## The Privacy And Paperwork Reduction Acts

See revised  
Privacy  
Act Statement  
below.

The Social Security Administration is authorized to collect the information on this form under sections 205(a), 223(d) and 1631(e)(1) of the social Security Act. The information on this form is needed by Social Security to make a decision on the named claimant's claim. While giving us the information on this form is voluntary, failure to provide all or part of the requested information could prevent an accurate or timely decision on the named claimant's claim. Although the information you furnish is almost never used for any purpose other than making a determination about the claimant's disability, such information may be disclosed by the Social Security Administration as follows: (1) to enable a third party or agency to assist Social Security in establishing rights to Social Security benefits and/or coverage; (2) to comply with Federal Laws requiring the release of information from Social Security records (e.g., to the General Accounting Office and the Department of Veterans Affairs); and (3) to facilitate statistical research and such activities necessary to assure the integrity and improvement of the Social Security programs (e.g., to the Bureau of the Census and private concerns under contract to Social Security).

We may also use the information you give us when we match records by computer. Matching programs compare our records with those of other Federal, State, or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government. The law allows us to do this even if you do not agree to it.

Explanations about these and other reasons why information you provide us may be used or given out are available in Social Security offices. If you want to learn more about this, contact any Social Security office.

**Paperwork Reduction Act Statement** - This information collection meets the requirements of 44 U.S.C. §3507, as amended by Section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget control number. We estimate that it will take about 20 minutes to read the instructions, gather the facts, and answer the questions. **SEND OR BRING THE COMPLETED FORM TO YOUR LOCAL SOCIAL SECURITY OFFICE. The office is listed under U. S. Government agencies in your telephone directory or you may call Social Security at 1-800-772-1213 (TTY 1-800-325-0778).** *You may send comments on our time estimate above to: SSA, 6401 Security Boulevard, Baltimore, MD 21235-6401. ## Revised Privacy Act Statement

Sections 1614 and 1631(e)(1), of the Social Security Act, as amended, and 20 CFR 416.924(a), authorize us to collect this information. We will use the information you provide on behalf of the child to determine his or her eligibility for Supplemental Security Income (SSI) payments based on disability.

Furnishing us the information is voluntary. However, failing to provide all or part of the requested information may prevent our making an accurate and timely decision on the claim.

We rarely use the information you supply for any purpose other than to make a decision regarding the child's eligibility for SSI payments. However, we may use it for the administration and integrity of our programs. We may also disclose the information to another person or to another agency in accordance with approved routine uses, including but not limited to the following:

1. To enable a third party or an agency to assist us in establishing rights to our benefits and coverage;
2. To comply with Federal laws requiring the release of information from our records (e.g., to the Government Accountability Office and Department of Veterans Affairs);
3. To make determinations for eligibility in similar health and income maintenance programs at the Federal, State, and local level; and,
4. To facilitate statistical research, audit, and investigatory activities necessary to ensure the integrity and improvement of our programs (e.g., to the Bureau of the Census and to private entities under contract with us).

We may also use the information you provide in computer-matching programs. Matching programs compare our records with records kept by other Federal, State, or local government agencies. We use the information from these programs to establish or verify a person's eligibility for federally funded and administered benefit programs and for repayment of incorrect payments or delinquent debts under these programs.

A complete list of routine uses of this information is available in our Privacy Act System of Records Notice 60-0089, entitled, Claims Folders Systems.
