PRIVACY IMPACT ASSESSMENT (PIA)

DoD Information System/Electronic Collection Name:

DefenseReady (formally Basic Employee And Securty Tracking (BEAST))

DoD Component Name:

Defense Information Systems Agency

SECTION 1: IS A PIA REQUIRED?

a. Will this Department of Defense (DoD) information system or electronic collection of information (referred to as "electronic collection" for the purpose of this form) collect, maintain, use, and/or disseminate personally identifiable information (PII) about members of the public, Federal personnel, contractors or foreign nationals employed at U.S. military facilities internationally? Choose one option from the choices below. (Choose (3) for foreign nationals).

☐ (1) Yes, from members of the general public.

☒ (2) Yes, from Federal personnel * and/or Federal contractors.

☐ (3) Yes, from both members of the general public and Federal personnel and/or Federal contractors.

☐ (4) No

* "Federal personnel" are referred to in the DoD IT Portfolio Repository (DITPR) as "Federal employees."

b. If "No," ensure that DITPR or the authoritative database that updates DITPR is annotated for the reason(s) a PIA is not required. If the DoD information system or electronic collection is not in DITPR, ensure that the reason(s) are recorded in appropriate documentation.

c. If "Yes," then a PIA is required. Proceed to Section 2.

SECTION 2: PIA SUMMARY INFORMATION

a. Why is this PIA being created or updated? Choose one:

☐ **New DoD Information System** ☐ **New Electronic Collection**

☒ **Existing DoD Information System** ☐ **Existing Electronic Collection**

☐ **Significantly Modified DoD Information System**

b. Is this DoD information system registered in the DITPR or the DoD Secret Internet Protocol Router Network (SIPRNET) IT Registry?

☒ **Yes, DITPR** Enter DITPR System Identification Number 3620

☐ **Yes, SIPRNET** Enter SIPRNET Identification Number

☐ **No**

c. Does this DoD information system have an IT investment Unique Project Identifier (UPI), required by section 53 of Office of Management and Budget (OMB) Circular A-11?

☐ **Yes** **Enter UPI**

If unsure, consult the Component IT Budget Point of Contact to obtain the UPI.

☒ **No**

d. Does the DoD information system or electronic collection have a Privacy Act System of Records Notice (SORN)?

A Privacy Act SORN is required if the information system or electronic collection contains information about U.S. citizens or lawful permanent U.S. residents that is retrieved by name or other unique identifier. PIA and Privacy Act SORN information should be consistent.

☒ **Yes** **Enter Privacy Act SORN Identifier** KWHC-08

DoD Component-assigned designator, not the Federal Register number. Consult the Component Privacy Office for additional information or access DoD Privacy Act SORNs at: http://www.defenselink.mil/privacy/notices/

or

Date of submission for approval to Defense Privacy Office
Consult the Component Privacy Office for this date.

☐ **No**

e. Does this DoD information system or electronic collection have an OMB Control Number?
Contact the Component Information Management Control Officer or DoD Clearance Officer for this information. This number indicates OMB approval to collect data from 10 or more members of the public in a 12-month period regardless of form or format.

☐ **Yes**

Enter OMB Control Number

Enter Expiration Date

☒ **No**

f. Authority to collect information. A Federal law, Executive Order of the President (EO), or DoD requirement must authorize the collection and maintenance of a system of records.

(1) If this system has a Privacy Act SORN, the authorities in this PIA and the existing Privacy Act SORN should be the same.

(2) Cite the authority for this DoD information system or electronic collection to collect, use, maintain and/or disseminate PII. (If multiple authorities are cited, provide all that apply.)

(a) Whenever possible, cite the specific provision of the statute and/or EO that authorizes the operation of the system and the collection of PII.

(b) If a specific statute and/or EO does not exist, determine if an indirect statutory authority can be cited. An indirect authority may be cited if the authority requires the operation or administration of a program, the execution of which will require the collection and maintenance of a system of records.

(c) DoD Components can use their general statutory grants of authority ("internal housekeeping") as the primary authority. The requirement, directive or instruction implementing the statute within the DoD Component should be identified.

The authority allows DefenseReady to collect the following data:

- 5 U.S.C. 301, Departmental Regulation;
- DoD 5200.2, DoD Personnel Security Program
- E.O. 9397 (SSN), as amended

g. Summary of DoD information system or electronic collection. Answers to these questions should be consistent with security guidelines for release of information to the public.

(1) Describe the purpose of this DoD information system or electronic collection and briefly describe the types of personal information about individuals collected in the system.

Information is voluntarily provided by the members to be contained in a database called DefenseReady. Full access to this database is restricted to only members of the Security directorate with limited access granted to others in the agency that needs to pull information from member's profile. Information is collected for the purpose of keeping track of all badge WHCA military, government civilian or contractor personnel.

(2) Briefly describe the privacy risks associated with the PII collected and how these risks are addressed to safeguard privacy.

Risks: The security risks associated with maintaining data in an electronic environment have been mitigated through administrative technical, and physical safeguards described in this document. The safeguards in place are commensurate with the risks and magnitude of harm resulting from the loss, misuse, or unauthorized access to or modification of the data.

h. With whom will the PII be shared through data exchange, both within your DoD Component and outside your Component (e.g., other DoD Components, Federal Agencies)? Indicate all that apply.

☒ **Within the DoD Component.** Specify

Defense Information Systems Agency (DISA), White House Military Office (WHMO) and White House Communications Agency (WHCA).

☐ **Other DoD Components.** Specify

☐ **Other Federal Agencies.** Specify

☐ **State and Local Agencies.** Specify

☐ **Contractor** (enter name and describe the language in the contract that safeguards PII.) Specify

☐ **Other** (e.g., commercial providers, colleges). Specify

i. Do individuals have the opportunity to object to the collection of their PII?

☐ Yes ☒ No

(1) If "Yes," describe the method by which individuals can object to the collection of PII.

(2) If "No," state the reason why individuals cannot object.

If the member objects to the release of the PII information, they cannot be considered for Presidential Support Duty (PSD) and therefore not be hired by WHCA.

j. Do individuals have the opportunity to consent to the specific uses of their PII?

☐ Yes ☒ No

(1) If "Yes," describe the method by which individuals can give or withhold their consent.

(2) If "No," state the reason why individuals cannot give or withhold their consent.

If the member objects to the release of the PII information, they cannot be considered for Presidential Support Duty (PSD) and therefore not be hired by WHCA.

k. What information is provided to an individual when asked to provide PII data? Indicate all that apply.

☒ **Privacy Act Statement**

☐ **Privacy Advisory**

☐ **Other**

☐ **None**

Describe each applicable format.

The system is covered by a Privacy Act system of records notice, KWHC-06, entitled "Personnel Security Files."

NOTE:

Sections 1 and 2 above are to be posted to the Component's Web site. Posting of these Sections indicates that the PIA has been reviewed to ensure that appropriate safeguards are in place to protect privacy.

A Component can restrict the publication of Sections 1 and/or 2 if they contain information that would reveal sensitive information or raise security concerns.
