MEMORANDUM FOR: Office of the DoD Chief Information Officer (ATTN: Ms. Leah Loeffert, Business Analyst)

SUBJECT: DMDC Review of Information Assurance and Scholarship Program (IASP) Surveys: OMB Submission

As requested, DMDC has reviewed the subject study protocol and its supporting materials as part of the OMB submission process through WHS. The concerns raised in our reviews have been adequately addressed. This letter updates an earlier DMDC recommendation for approval letter to include our review of additional changes. Our recommendation to WHS/ESD is that the study protocol and the data collection materials are sufficiently designed and developed in order to be sent forward as required to obtain OMB approval for a Public Information Collection.

The point of contact for this review is Dr. Paul Rosenfeld, 571-372-0987, paul.rosenfeld.civ@mail.mil.
