DS-4213 PRESIDENT'S EMERGENCY PLAN FOR AIDS RELIEF (PEPFAR) PROGRAM EXPENDITURES

[OMB No. 1405-0208; OMB approval expires 11/05/2014; Burden-24 hours]

Public reporting burden for collection of this information is estimated to average 24 hours per response, including time required for searching existing data sources, gathering the necessary documentation, providing the information and/or documents required, and reviewing the final collection. You do not have to supply this information unless this collection displays a currently valid OMB control number. If you have comments on the accuracy of this burden estimate and/or recommendations for reducing it, please send them to: Office of the US Global AIDS Coordinator (S/GAC) U.S. Department of State, SA-29, 2nd Floor, Washington, DC 20522-2920.

PERSONAL INFORMATION

This site is only accessible to authorized PROMIS users with an assigned user identifier and associated password. All transmissions to and from the PROMIS application are protected and secured via SSL encryption. PROMIS tracks and associates the following information with each user:

- User name (to ensure a user is uniquely identified within PROMIS)
- User operating unit (to limit data access to only those Countries in PROMIS associated with your PROMIS account)
- User organization (to limit access to only those elements of PROMIS data relevant to your organization)
- User email address (to support user notifications such as a notice for a required password change, a notice to review the site terms of use, etc.)
- User roles & privileges (used to further limit access to only those PROMIS functional capabilities and elements of PROMIS data that are relevant to your role within your organization)
- Each user log-on session to include log-in time and log-out time (to assess the appropriateness of your access to the PROMIS web site)
- Each PROMIS data element entered, updated, or deleted by you in the course of your interactions with PROMIS (to track PROMIS data change history, to assess inappropriate PROMIS data changes, and to provide a means to identify data that may need to be corrected at a future date)

The PROMIS hosting services provider also tracks information to support site performance to include:

- The browser used when accessing PROMIS
- The time & date of each visit to the PROMIS log-in page
- The PROMIS web pages visited
- The address of the web site visited immediately prior to visiting the PROMIS web site
- Any malicious actions against the PROMIS web service.

Your information will not be disclosed, given, sold, or transferred unless required for law enforcement or otherwise required by law. The PROMIS website is maintained by the U.S. Government and is protected by various provisions of Title 18, U.S. Code. Violations of Title 18 are subject to criminal prosecution in Federal court.

USE OF COOKIES

When interacting with the PROMIS website, the PROMIS website maintains both session-based and persistent "cookies" on your browser. PROMIS session-based cookies store text information temporarily in your computer's random access memory (RAM) while you are using PROMIS. When you close your web browser, these cookies are removed. PROMIS persistent cookies store information for a longer period and are used to identify returning PROMIS users.

HIPAA PRIVACY RULE NOTICE

The PROMIS website does not collect or maintain individually identifiable Protected Health Information (PHI). While PEPFAR Partners may have access to such information from their health service provider Sub-Partners in-Country, PROMIS provides for entry of only aggregated results by pre-defined health indicator. PROMIS maintains no

Purpose

- PROMIS is the PEPFAR Reporting and Organizational Management Information System
- PEPFAR is the President's Emergency Plan For AIDS Relief
- PROMIS supports PEPFAR Program data collection, reporting and analysis for Country Teams and their Partners

PROMIS Development History

- The PEPFAR Tanzania Country Team sponsored the initial design, development & implementation of PROMIS in support of Semi -Annual/Annual Progress Reporting (SAPR/APR) data collection, de-duplication, reporting & analysis
- The PEPFAR/Office of the Global AIDS Coordinator (OGAC) sponsored expansion of PROMIS functionality in support of the PEPFAR Expenditure Analysis reporting initiative

Site Audience

- This site supports U.S. Government Country Team users in foreign nations to include:
 - The U.S. Department of Defense (DoD)
 - The U.S. Department of State (DoS)
 - The U.S. Health and Human Services Centers for Disease Control and Prevention (HSS/CDC)
 - The Peace Corps
 - The U.S. Agency for International Development (USAID)
- This site also supports U.S. Government Partners assisting in accomplishing PEPFAR Program goals to include:
 - Prime Partners under contract to a U.S. Agency and their Sub-Partners
 - Non-Government Organizations (NGOs) receiving U.S. grants or matching funds
 - Facilities providing in-Country health services
 - International health organizations
 - National Ministries of Health and Development

Site access

- This site is only accessible via HyperText Transmission Protocol Secure (HTTPS) channels

Site Operations & Management

- CTC, Inc. has responsibility for the day-to-day operation of the PROMIS production web site
- Northrop Grumman Information Systems, Public Health Division has responsibility for maintaining the PROMIS application and th is associated web site

Site Access Technical Requirements

- This site has been tested to operate properly with the following browsers; results using browsers other than these cannot be guaranteed:
 - Windows: Internet Explorer 6.0+, Firefox 3.5+
 - Mac OS X: Firefox 3.5+
- JavaScript must be enabled on your web browser to utilize the features of the PROMIS site

Terms of Use

By accessing, browsing, or using this website, you acknowledge that you have read, understood, and agree to be bound by these terms and to comply with all applicable laws and regulations.

