We are conducting a survey for the Economic Research Services of the USDA on the challenges businesses are facing in today's economy. This information will be used to find out how businesses use available resources to remain viable and competitive. Did you receive the letter we sent in the second week of November (2013) for the National Survey of Business Competitiveness explaining the importance of the survey and requesting your participation? (IWR: If R says "No", "Don't know", or "Don't remember" then say, "Would you like for me to send you an email of this letter and the Paperwork Reduction Act disclaimer?" (IWR Note If they would like an email of this click "Prior Letter" hot key and send email) I would like you to know that all information you provide for this survey is voluntary. Your answers to all questions are confidential. All information that is provided will only be used for statistical research purposes and reported in summary form. Your name and that of the business you represent will not be connected to your answers in any way. This survey is authorized under OMB Control Number 0536-0071. The time required to complete this survey is estimated to average 30 minutes per response. This interview may be monitored or recorded by my supervisor to check my work. If I come to any question you would prefer not to answer, just let me know and I will skip over it. Okay?
