		Enrollment and Payment Data Template Instructions					
Data Template Objective:	To document the total premium, APTC, CSR advance payment, and user fee amounts for all effectuated enrollment groups by Qualified Health Plan						
Submissions Guidelines:	During each data submission window, submitters will be allowed to submit multiple versions of the Enrollment and Payment Data Template (the "Template"). Based updated versions of the Template during each data collection window. Submitters will email the Template to the Marketplacepayments@cms.hhs.gov mailbox. Submitters will be instructed to send the Templates as a 'reply' to an email retains the issuer's 5-digit HIOS ID, as well as the applicable reporting period - test or production. Additionally, email submissions should include the following inform - Whether this is a resubmission, and reason for - Enrollment and Payment Data Template attachment - Certification of data the resubmission where necessary						
Data Collection Timelines:	1.) Submission Window for Enrollment and Payment Data Template testing: 12/04/13 - 12/10/13 2.) Submission Window for Production Enrollment and Payment Data Template: 12/16/13 - 12/20/13 3.) Submission Window for February Enrollment and Payment Data Template: TBD						
Payment Reporting Completion Information:	 In the FFM, data should be submitted for issuers in both the individual and small group markets. For small group market issuers in the FFM, all APTC and CSR enrollm since SHOP plans do not receive APTC or CSR payments. FFM SHOP plans must be included in the Template as these plans are subject to user fees. In the SBM, data should be submitted for both the individual and small group markets. User fee amounts will automatically populate to zero if the issuer is participatii If the submitter is an issuer, all information for an issuer should be documented in a single Enrollment and Payment Data Template. Issuers will be identified by the 5 If the submitter is an SBM, data for all issuers in the SBM in a single Enrollment and Payment Data Template. Data should be documented in numerical order by issue market issuers with enrollment data, data for all four issuers will be included within the same tab in a single Enrollment and Payment Data Template file submission. CMS will replace any previously submitted files with the resubmission file. As a result, when submitters send resubmission files, the file must include the most current.
