## IN THIS FACILITY

### OTHER NURSING HOME OR REHABILITATION CENTER:

Nursing homes are licensed or certified facilities that provide nursing services 24 hours a day to the residents. Rehabilitation centers provide skilled nursing care or rehabilitation services and other related health services.

### PERSONAL CARE HOME/OTHER RESIDENTIAL CARE FACILITY:

Personal care and residential care facilities or apartment buildings offer residents help with activities, such as bathing and dressing, but do not provide 24-hour nursing services. (Some residents at a personal care or residential care facility may not require such assistance, but it must be available to them.) These facilities are sometimes called assisted-living communities, personal care homes, board and care homes, or domiciliary homes.

### CCRC OR RETIREMENT HOME OR CENTER:

CCRC and retirement centers or homes may have nursing home facilities on a campus or in one large building along with other housing and services, such as apartments, board and care services, and often a variety of community-based long-term care services.
