Your answers to the questions below are needed to prepare reliable State and National cattle on feed statistics to be published in the December 20, 2013 Cattle on Feed Report.

The data are collected and published as a service to the cattle industry and may assist in planning and adjusting your cattle feeding operations. Your report is needed even though you may not currently have cattle on feed. Please mail your report in the enclosed envelope.

Please make corrections to name, address and Zip Code, if necessary.

The information you provide will be used for statistical purposes only. In accordance with the Confidential Information Protection provisions of Title V, Subtitle A, Public Law 107-347, and other applicable Federal laws, your responses will be kept confidential and will not be disclosed in identifiable form to anyone other than employees or agents. By law, every employee and agent has taken an oath and is subject to a jail term, a fine, or both if he or she willfully discloses ANY identifiable information about you or your operation. Response is **voluntary**.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB number is 0535-0213. The time required to complete this information collection is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
