SUMMARY OF INSTRUCTIONS
(See RUS Bulletin 26-1 for detailed procedure)

EXPLANATION OF COLUMNS 1 THROUGH 7

1. **PRIMARY BUDGET PURPOSES:** Item Numbers 1 through 6 are the primary purposes established in the Loan Budget, RUS Form 740c, for which loan funds may be used.
2. **CONSOLIDATED LOAN BUDGET:** This column shows the amount of loan funds established in the consolidated budget, including subsequent adjustments, for each respective budget purpose. Borrowers may request transfer of funds from one budget purpose to another, accompanied by justification for such transfer. RUS will evaluate requests and if approved will insert the adjusted budget purpose amounts on the lines marked "Adjusted."
3. **AMOUNTS APPROVED FOR ADVANCE:** Borrowers will insert in this column after each budget purpose the sum of the amount appearing on the previous Financial Requirement and Expenditure Statement returned to the borrower plus any amounts approved by RUS since the return of the previous statement and prior to the preparation of a new Financial Requirement and Expenditure Statement. RUS will consider a supplemental lender's funds approved for advance as soon as the contractual obligations of the loans have been met.
4. **TOTAL ADVANCE:** These amounts should be the sum of column 4 and column 7 of the previous Financial Requirement and Expenditure Statement returned to the borrower.
5. **TOTAL EXPENDITURES TO DATE:** This amount will be inserted by the borrower for each budget purpose from the records it maintains for expenditures, refunds, etc.
6. **CASH BALANCE:** This amount will be inserted by the borrower for each budget purpose from its Cash Record on the date of this Statement. The total of the column must agree with the balance in the "Cash-Construction Fund-Trustee" Account 131.2. The Cash Balance should also equal the difference between column 4 "Total Advance" and column 5 "Total Expenditures to Date".
7. **ADVANCE NOW REQUESTED:** These amounts should be inserted by the borrower opposite the appropriate budget purpose. Should the sum of column 7 (Advance Now Requested) and column 4 (Total Advance) for any budget purpose exceed the amount in column 2 (Consolidated Loan Budget), the Financial Requirement and Expenditure Statement shall be accompanied by a request for transfer of funds from some other budget purpose. The request shall contain (1) substantiating evidence that the funds to be transferred will not be needed for the purpose for which the funds were originally established and (2) the reason for insufficient funds in the purpose to which transfer is requested. Budget transfer requests should also include a board resolution requesting RUS approval.

**BREAKDOWN OF AMOUNT UNDER STOP ORDER OR CONDITIONAL AGREEMENT
