Subject:

Exemption of FELLOWSHIP PROGRAM EVALUATION, Project 6048.01

FWA 00005551

As Chair of the Westat Institutional Review Board (IRB), I reviewed the materials submitted for the following: **FELLOWSHIP PROGM EVALUATN**, **Project 6048.01**. The Westat IRB reviews all studies involving research on human subjects. This project is funded by the National Cancer Institute.

Westat will conduct 25 in-depth interviews with Cancer Prevention Fellowship Program (CPFP) alumni in order to provide a formal external evaluation of the career outcomes of CPFP trainees. Westat is also responsible for designing, administering, and analyzing the survey.

Per 45 CFR 46.101(b) (5) and confirmed by the letter received from Jessica Badger, Deputy director of NCI Cancer Prevention Fellowship Program, this project is a program evaluation and exempt from IRB review. The Project Director is required to notify the Board only if there are changes to the protocol or procedures regarding this project. In addition, notify the IRB Office as soon as possible if there are any injuries to the subjects or problems with the study that relate to human subjects.