Warning

This is a United States Government Computer network for use by authorized users only. Use by unauthorized persons, for personal business is prohibited and constitutes a violation of 18 USC 1030 and other federal laws. Unauthorized access or use of this computer system may subject violators to criminal, civil and/or administrative actions. Individuals using this computer network or any connected system, without authority, or in excess of their authority are subject to having all of their activities monitored and recorded by system personnel. In the course of monitoring individuals improperly using this system, or in the course of system maintenance, the activities of authorized users may also be monitored. Furthermore, law enforcement officials may be authorized to access and collect evidence from this system. Anyone using this system expressly consents to such monitoring and is advised that if such monitoring reveals possible evidence of criminal activity, system personnel may provide the evidence of such monitoring to law enforcement officials. There is no right to privacy on this system. Please report suspected violations or security problems to your Information Systems Security Officer.

Disclaimer of Warranty

Use of this site is at your sole risk. All materials, information, products, software, programs, and services are provided "as is," with no warranties or guarantees whatsoever. PROMIS expressly disclaims to the fullest extent permitted by law all express, implied, statutory, and other warranties, guarantees, or representations, including, without limitation, the warranties of merchantability, fitness for a particular purpose, and non-infringement of proprietary and intellectual property rights. Without limitation, PROMIS makes no warranty or guarantee that this website will be uninterrupted, timely, secure, or error-free. You understand and agree that if you download or otherwise obtain materials, information, products, software, programs, or services, you do so at your own discretion and risk and that you will be solely responsible for any damages that may result, including loss of data or damage to your computer system.

Limitation of Liability

In no event will PROMIS be liable to any party for any direct, indirect, incidental, special, exemplary or consequential damages of any type whatsoever related to or arising from this web site or any use of this web site, or for the use, uploading or downloading of, or access to, any materials, information, products, or services, including, without limitation, loss of goodwill, any lost profits, business interruption, lost savings or loss of programs or other data or any other intangible loss, even if PROMIS is expressly advised of the possibility of such damages. This exclusion and waiver of liability applies to all causes of action, whether based on contract, warranty, tort, or any other legal theories.

Exclusions and Limitations

Some jurisdictions do not allow the exclusion of certain warranties or the limitation or exclusion of liability for certain damages. Accordingly, some of the above disclaimers and limitations of liability may not apply to you. To the extent that PROMIS may not disclaim any implied warranty or limit its liability, as a matter of applicable law, the scope and duration of such warranty and the extent of PROMIS liability shall be the minimum permitted under such applicable law.

DS-4213 PRESIDENT'S EMERGENCY PLAN FOR AIDS RELIEF (PEPFAR) PROGRAM EXPENDITURES

[OMB No. 1405-0208; OMB approval expires 11/05/2014; Burden-24 hours]

Public reporting burden for collection of this information is estimated to average 24 hours per response, including time required for searching existing data sources, gathering the necessary documentation, providing the information and/or documents required, and reviewing the final collection. You do not have to supply this information unless this collection displays a currently valid OMB control number. If you have comments on the accuracy of this burden estimate and/or recommendations for reducing it, please send them to: Office of the US Global AIDS Coordinator (S/GAC) U.S. Department of State, SA-29, 2nd Floor, Washington, DC 20522-2920.

PERSONAL INFORMATION

This site is only accessible to authorized PROMIS users with an assigned user identifier and associated password. All transmissions to and from the PROMIS application are protected and secured via SSL encryption. PROMIS tracks and associates the following information with each user:

- User name (to ensure a user is uniquely identified within PROMIS)
- User operating unit (to limit data access to only those Countries in PROMIS associated with your PROMIS account)
- User organization (to limit access to only those elements of PROMIS data relevant to your organization)
- User email address (to support user notifications such as a notice for a required password change, a notice to review the site terms of use, etc.)
- User roles & privileges (used to further limit access to only those PROMIS functional capabilities and elements of PROMIS data that are relevant to your role within your organization)
- Each user log-on session to include log-in time and log-out time (to assess the appropriateness of your access to the PROMIS web site)
- Each PROMIS data element entered, updated, or deleted by you in the course of your interactions with PROMIS (to track PROMIS data change history, to assess inappropriate PROMIS data changes, and to provide a means to identify data that may need to be corrected at a future date)

The PROMIS hosting services provider also tracks information to support site performance to include:

- The browser used when accessing PROMIS
- The time & date of each visit to the PROMIS log-in page
- The PROMIS web pages visited
- The address of the web site visited immediately prior to visiting the PROMIS web site
- Any malicious actions against the PROMIS web service.

Your information will not be disclosed, given, sold, or transferred unless required for law enforcement or otherwise required by law. The PROMIS website is maintained by the U.S. Government and is protected by various provisions of Title 18, U.S. Code. Violations of Title 18 are subject to criminal prosecution in Federal court.

USE OF COOKIES

When interacting with the PROMIS website, the PROMIS website maintains both session-based and persistent "cookies" on your browser. PROMIS session-based cookies store text information temporarily in your computer's random access memory (RAM) while you are using PROMIS. When you close your web browser, these cookies are removed. PROMIS persistent cookies store information for a longer period and are used to identify returning PROMIS users.

HIPAA PRIVACY RULE NOTICE

The PROMIS website does not collect or maintain individually identifiable Protected Health Information (PHI). While PEPFAR Partners may have access to such information from their health service provider Sub-Partners in-Country, PROMIS provides for entry of only aggregated results by pre-defined health indicator. PROMIS maintains no

Notification

The latest Data Quality Report for Mechanism:
Columbia University: Columbia [New83] (12033).pdf
Needs to be generated. You will receive an email alert when the report is available in PROMIS (on your Home page), or if any issues arise in report generation.

Okay

The DQR is generated on server side & transmitted to user via email to avoid any session timeout issues if a current version does not already exist for this Mechanism
