Overall, what was your impression of the application?

Is there anything you liked / disliked about the application?

In general, would you say that it was easy or difficult to complete the interviews using the application? Why?

If you could change anything about the application what would that be?

Is there anything else you would like to mention that we haven't talked about?

[NON-ENGLISH INTERVIEWS ONLY] Thanks, we're almost finished. I have just a few more questions for you.
