## PRIVACY AC

The information requested on this form is authorized by the Social Security Act, Sections 202(d) and 203(f), and Title 20 CFR 404.415, 404.434, 404.352 (b) (2), 404.367, 404.368, and 422.135. The information provided will be used to determine if you are still eligible for Social Security benefits. This information may be disclosed by Social Security to another person or to another agency for the following purposes: (1) to assist SSA in determining the right to Social Security benefits for yourself or another person; (2) to facilitate statistical research and audit activities necessary to assure the integrity and improvement of programs administered by SSA; and (3) to comply with laws and regulations requiring the exchange of information between SSA and another agency.

We may also use the information you give us when we match records by computer. Matching programs compare our records with those of other Federal, State, or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government. The law allows us to do this even if you do not agree to it.

Explanations about these and other reasons why information about you may be used or given out are available in Social Security offices. If you want to learn more about this, contact any Social Security office.
