CDC Work@Health[™]: Trainee Reaction Survey HANDS-ON MODEL

Public reporting of this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a current valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-XXXX).

This is a planned paper and pencil survey of employers who participated in the Hands-on training model of the Work@Health™ program. Work@Health™ is a program that trains employers in the design, implementation, and evaluation of worksite health and wellness programs. This survey will be administered immediately after the training has been completed in Winter-Spring 2014 to evaluate the effectiveness of the Work@Health™ training.

Introduction

Thank you for your participation in today's training for the CDC Work@Health™ program. This survey asks about your thoughts and opinions of the training. Your responses will help us make the Work@Health™ program most useful for employers.

Informed Consent

Before you get started, we'd like to give you some more information to help you decide whether or not you would like to participate.

- This project is funded by the Centers for Disease Control and Prevention (CDC). Many parts of this project are being managed by the ASHLIN Management Group (ASHLIN). ASHLIN is a private sector consulting firm with a focus in the area of health and human services based in Greenbelt, MD. They are helping CDC implement the Work@Health™ program. The Public Health Management Corporation (PHMC), a non-profit, public health institute located in Philadelphia, PA and part of the ASHLIN Team designed this survey.
- You are being asked to complete the survey because you participated in the Work@Health™ training.
- Your participation is voluntary, and you may skip any questions you do not want to answer. You may also choose to end the survey at any time.
- The survey is designed to take about 15 minutes.
- There are no right or wrong answers or ideas we want to hear about YOUR experiences and opinions.
- All of the comments you provide will be maintained in a secure manner. We will not disclose your responses or anything about you unless we are compelled by law. Your responses will be combined with other information we receive and reported in aggregate as feedback from all respondents. In our project reports, your name and your employer's name will not be linked to the information or comments you provide.
- There are no risks or benefits to you personally for participating in this survey.
- CDC is authorized to collect information for this project under the Public Health Services Act.
- We are interested in your comments so that we can improve the Work@Health[™] program for future participants. If you have any questions, you can contact Kristin Minot. Her phone number is 215-985-2519 and her email is Kristin@phmc.org.
