

Revisions Crosswalk (CMS Form Number: CMS-10495)

DE#	Data element name	Action to be performed	Changes to the registration data elements	Reason for the change
Data elements collected to register physicians covered recipients				
9	Ownership/ Investor Indicator	Delete	Data element is deleted.	Applicable manufacturers and applicable group purchasing organizations are required to report physicians' ownership or investment interests, as opposed to physicians reporting if they are an owner or investor.
Data elements collected to register teaching hospitals				
8	Verify Authorized Official's relationship with teaching hospital	Addition	Verify Authorized Official's relationship with teaching hospital data element is added.	Provide information to verify the Authorized Official's relationship with the teaching hospital. This is an optional field, which will assist in verifying the Authorized Official has the authority to register the teaching hospital.
Data elements collected to register applicable manufacturers and applicable group purchasing organizations				
20	Points of contact	Addition	Applicable manufacturers and applicable group purchasing organizations are required to provide identifiers for two points of contact, including the name, job title, email address, and phone number for each point of contact.	Identifying two points of contact for an applicable manufacturer and applicable group purchasing organization will assist in effective communication between the Open Payments system and applicable manufacturers and applicable group purchasing organizations. The two points of contacts identified may be the same individuals fulfilling an officer, attestor or submitter role for the applicable manufacturer or applicable group purchasing organization.
15	Verify Authorized Official's relationship with applicable	Addition	Verify Authorized Official's relationship with applicable manufacturer or applicable group purchasing organization data element is added.	Provide information to verify the Authorized Official's relationship with the applicable manufacturer or applicable group purchasing organization. This is an optional field, which will assist in verifying the Authorized Official has authority to register the entity, nominate and

	manufacturer or applicable group purchasing organization			approve additional individuals to work on behalf of the applicable manufacturer or applicable group purchasing organization.
Data elements collected to register authorized representatives and authorized officials				
1	Registration ID	Addition	Applicable manufacturers, applicable group purchasing organizations, and teaching hospitals' authorized representatives may use an entity's registration ID when entering the Open Payments System.	A registration ID will be assigned to an applicable manufacturer, applicable group purchasing organization, and teaching hospital after the entity is successfully registered. The registration ID may be used by authorized officials and authorized representative when entering the Open Payments system.
2	Nomination ID	Addition	Applicable manufacturers, applicable group purchasing organizations, teaching hospitals, and physicians authorized representatives may use an entity's registration ID when entering the Open Payments System.	A nomination ID will be assigned to authorized representatives nominated to work on behalf of applicable manufacturers, applicable group purchasing organizations, teaching hospitals, and physicians. The nomination ID may be used by authorized representatives when entering the Open Payments system.
