Question Text	<p>Medicare refers to the Federal health insurance coverage for persons 65+ years of age and certain disabled persons under 65.</p> <p>NHIS data have been linked with health-related records of government agencies such as the Centers for Medicare and Medicaid Services and the Social Security Administration. NHIS data have also been linked with death certificate data stored in the National Death Index (NDI). The NDI is a database of death certificate information provided to NCHS by State offices.</p> <p>All personal identifying information is removed from the linked data files.</p> <p>These are some examples of possible research studies using NHIS data together with other health-related records or the NDI:</p> <p>[blt] Predicting the number of disabled persons in the U.S. based on health conditions reported in the NHIS. [blt] Predicting the costs of Medicare based on health conditions reported in the NHIS. [blt] Studying the risk of certain diseases for persons with and without health insurance. [blt] Studying the health characteristics of people who retire early. [blt] Calculating how long a person in the U.S. might live, based on his or her education, income, or race and ethnicity.</p>

Question Text	<p>A job exists when there is a definite arrangement for regular work on a continuing basis, and the person holding the job receives pay or other compensation for his/her work. The schedule of hours or days can be irregular as long as there is a definite arrangement to work on a continuing basis.</p> <p>A business exists when machinery or equipment of substantial value is used in conducting the business; an office, store, or other place of business is maintained; or the business is advertised to the public.</p> <p>An individual is working for pay if he or worked for wages, salary, commission, tips, piece-rates, or pay-in-kind (e.g., room-and-board); worked for profit in his/her own business, practice or farm; worked as a civilian for the National Guard or Dept. of Defense; or performed exchange or share work on a farm.</p> <p>Have a job or business but not at work includes individuals on annual leave or vacation (paid or unpaid); on maternity or family leave (paid or unpaid); at jury duty; involved in a labor dispute that is taking place at his/her place of employment; on sick leave (paid or unpaid); on a temporary lay-off (lasting less than 30 days), and the person expects to be called back within that time period.</p> <p>An individual is looking for work if he or she is conducting an active job search, which includes filling out applications or sending out resumes; placing or answering classified ads; checking union/professional registers; bidding on a contract or auditioning for a part in a play; contacting friends or relatives about possible jobs; contacting school/college university employment offices; contacting prospective employers directly; contacting public or private employment offices.</p> <p>Include as working, but not for pay at least 15 hours of work per week without pay or compensation in a business or farm operated by a related household member. Volunteer efforts should not be considered as working. Likewise, unpaid internships are not considered as working.</p>

Question Text	<p>Indicate both a general and specific function for employers and businesses. For example, in "copper mine" the word "mine" is general and the word "copper" is specific.</p> <p>For Government Agencies: If the title clearly designates the main function of the agency, enter the name of the agency (e.g., the U.S. Census Bureau.) If the main function is not clear from the title, ask for and report the division or branch for which the person works.</p> <p>For Firms with more than one business: If activities are carried on in separate places, describe the business in which the person actually worked. If activities are carried on in the same place, describe the main activity.</p> <p>For household or domestic workers: Determine if the person works for a business or private home. If it is a business, enter the name of the business. If it is a private home, enter "private home".</p> <p>Manufacturing: Makes and sells its products in large lots to other manufacturers, wholesalers, or retailers.</p> <p>Wholesale trade: Buys products in large quantities for resale to retailers, industrial users, or to other wholesalers.</p> <p>Retail trade: Sells primarily to individual consumers and seldom makes products.</p> <p>Some other kinds of business: Any other type of establishment that renders a service to individuals and/or organizations. Examples are hotels, dry cleaners, advertising agencies, restaurants, and automobile repair shops.</p>

Universe-text	
Question Text	<p>"Problem" is the sample adult's perception of a departure from physical, mental or emotional well-being. This includes specific health problems, such as a disease or condition, a missing extremity or organ, or any type of impairment. It also includes more vague disorders not always thought of as health related problems or illnesses such as alcoholism, drug dependency or reaction, senility, depression, retardation, etc.</p> <p>"Special Equipment" is any device, tool, utensil, instrument, implement, etc., used as an aid in performing an activity because of a physical, mental or emotional problem. This includes the use of adult "diapers" for incontinence. For example: a spoon is not normally considered as "special equipment"; however, a uniquely designed or functioning one used for eating by a person because of physical, mental, or emotional problems is considered "special equipment."</p>

Question Type

Enter All That Apply

Field Pane Description

Condition numbers

Fill Instructions

Fill1 = [if the number of conditions indicated in questions AHS.091_1 - AHS.171_3 as having at least a little bit of difficulty (i.e. answers are 1-4) is less than or equal to 3]
 Fill2 = [if the number of conditions indicated in questions AHS.091_1 - AHS.171_3 as having at least a little bit of difficulty (i.e. answers are 1-4) is greater than 3]

Special Instructions

The fill to be applied in the question text for Fill 1 is conditional on how many of the responses to questions AHS.091_1 through AHS.171_3 were either 1,2,3 or 4 (i.e. the respondent had a least a little difficulty carrying out the particular activity/action). If only one of these questions has an answer that meets the criteria (i.e. 1-4), then the question text is "What condition or health problem causes you to have difficulty with [condition 1]?". If only 2 questions had answers in the 1-4 range, the question text is "What condition or health problem causes you to have difficulty with [condition 1] or [condition 2]?". If 3 questions had such answers, use the question text provided.

Use the following phrases to fill in the question text when the conditions for Fill 1 apply:

FLWALK: walking a quarter of a mile
 FLCLIMB: walking up 10 steps
 FLSTAND: standing for 2 hours
 FLSIT: sitting for 2 hours
 FLSTOOP: stooping, bending or kneeling
 FLREACH: reaching up overhead
 FLGRASP: grasping or handling small objects
 FLCARRY: lifting or carrying 10 pounds
 FLPUSH: pushing or pulling large objects
 FLSHOP: going out for things
 FLSOCL: participating in social activities
 FLRELAX: relaxing at home

Universe	
Universe-text	
Question Text	<p>'Cigarillos' (also called 'puritos' or 'chicos'), are small, thin cigars that are wrapped in tobacco leaf rather than paper, and are made by machine or handrolled. Some common brands are Black and Mild's, Swisher Sweets Cigarillos, and Phillies Blunts. Very small cigars that look like cigarettes are usually brown in color and have a spongy filter like a cigarette. They are about the same size as cigarettes. Some common brands are Prime Time little filter cigars and Winchester little filter cigars. Bidis are small, thin hand-rolled cigarettes from India and other Southeast Asian countries. They consist of tobacco wrapped in a leaf, and may be secured with a colorful string at one or both ends. Bidis can be flavored (e.g., chocolate, cherry, and mango) or unflavored.</p>

Universe-text	Sample adults 18+ who have never been tested for HIV
Question Text	(book) ASI6 I am going to show you a list of reasons why some people have not been tested for HIV (the virus that causes AIDS). Which one of these would you say is the MAIN reason why you have not been tested?
Answer Codes	<ol style="list-style-type: none"> 1. It's unlikely you've been exposed to HIV 2. You were afraid to find out if you were HIV positive (that you had HIV) 3. You didn't want to think about HIV or about being HIV positive 4. You were worried your name would be reported to the government if you tested positive 5. You didn't know where to get tested 6. You don't like needles 7. You were afraid of losing job, insurance, housing, friends, family, if people knew you were positive for AIDS infection 8. Some other reason 9. No particular reason Refused Don't know
