put the WHITE copy of the Consent Form and the questionnaire in the Study Envelope.
- 3. Seal the envelope closed and then give it to your supervisor. If you prefer, you may drop it in any U.S. Postal Service mailbox. No postage is required.
