

Institutions Participating in the Small Business Lending Fund

INSTRUCTIONS

Treasury appreciates your institution's accurate and timely completion of this survey. Completion of this survey is required by Section 3.1(c)(ii)(D) of your Securities Purchase Agreement. This survey includes questions about your institution's small business lending policies and practices, its use of SBLF funding, and its efforts to engage in outreach activities with respect to small business lending. The survey questions are directed towards activities that have occurred over the year ended June 30, 2013. The information requested in this survey is not reported on your institution's call reports and cannot be calculated from information reported on those call reports. **Please answer all questions completely and accurately.**

DEFINITIONS

Small business lending: For the purpose of this survey, small business lending means the "Qualified Small Business Lending" that your institution reports on the Supplemental Reports it submits to Treasury. Such lending includes business loans that are (a) \$10 million or less in amount to businesses with \$50 million or less in revenue and (b) included in one of the following categories: (i) commercial and industrial loans, (ii) owner-occupied nonfarm, nonresidential real estate loans, (iii) loans to finance agricultural production and other loans to farmers, and (iv) loans secured by farmland; in each case, subject to the adjustments for Qualified Small Business Lending provided for in the Supplemental Reports.

Applications for loans or credit lines: Applications submitted for new, renewal, increases in outstanding, or extensions of outstanding loans (or credit lines) that your institution considered over the past year and that, if approved and funded, would qualify for small business lending.

New and increases in outstanding loans or credit lines: New loans (or credit lines) or increases in the dollar value of existing loans (or credit lines) that your institution approved and funded over the past year and that qualify as small business lending.

Renewals or extensions of outstanding loans or credit lines: Renewed loans (or credit lines) or extensions in the term of existing loans (or credit lines) your institution approved and funded over the past year and that qualify as small business lending.

SUBMISSION OF THIS SURVEY

Please submit this Lending Survey by **December [x], 2013** by electronically entering the report data directly into the Report and emailing the completed copy to Treasury at SBLFComplSubmissions@treasury.gov. For institutions using digital signatures, the completed electronic survey is submitted as a single document. For institutions using handwritten signatures, both the completed electronic survey and a scanned copy of the entire survey, including the signature page, must be submitted.

FREEDOM OF INFORMATION ACT

Please note that any information submitted by participants may become subject to public disclosure pursuant to the terms of the Freedom of Information Act, 5 U.S.C. 552 (FOIA) and its exemptions. Nevertheless, Treasury's FOIA regulation, 31 C.F.R. 1.1 et seq., provides that, in certain cases, businesses that submit information to Treasury shall receive notice of a pending FOIA request for that information, as well as an opportunity to object to the disclosure of any or all of that information on the grounds that the information either qualifies for withholding under FOIA Exemption 4. See 31 C.F.R. 1.6.

To facilitate this business submitter notification process, Treasury encourages respondents to designate any such information that they believe, in good faith, is subject to FOIA Exemption 4. Such designations will help Treasury to recognize instances in which business submitter notification may be appropriate. Treasury reserves sole discretion to determine whether such designated information indeed qualifies for business submitter notification and, ultimately, whether it qualifies for withholding pursuant to FOIA Exemption 4. If you wish to identify any information in this survey that you believe is subject to FOIA Exemption 4, please identify that information and the reasons for your request on attached pages.

QUESTIONS

Please email SBLFinstitutions@treasury.gov if you have any questions regarding the completion of this survey.

The Federal Government may not collect, and the public is not required to respond to, a collection of information that does not display a currently valid OMB Control Number. The control number for this collection is 1505-0246. The public reporting burden for this information collection is estimated to average 8 hours per response, including time to gather and maintain data in the required form and to review instructions and complete the information collection. This information collection is set to expire on 08/31/2015.

Small Business Lending Fund – Lending Survey

Part I. Small Business Lending Policies

For **Questions 1-5**, please select one button in each row that most closely describes the change in lending policies or lending demand. Please do not select more than one button in any given row.

