

INFORMATION COLLECTION UNDER THE  
SOUTH PACIFIC TUNA ACT

This collection of information is required under regulations at 50 CFR 300, Subpart D. These regulations are issued under authority of the South Pacific Tuna Act of 1988 (SPTA), which implements the Treaty on Fisheries Between the Governments of Certain Pacific Island States and the Government of the United States of America (Treaty). Under these regulations, operators of U.S. purse seine vessels seeking licenses under the Treaty are required to submit completed license application forms (and optionally, expressions of interest in such licenses) and FFA Vessel Register applications/VMS registration forms (50 CFR 300.32). Operators of U.S. purse seine vessels licensed under the Treaty are required to submit completed catch report forms and unloading logsheets (50 CFR 300.34).

Public reporting burden for this collection of information is estimated to average: (a) for the optional expressions of interest in vessel licenses, 15 minutes per response for license renewals and 120 minutes per response for initial licenses (with one optional response per year); (b) for the license application forms, 60 minutes per response (with one response per year); (c) for the FFA Regional Register applications/VMS registration forms, 45 minutes per response (with 1 response per year); (d) for the catch report forms, 60 minutes per response (with 5 responses per year); and (e) for the unloading logsheet, 30 minutes per response (with 6 responses per year). These estimates include time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other suggestions for reducing this burden to: Regional Administrator, NMFS, Pacific Islands Regional Office, 1601 Kapiolani Blvd., Suite 1110, Honolulu, HI 96814-4700.