Questions 1-3 request information regarding changes in your institution's small business lending policies over the year ended June 30, 2013. If your institution's small business lending policies have not changed over the year, please report them as unchanged even if the policies are either restrictive or accommodative relative to longer-term norms. If your institution's policies have tightened or eased over the year, please report them, regardless of how they stand relative to longer-term norms. Also, please report changes in enforcement of existing policies as changes in policies.

- 1) Over the year ended June 30, 2013, how have your institution's credit standards for approving applications for loans (or credit lines) that qualify as small business lending—other than those used to finance mergers and acquisitions—changed?

Small Business Lending Fund – Lending Survey

Questions 6-10 ask about your institution's practices regarding applications for and approvals of loans (or credit lines) that qualify as small business lending over the year ended June 30, 2013.

6) For applications for loans (or credit lines) that qualify as small business lending and that your institution **did not** approve over the year ended June 30, 2013, how significant were the following possible obstacles?

	Not significant	Somewhat significant	Very significant
a) Collateral – applicants lacked the assets required for use as security			
b) Returns – applicants did not generate high enough returns to attract risk investors or had insufficiently high levels of profitability, liquidity, or stability			
c) Risks – applicants lacked satisfactory business plans or were risky for other reasons			
d) Other (specify): _____			

7) This question asks for information on loans (or credit lines) that your institution considered or approved and funded over the year ended June 30, 2013 and that qualify as small business lending. The information requested is from your institution's lending data on the volume of loans (or credit lines) it considered or approved and funded from July 1, 2012 to June 30, 2013. Like other questions on this survey, the information requested in this question is not reported on your institution's call reports and cannot be calculated from information reported on those call reports. The definition of small business lending is included on the first page of this survey. Among other things, this definition excludes any government guaranteed portion of loans (or credit lines).

Small Business Lending Fund – Lending Survey

8) Over the year ended June 30, 2013, estimate the percentage of the total dollar value of loans (or credit lines) that qualify as small business lending that your institution has approved and funded in each of the following categories of businesses, as defined by the North American Industry Classification System (NAICS). Please include owner-occupied nonfarm, nonresidential real estate loans (or credit lines) that qualify as small business lending in the industry category in which the occupant participates. The sum of the percentages should total 100 percent.

a) Manufacturing	%
b) Construction	%
c) Transportation	%
d) Communication	%
e) Wholesale trade	%
f) Retail trade	%
g) Service	%
h) Agricultural	%
i) Other (specify): _____	%
Total	%

9) Over the year ended June 30, 2013, estimate the percentages of the total dollar value of loans (or credit lines) that qualify as small business lending and that your institution has approved and funded that are secured by collateral and those that are not. The sum of the percentages should total 100 percent.

a) Secured by collateral	%
b) Unsecured by collateral	%
Total	%

For those loans (or credit lines) made by your institution over year ended June 30, 2013 that are secured by collateral, estimate the percentages of those loans in each of the following categories. For loans (or credit lines) that are secured by more than one type of collateral, please include these in all categories that apply. The sum of the percentages may exceed 100 percent.

a) Secured by business-owned real estate collateral	%
b) Secured by business-owned non-real estate collateral	%
c) Secured by personal collateral	%
d) Other (specify): _____	%

Part II. Use of SBLF Funding

Treasury understands that the cash associated with SBLF funding may not be readily distinguishable from other cash sources and that your institution may need to estimate how the SBLF funding was deployed or how many SBLF dollars were allocated to each use.

10) Over the year ended June 30, 2013, what action(s) was your institution able to take that your institution may not have taken without the SBLF funding? Please select all responses in the following chart that apply to your institution. In the space below the chart, elaborate on each action(s) as appropriate.

a) Increase <u>small business lending</u> or reduce it by less than otherwise would have occurred	
b) Increase <u>other business lending</u> or reduce it by less than otherwise would have occurred	
c) Increase <u>other non-business lending</u> or reduce it by less than otherwise would have occurred	
d) Increase securities purchased (e.g., ABS, MBS)	
e) Make other investments	
f) Increase reserves for non-performing assets	
g) Reduce borrowings	
h) Increase charge-offs	
i) Purchase another financial institution or purchase assets from another financial institution	
j) Held as non-leveraged increase in total capital (i.e., strengthened capital position)	
k) Pay dividends or redeem outstanding equity or debt	
l) Other (specify): _____	

For each action(s) your institution selected above, please estimate the magnitude and elaborate as appropriate, especially if the action(s) has changed over the year ended June 30, 2013.

Small Business Lending Fund – Lending Survey

11) As of June 30, 2013, for each of the following categories of loans (or credit lines), has your institution increased its small business lending by greater than, less than, or about the same amount as it expected at the time it applied for the SBLF investment?

	Greater than expected	Less than expected	About the same
a) Commercial and industrial			
b) Owner-occupied nonfarm, nonresidential real estate			
c) Agricultural production			
d) Secured by farmland			
e) Overall small business lending			

For those categories of loans (or credit lines) in which your institution's lending was "greater than expected" or "less than expected," please describe the reasons for this outcome.

Part III. Small Business Outreach Activities

Per Section 4103(d)(8) of the Small Business Jobs Act of 2010, SBLF participants are required to provide linguistically and culturally appropriate outreach and advertising describing the availability and application process of receiving loans through the use of print, radio, television, or electronic media outlets that target organizations, trade associations, and individuals that represent or work with or are (a) members of minority communities, (b) women, and/or (c) veterans.

12) Over the year ended June 30, 2013, which of the following outreach and advertising activities designed to target small businesses owned by members of minority communities, women, and/or veterans has your institution engaged in? Please select all responses in the following chart that apply to your institution or select "(g)" for no activities.

a) Paid advertisement or notices in print, radio, TV, or electronic media communications	
b) Outreach to media outlets, press, or reporters	
c) Membership or participation in community organizations and/or trade associations	
d) Distributing marketing materials targeted to these groups	
e) Hiring or training staff to conduct outreach to these groups	
f) Other (specify): _____	
g) No activities	

13) Please estimate your institution's total expenditures over the year ended June 30, 2013 associated with outreach and advertising activities to small businesses. Your estimate should include expenditures on activities designed to target small businesses owned by members of minority communities, women, and/or veterans. Separately, estimate the dollar value of your institution's total expenditures that were designed to target small businesses owned by members of minority communities, women, and veterans, respectively. For activities designed to target more than one of these groups, divide the expenditures between the groups as appropriate.

a) Dollar value of total expenditures on outreach and advertising activities that target small businesses	\$
b) Dollar value of expenditures in (13a) that target small businesses owned by members of minority communities	\$
c) Dollar value of expenditures in (13a) that target small businesses owned by women	\$
d) Dollar value of expenditures in (13a) that target small businesses owned by veterans	\$

Please describe the outreach and advertising activities designed to target small businesses owned by members of minority communities, women, and/or veterans that your institution engaged in.

Part IV. Repayment of SBLF Funding

14) If your institution has completed a partial redemption to date, please describe the reasons for doing so below.

--

15) Please estimate the calendar quarter and year in which your institution anticipates fully redeeming Treasury's investment and exiting the SBLF program. If your institution does not anticipate redeeming Treasury's investment, please indicate this and leave blank questions (16) and (17).

Calendar Quarter	
Year	

16) What factor(s) most influence your institution's anticipated timing for exiting the SBLF program? Please select all responses in the following chart that apply to your institution.

a) Dividend or interest rate rises to 9 percent after the initial period (or 13.8 percent for S corps and mutuals)	
b) Current dividend or interest rate is unattractive	
c) Lack of opportunities to deploy capital due to small business loan demand	
d) Other (specify): _____	

17) When your institution exits the SBLF program, how does it plan to replace the SBLF capital? Please select all responses in the following chart that apply to your institution.

a) Plan to replace capital through an equity offering	
b) Plan to replace capital with retained earnings	
c) Will not need to replace SBLF capital as we presently hold surplus capital	
d) Other (specify): _____
